**ANNUAL SERVICE DELIVERY PLAN
STATE REQUIRED POLICY**

The San Luis Obispo County Special Education Local Plan Area (SELPA) is required to develop an Annual Service Delivery Plan to the California Department of Education. The Governing Council shall conduct a public meeting to approve the plan. The purpose of the Annual Service Delivery Plan is to provide the public with an overview of the programs and services available with the SELPA.

- To the maximum extent possible program options in general education environments are available at local neighborhood schools
- Special education programs, to the maximum extent appropriate to student needs, are housed on regular school campuses and dispersed throughout the SELPA
- The physical location of the program facilitates continuing social interaction with nondisabled students
- Individuals with disabilities have equal access to all general education activities, programs and facilities on the regular school site and participate in those activities as appropriate to their needs
