**WHEREAS**, an election will be held within the Natomas Unified School District that will affect the County of Sacramento on November 8, 2016, for the purpose of electing three (3) members of the governing board;

**WHEREAS**, a statewide general election will be held within the County of Sacramento on the same day;

**WHEREAS**, Election Code §10403 requires jurisdictions to file with the Board of Supervisors, and a copy with the Registrar of Voters, a resolution requesting consolidation with a statewide election; and

**WHEREAS**, Election Code §10551 states that if a tie vote makes it impossible to determine which of two or more candidates has been elected, the county elections official shall notify the governing body of the district thereof, and the governing body shall forthwith notify the candidates who have received the tie votes to appear before it either personally or by representative at a time and place designated by the governing body. The governing body shall, at that time and place, determine the tie by lot and the results thereof shall be declared by the governing body. The candidate so chosen shall qualify, take office and serve as though elected at the preceding general district election.

**NOW, THEREFORE, BE IT RESOLVED**, that the Natomas Unified School District requests the Board of Supervisors of Sacramento County to consolidate the regularly scheduled General District Election with the statewide election to be held on November 8, 2016.

**BE IT FURTHER RESOLVED**, that all candidates, including incumbents, shall pay at the Voter Registration and Elections office for the publication of the candidate's statement, pursuant to Elections Code §13307. The limitation on the number of words that a candidate may use in his/her candidate's statement is 200 words; and

**BE IT FURTHER RESOLVED** that the Natomas Unified School District agrees to reimburse the Registrar of Voters for actual costs accrued, such costs to be calculated by the method set forth in the County's current Election Cost Allocation Procedures.
