**RE: FUNDING AND SERVICES FOR 2018-2019**

Dear Mr. Williams:

Based on the 2016-2017 number of identified migrant students in your district and the information we have at this time, a preliminary allocation of **\$265,957** for regular funds and **\$16,080** for school readiness, a combined total of **\$282,037** has been determined for 2018-2019 services to migrant students in your district. School readiness funds must only be used for preschoolers.

As of April 4, 2018, the student count in your district is **313**, which will be used for planning purposes.

If you need further information, please do not hesitate to contact me at (805) 922-0788 [djpittenger@slococ.org](mailto:djpittenger@slococ.org).

Sincerely,
