

Paso Robles Joint Unified School District:

College and Career Readiness & CTE Incentive Grant Update

2018-19

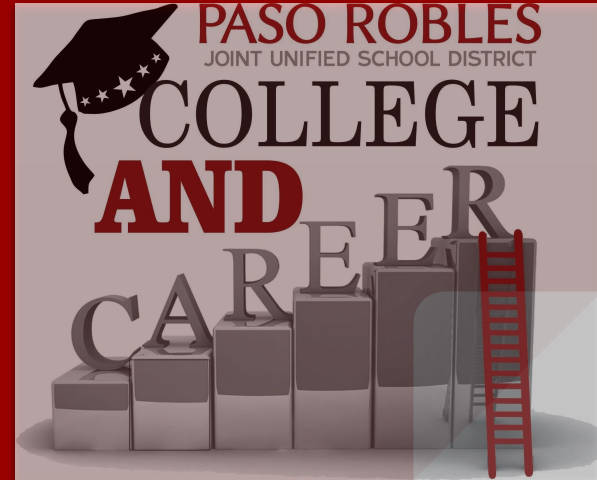

VOLUME 74 | ISSUE 7 | 6.5.14 | PASO ROBLES HIGH SCHOOL

Every student will be prepared for success in college, career and community!

**How do we KNOW every student is prepared
for success in college, career and
community?**

2017 Staff GROUP

Graduation Committee Members:

13 teachers

5 Site Administrators

4 Counselors

5 District Representatives

The question: Do our current graduation requirements align with our vision and belief?

Previous Policy	Proposed Policy	Rationale
Academic Requirements: 4 English 3 Math, Alg 1. min. 3 Science 3 Social Studies 2 PE 1 Fine Art, CTE or Language	No changes	Requirements are sufficient to prepare students for success in college, career and community.
Service Learning (Community Service/unpaid internship) No requirement	20 hours of Community/Service Learning	In preparation for success in life we believe community service and/or internships in our local area are essential to prepare students for success in our community and in college.
College and Career Academies: No requirement	College and Career Academies: Declaration of Academy: <ul style="list-style-type: none"> • Arts, Media, Entertainment • Agriculture • Health and Human Services • Science Tech. Engineering Math (STEM) • Entrepreneurship and Industrial Services 	Students who are focused in high school, who learn concentrated skills are more likely to graduate and be successful in college and career. Additionally, increases connectivity for students within their academies.
Mock Interview No requirement	College and Career Interview	Prepares students for success in college, career, and community. Also, increases community involvement with students.
Graduate Profiles No requirement	Graduate Profile Required: <ul style="list-style-type: none"> • Cover Letter • Resume • Example of academy exemplar 	Prepares students for success in college, career, and community.

**Recommendation:
20 hours, within
11th/12th grade years**

Community

Currently there is a Board Policy 6142.4 which recognizes the importance of community service, but does not require community service.

Committee recommendation is to require, through social studies department, 10 hours within their junior and 10 hours within their senior year of community service.

“The Governing Board recognizes that community service can help students develop skills, career awareness and self-esteem. Service experiences also can motivate students by letting them apply what they are studying to local needs and problems and by showing them that they can make a contribution to their community.”

Career

Are we preparing
all students for
success in their
chosen career?

Career Technical Education Incentive Grant: Round 3

Round 2: 2017–18: \$363,00

Round 3: 2018–19: \$238,540

Goal 2 : Each Industry sector at Paso Robles High School will link to multiple post-secondary career and college choices for our students through work based learning, certification, and apprenticeships.

Goal 3: Paso Robles High School will demonstrate both college AND career readiness by increased A-G courses, dual enrollment opportunities, and articulation agreements.

Goal 4: Each Industry sector at Paso Robles High School will be connected to a CTSO which promotes leadership opportunities, a mastery of technical skills and community connections.

Goal 5: Paso Robles Joint Unified School District will have fully articulated 6-14 college AND career counseling, administrative and community supports for ALL students.

Career

Recommendation: Mock Interview and Graduate portfolio

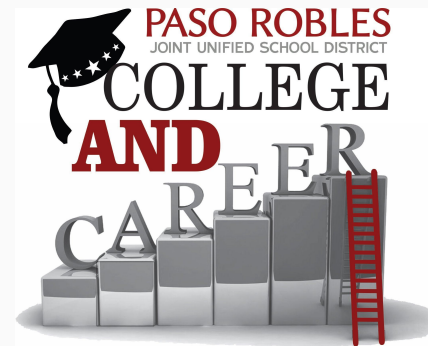

All juniors will be required to complete a “mock interview,” including letter of introduction, resume, and interview by community members.

All juniors/seniors will complete a graduate portfolio through their 11/12th grade English course work.

Recommendation: College and Career Cluster Model

**Rationale: Students
commit to learning skills
in an area of study,
students are connected
to a
domain/community
within our school**

College AND Career: All students at PRHS will be required to complete two-three courses within an identified College/Career Cluster. Courses must be sequential and result in at least an intermediate/concentration level, or Advanced Placement/Dual Enrollment equivalent. Students will declare their College/Career Cluster in the beginning of their 10th grade year. Students who are enrolled in AVID for 3-4 years are only required a 2 course sequence in their selected College AND Career Course Cluster.

Recommendation: College and Career Cluster Model

Rationale: Students
commit to learning
skills in an area of
study, students are
connected to a domain
within our school

There are 5 College and Career Academies:

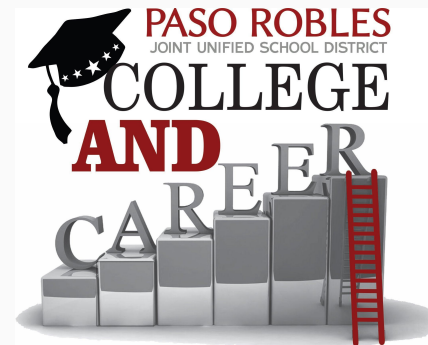

Arts (VAPA). Media and Entertainment

Agriculture

Health and Human Services

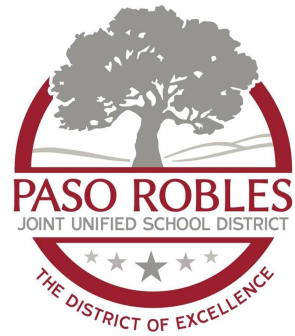

Science Technology Engineering Mathematics

Entrepreneurship and Industrial Services

Proposed Timeline – *Depending on INPUT*

Development and Implementation

August-December: Parent, Student and Staff Input

Research and Collaboration begins, ongoing

Jan Feb Mar Apr May Jun Jul Aug Sept Oct Nov Dec

January 2019

Board Review

February 2019

School site development and Implementation

August 2019

Implement: Class of 2020-21: Mock Interview, (not grad. requirement)
Class of 2022: Community Service, College and Career Academies,
Mock Interviews and Graduate Profile Required

By adding community service (20 hours), College and Career Interview, Graduate Profile, and the organizational system of College and Career Clusters we are ensuring our vision and mission.

**Every student will be prepared for success
in college, career and community!**
