The Board encourages the early, informal resolution of complaints at the site level whenever

possible.

~~The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations~~

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)  
(cf. 5125 - Student Records)  
(cf. 9011 - Disclosure of Confidential/Privileged Information)

~~The Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to the filing of a complaint or the reporting of instances of discrimination. Such participation shall not in any way affect the status, grades or work assignments of the complainant.~~

In an effort to resolve issues locally as often as possible, if the mediation process does not resolve the problem within the parameters of law or if the complainant is dissatisfied with the compliance officer's decision, the complainant may file his/her complaint in writing with the Board. The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

(cf. 4131 - Staff Development)  
(cf. 4231 - Staff Development)  
(cf. 4331 - Staff Development)

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints in accordance with applicable law and district policy.

(cf. 3580 - District Records)
