Meeting # 2 – September 18th

- **Agnews Schools presentation**
- **Definition of a “true K-8”**
- **Review of Comprehensive middle school programs**

Definitions

K-8 School	Callejon MS
Whole school bell schedule	Middle school bell schedule on periods
Multiple Subject credentialed teachers (Must keep students >50% of the instructional time)	Single subject credentialed teachers (May only teach within their credentialed area)
Students may be regrouped within the grade level during subject area teaching	Students move to different teachers for subject areas
Specialty teachers may be a part of the teaching staff or may be hired by the school for afterschool programs (math, art, etc.)	Since there are single subject credentialed teachers, specialty teachers teach in their credentialed area for the whole day and students rotate through.
Students are committed to stay K through 8 grade.	Students enter the school from other elementaries in 6 th grade.

Meeting #3 - October 2nd

- **Review of K-8 middle school programs**
- **Comparison - middle school programs at K-8 vs. comprehensive middle (pros and cons)**

K-8 Schools

	# of 6-8 classrooms	# of total students	bell schedule	Theme?	Other information
Steindorf	2 classes of 7th and 2 classes of 8th. 6th is part of their elementary schedule	under 500	18-19 Bell Schedule	STEAM school	Students have a bell schedule like middle school but teachers teach multiple subject areas and electives. They have a part time math and science teacher for 7th and 8th grade.
Christopher	6th is part of their elementary and new students come in for 7 and 8 1 class of 7th 1 class of 8th	380	18-19 Bell Schedule	STEM Leadership program	
Indigo	3 teachers that teach 6-8 combo	350	18-19 Bell Schedule	Theme-based (PBL) instruction and Parent participation	
Easterbrook	360 students in grades 6-8 3-4 classes per grade	926	18-19 Bell Schedule	No theme	
McAuliffe	3 teachers: - 1 6th grade - 2 7th/8th grade	500	18-19 Bell Schedule	Parent participation and project based learning	50% of the students stay from 5th to 6th grade. Teachers teach all subjects (multiple subject) and rotate students for Math (four levels using parent support). Parent volunteers run the electives program. With sports, they compete against other small schools.

K-8 vs. 6-8

K-8 Schools

- Smaller middle school program
- Smaller campus
- More parental involvement
- Students have less teachers
- Relationships built starting in K.
- Fewer elective choices
- Mentoring/role model
- Smaller sports program
- School focus area

6-8 Schools

- Larger population
- Larger campus
- Wider range of sports facilities
- Students have six teachers
- Broader electives / enrichment
- Flexibility in the schedule
- More academic offerings
- More support structures
