LEARNING TO LEAD CONTINUUM PROGRAMS

ADMINISTRATOR INDUCTION

Stanislaus County Office of Education, hereinafter called Program, is providing an Administrator Induction Program for its districts. Districts may utilize the Program by allowing their newly hired administrators to attend the Program and their administrative employees to serve as Lead Coaches. As such, the District has certain responsibilities in regard to the effective implementation of the Program and the Program's ability to recommend Candidates for a Clear Administrative Services Credential.

District Agrees to:

1. Designate a District Coordinator (DC) to serve as a liaison between the District and the Program and to serve as the district signatory in decision-making.
2. Identify and communicate with eligible administrative Candidates at the point of hire that an approved Administrator Induction Program is available to them and that the Candidates may complete the two-year Program to be recommended for the Clear Administrative Services Credential through SCOE.
3. Provide Program information and deadlines so that Candidates may apply for admission to the Program during the first months of their first academic year serving in an administrative position as per state guidelines.
4. Provide the Candidates access to Program events and support, including collaboration time with the Candidate's Lead Coach, for completion of the Program requirements within two years.
5. Designate district option(s) for the Lead Coach assigned to its current Candidates:
 - ☐ a) a current, District-employed administrator as Lead Coach
 - ☐ b) a retired, previously district-employed administrator as Lead Coach
 - ☒ c) a Lead Coach from the Program's pool of Lead Coaches
6. If the District chooses options a or b, then it must identify and verify eligibility of Lead Coach (as stated in the Lead Coach MOU) in a timely manner such that the Lead Coach can attend and successfully complete the two-day Coach training before the Candidate and Lead Coach are paired prior to the IIP Drafting event.
7. If the District chooses to use a currently-employed Lead Coach, the following will apply.
Lead Coaches will:
 - a. be limited to one (1) Candidate
 - b. not be in a position to formally evaluate or have direct influence over the hiring/firing of the Candidate
 - c. be available to attend Program events and spend time with the Candidate in order to complete Program requirements in a timely manner

8. If the District chooses to use currently-employed or previously district-employed Lead Coaches, then the following will apply.

Lead Coaches must:

- a. have or had experience in an administrative position as similar as possible to that of the Candidate
- b. have geographic proximity (reasonable and feasible) to the Candidate
- c. have completed a minimum of 5 years of successful administrative work
- d. hold a current Clear Administrative Services Credential
- e. have served as an administrator during the Standards and Accountability era (post 1997)
- f. had experience serving in a Coaching role either formally or informally
- g. demonstrate 'ease of interaction' with Candidate in the working context and inter-personal relationship

9. That Lead Coaches are under contract with the Program to:

- a. support the Candidate beginning and completing the Program within the 2 year timeframe
- b. attend the required sessions structured within the Program
- c. successfully complete the full day Lead Coach training (plus an additional ½ day follow-up session later in the year)
- d. submit Program-required documents in a timely manner
- e. maintain a professional working relationship with the Candidate(s) during the two year Program
- f. participate in the Program evaluation through (a) responding to Program and state requests for evaluation of the Program through the annual survey, and (b) ensuring representation at the Unit Accreditation visits (every seven years) and responding to surveys and questionnaires

10. That the Program assesses the quality of services provided by Lead Coaches using multiple sources including information from Candidates.

- a. The Program provides formative feedback to Lead Coaches on their work and will retain only those that are successful
- b. If a mismatch occurs between the Lead Coach and the Candidate, protocols within the Program will be followed that may lead to an assignment of a new Lead Coach to the Candidate
- c. Removal of a Lead Coach from the pool of Lead Coaches may be an option and will be done at the Programs discretion

11. Understand that the district will be given an opportunity to evaluate, to give input, or request a change of Lead Coach assigned to the Candidate.

12. The district will choose one option below regarding the establishment of tuition protocols for SCOE's Induction Programs.

- ☐ Our district will be paying the SCOE Administrator Induction tuition for all participating candidates (\$3,500 per year or \$7,000 for the two year program).

LEARNING TO TEACH CONTINUUM PROGRAMS TEACHER INDUCTION

Districts utilizing the Stanislaus COE Learning to Teach Continuum Programs (GenEd Induction and SpEd Induction) are co-sponsors of the programs and, as such, have certain responsibilities in regards to the effective implementation of these programs and their ability to recommend candidates for the appropriate professional clear credential. Submission of the master agreement indicates that the district has agreed to the conditions below and will act as co-sponsors until such time as either the district or the programs terminate the agreement in writing.

District responsibilities include:

1. Designating a primary contact person from the district to the program to serve as a District Coordinator (DC) and designating a Lead Mentor according to specified program criteria. One person may hold both titles or a consortium of small districts may designate one District Coordinator and Lead Mentor to serve several small districts.
2. Pairing candidates with qualified mentors according to program-specified ratios (no more than three for a full-time teacher mentor, no more than twenty-three for a full-time released mentor with commensurate ratios for part-time teacher mentors) taking into consideration like credential, grade or content expertise, geographic proximity, and school schedules. **The pairing will be completed within 30 days of the start of the teaching contract.** Please see document titled *Mentor Responsibilities* for detailed mentor qualifications.
3. Identifying eligible candidates to the program leadership prior to their participation in induction.
4. Providing representation at **all** Advisory Council meetings to receive pertinent program information.
5. Communicating with eligible candidates at point of hire that they must enroll in an approved induction program within 30 days of the start of the teaching contract and that they must complete a two-year induction program to be recommended for a professional clear credential.
6. Informing candidate(s) of any financial responsibility at point of hire.
7. Informing eligible candidates in writing of the completion requirements of the SCOE Induction Program.
8. Providing eligible candidates with information regarding dates of induction events.
9. Selecting and providing stipends to suitable mentors from within or without of district for candidates according to specified criteria. Contact program staff for names of suitable out of district mentors if needed.

10. Ensuring candidates teach in a context using state adopted academic standards.
11. Sending site administrators (who have candidates on site) to attend one half day Administrators' Academy Breakfast.
12. Support candidates and mentors in scheduling and holding a TRIAD CONVERSATION with site administration BEFORE attending an Orientation.
13. Ensuring candidate attendance at an Orientation in order to develop the ILP **within 60 days** of the start of school. If a candidate is a late hire and cannot attend the last Orientation date, the district must provide "just in time" support for that teacher until enrollment in induction the following school year.
14. Providing substitute release time for:
 - Candidates to attend required events and ensure that they have the opportunity to complete the induction program's requirements for the recommendation for a professional clear credential.
 - Mentors to attend required events, complete observations and complete the plan, teach, reflect, apply cycle with candidates.
 - Both mentors and candidates to observe colleagues and peers.
15. Ensuring that every candidate in his or her first year, on site or in the district, is provided with an orientation for new teachers that includes policies, procedures, and site resources. Candidates must be provided information regarding:
 - Accident prevention strategies on site
 - School's crisis response plan (including procedures for responding to emergency health situations, procedures for contacting staff identified as first aid and CPR certified, and any conflict resolution strategies or techniques for defusing potentially violent situations)
 - School policies regarding accessing health and mental health resources
 - Adopted health curriculum
 - State and local policy regarding permitted health topics, family life and sex education, and procedures for notifying parents, and parents' rights regarding instruction in health
 - State and federal reporting requirements relating to child abuse and neglect
 - Guidelines for accessing and using outside speakers
 - Adopted instructional program for the teaching and support of English language learners
 - Referring students for special education services
 - District retention and promotion policies
16. Providing candidates with student data from various sources to be used for the plan, teach, reflect, apply cycle.

17. Recognizing that work done in induction, including the ILP and CGE, is for professional growth and development of the candidate and not for evaluation for employment purposes.
18. Providing support to mentors so that they may provide both “just in time” support and longer term analysis of teaching practice to help candidates develop enduring professional skills.
19. Ensuring dedicated time for regular mentor and candidate interactions; no less than one (1) hour per week on average of individualized support/mentoring as required by program standards.
20. Assessing or responding to information about the success of the pairing and having a plan for reassignment, if necessary. Candidates will have input regarding the pairing and the district will retain only those mentors who are successful. Districts will need to reassign candidates to a new mentor if requested by the program.
21. Ensuring district representation for accreditation interviews (every seven years), and responding to surveys and questionnaires for the purpose of determining program effectiveness.
22. Ensuring district representation at the Read event:
 - Districts are responsible for providing one reader for every four candidates enrolled in the program.
 - Districts that have less than four candidates in the program must provide at least one reader.

The DISTRICT will choose one option below regarding the establishment of tuition protocols for SCOE's Induction Programs. Full annual tuition will be journaled in January of each year.

- a. ☒ Our district will be paying the SCOE Induction tuition for all candidates.
- b. ☐ Our district will be paying the SCOE Induction tuition for all candidates, and will be seeking full or partial reimbursement from the candidates.

SCOE shall provide legal services to DISTRICT through the placement of an attorney from the education law firm of Atkinson, Andelson, Loya, Ruud & Romo ("Law Firm") in SCOE for not less than one day per week. Attorney office hours will normally be all day Tuesday, although DISTRICT can contact attorney on any day for services at no additional charge. Normally, the attorney staffing the office shall be either Chesley ("Chet") Quaide or Mike Davis.

DISTRICT agrees that legal services provided pursuant to this Agreement are basic services. The fee for said basic services is \$10.54 per Agreement Year Actual P-2 ADA, which include the following:

1. Reviewing and advising regarding contracts and drafting simple contracts where appropriate.
2. Providing up to six (6) workshops per year on requested topics.
3. Advice on student and personnel matters to the point of significant work being required focusing on an individual (significant work is drafting language, investigation, preparing pleadings, etc).
4. Telephone advice, other than on the subject of specific labor negotiations. This service includes calls for member districts to attorneys at the attorney's office on days when the attorney is not on site.
5. Preparation of written opinions by the attorneys who staff the Office as identified above. In response to a request for an opinion (other than on questions which are basically labor negotiation issues).
6. SCOE overhead costs for housing attorney.

The basic level of services shall not include:

1. Conduct labor negotiations.
2. Representation in hearings, whether court, unfair practice charges, arbitration, layoffs, employee or student discipline, or other forms of representation.
3. Highly specialized areas of law, which include but are not limited to bankruptcy, intellectual property, CEQA, financing and tax and bond counsel work.
4. Legal matters other than those included in basic legal services above.
5. Special education or facilities and land use legal services other than telephone advice.
6. Appearances at school board meetings.
7. Services, other than telephone advice, where the attorney providing the service is a specialist other than the attorneys who normally staff the office at SCOE as identified above.

In addition to the above referenced basic services, additional legal services will be billed to DISTRICT at the rate of \$295 per hour for senior partners, \$275 per hour for partners or senior associates, \$250 per hour for associates or paralegals providing investigatory services, and \$170 per hour for other services provided by paralegals or legal assistants, plus expenses. Office overhead fees do not apply to these costs.

Fee Arrangements for Specialized Legal Services:

For specialized litigation and transactional services in the areas of construction, procurement, technology, prevailing wage, real property, CEQA, mitigation negotiations, school and college finance, tax, bankruptcy, copyright, non-profit organizations, immigration and appellate law, the DISTRICT agrees to pay Law Firm at rates higher than the standard hourly rates for special projects or particular scopes of work. The Law Firm shall inform the DISTRICT of the rates for specialized services and the Superintendent or designee shall agree to such rates in writing prior to any billings by the Law Firm.

Fixed Fee Services:

The services listed in Exhibit A shall be performed by Attorney for the fixed fees described therein during 2019-2020.

Costs and Expenses:

In addition to the fees described above, DISTRICT agrees to pay five percent (5%) "administrative fee" calculated and based on the total monthly billed fees to cover certain operating expenses of the Law Firm incurred in providing services to the Consortium. This administrative fee is in lieu of the Law Firm charging DISTRICT for telephone charges (\$.07 per minute), incoming and outgoing faxes (\$2.00 per page), photocopies (\$.20 per page), mailing fees, messenger services, computer database (e.g., Westlaw) searches (billed at vendor's standard retail rate), word processing (\$40.00 per hour), and travel expenses including mileage at IRS rate, parking, meals, and lodging (excluding airfare).

Costs relating to fees charged by third parties retained to perform services ancillary to the Law Firm's representation of DISTRICT are not included in the administrative fee and are charged separately. These include, but are not limited to; deposition and court reported fees, transcripts costs, witness fees (including expert witnesses), process server fees, and other similar third party fees. The Law Firm shall not be obligated to advance costs on behalf of DISTRICT; however, for purposes of convenience and in order to expedite matters, the Law Firm reserves the right to advance costs on behalf of DISTRICT with the prior approval of the Superintendent or designee in the event a particular cost item exceeds \$2,000 in amount, and without the prior approval of the Superintendent or designee in the event a particular cost item totals \$2,000 or less.

If the Law Firm retains, with authorization from DISTRICT, experts or outside consultants for the benefit of DISTRICT, rather than DISTRICT contracting directly with any expert or outside consultant, the DISTRICT agrees to pay a five percent (5%) "consultant processing fee" in addition to the actual costs paid by the Law Firm to the expert or outside consultant in order to offset certain costs to the Law Firm resulting from administering and initially paying such expert and outside consultant fees on behalf of DISTRICT. This fee shall not apply to the services of Law Firm-provided non-legal consultants as set below.

Billing Practices:

A detailed description of the work performed and the costs and expenses advanced by the Law Firm will be prepared on a monthly basis as of the last day of the month and will be mailed to DISTRICT on or about the 15th of the following month, unless other arrangements are made. Payment of the full amount due, as reflected on the monthly statement, will be due to the Law Firm from DISTRICT by the 10th of the month following delivery of the statement, unless other arrangements are made. In the event that there are funds of DISTRICT in the Law Firm's Trust Account at the time a monthly billing statement is prepared, funds will be transferred from the Law Firm's Trust Account to the Law Firm's

General Account to the extent of the balance due on the monthly statement and a credit will be reflected on the monthly statement. Any balance of fees or costs advanced remaining unpaid for a period of 30 days will be subject to a 1% per month service charge.

The Law Firm shall bill in one-quarter hour increments.

Certain tasks shall be billed at established minimum time increments. These include: (a) telephone conference (.25 hour), (b) electronic correspondence (.25 hour), (c) standard written correspondence (.50 hour), (d) provide a document (.50 hour).

The Law Firm may charge the full hourly rate to more than one client for services provided during the same time period. Examples include, but are not limited to: (a) providing telephone advice to a client while traveling in connection with representing another client, (b) providing written email advice to a DISTRICT while representing another client in labor negotiations.

DISTRICT agrees to review the Law Firm's monthly statements promptly upon receipt and to notify the Law Firm, in writing, with respect to any disagreement with the monthly statement. Failure to communicate written disagreement with the Law Firm's monthly statement within thirty (30) days of DISTRICT's receipt thereof shall be deemed to signify DISTRICT's agreement that the monthly billing statement accurately reflects the services performed; and the proper charge for those services.

Termination of Representation on a Particular Matter:

The Law Firm reserves the right to discontinue the performance of legal services on behalf of DISTRICT on a particular matter upon the occurrence of any one or more of the following events:

Upon order of a court of law requiring the Law Firm to discontinue the performance of legal services;

Upon a determination by the Law Firm in the exercise of its reasonable and sole discretion, that state or federal legal ethical principles require it to discontinue the performance of legal services;

Upon a determination by the Law Firm in the exercise of its reasonable and sole discretion, that state or federal legal ethical principles require it to discontinue the performance of legal services;

Upon a failure of DISTRICT to perform any of DISTRICT's obligations with respect to the payment of the Law Firm's fees, costs or expenses as reflected on the monthly bill;

Upon a failure of DISTRICT to perform any of DISTRICT's obligations with respect to the duty of cooperation with the Law Firm in connection with the Law Firm's representation of DISTRICT.

In the event that the Law Firm ceases to perform services for DISTRICT on a matter, DISTRICT agrees that it will promptly pay to the Law Firm any and all unpaid fees and costs advance, and retrieve all of its files, signing a receipt therefor. Further, DISTRICT agrees that, with respect to any litigation where the Law Firm has made an appearance in a court of law on its behalf, DISTRICT will promptly execute an appropriate Substitution of Attorney form. Any termination of Law Firm's representation on such a matter may be subject to approval by the applicable court of law.

Consent to Joint Representation:

DISTRICT acknowledges that from time to time Law Firm may be asked to perform legal services on a matter affecting two or more DISTRICTS. In such situations before proceeding with representation, Law Firm shall seek separate written consent to joint representation from all involved parties if permissible according to ethical principles applicable to attorneys. DISTRICT acknowledges that it is often in the best interest of DISTRICT for such representation to commence without undue delay which may result from waiting until a regularly scheduled Board meeting. Therefore, pursuant to Education Code section 7, the Governing Board of DISTRICT hereby delegates to the Superintendent or designee authority to consent to joint representation in the circumstances described in this paragraph.

Client Cooperation:

The Consortium agrees to fully cooperate with the Law Firm in connection with the Law Firm's representation of DISTRICT, including but not limited to, attending mandatory court hearings and other appearances, making its employees and officials available, and providing accurate information documentation necessary to enable the Law Firm to adequately represent DISTRICT.

Services Performed by Law Firm-provided Non-legal Consultants:

The Law Firm has an affiliation with non-legal consultants who are available to provide services in areas including, but not limited to, personnel/business office audits, human resources/collective bargaining consultation, public/employee relations surveys and communications, media and public relations, budget analysis/support services, instructional coaching/counseling at school improvement sites, leadership coaching, board/superintendent relations and best practices, and interim management placement.

Because the Law Firm has a financial interest in DISTRICT's use of these affiliated non-legal consultants, the rules of the State Bar of California require that the client provide its informed written consent to this arrangement prior to utilizing these services. Execution of this Agreement shall be deemed "informed consent" for the purpose of this paragraph. DISTRICT is hereby advised that it may seek the advice of an independent attorney of your choice prior to providing such written consent.

Please also be advised that because these non-legal consultants are provided to DISTRICTS outside of the attorney-client relationship, communications with these non-legal consultants will not be protected from disclosure by the attorney-client privilege.

Binding Arbitration:

DISTRICT agrees that all disputes which arise between DISTRICT and law firm, whether financial or otherwise regarding the attorney-client relationship, shall be resolved by binding arbitration. The parties agree to waive their right to a jury trial and to an appeal.

Miscellaneous:

The Law Firm maintains errors and omissions insurance coverage applicable to the services to be rendered.
