

**Memorandum of Understanding (MOU)
between MCOE and UUSD and Mendocino County SELPA
for Turning Point Student Services for the 2019-2020 School Year**

For students residing in Turning Point homes, MCOE will do the case management, and UUSD will provide the Regional services to the extent possible, based on the principle and legal mandate of serving students in the Least Restrictive Environment. For 2019-2020, there will be a 1/3 allocation to MCOE (\$46,920) and a 2/3 allocation to UUSD (\$91,080). Funding for students who are in NPS placement will be deducted from the Ukiah allocation at a rate of \$15,000 per student. A 15% share of NPS placement costs will be the responsibility of MCOE. The Mendocino County SELPA will cover the balance of NPS costs that remain after the UUSD allocation reduction, and 15% cost to MCOE.

- UUSD will be DOS when appropriate, to ensure students are served in LRE.
- MCOE will get one-third and UUSD will get two-thirds of the 138,000 allocation.
- MCOE will Case Carry all Turning Point students and serve as DOR for students in NPS settings.
