

2019-2020 Pleasanton Middle School “Pride Time” Bell Schedule Pilot Proposal

First Review

May 7, 2019

**Pleasanton Unified School District
Board of Education Meeting**

GUIDING COALITION

- **The Pleasanton Middle School Guiding Coalition, comprised of 9 representatives, was created in October 2018, with the purpose of uniting and coordinating the collective efforts of our school to help every student succeed.**

Essential Questions to keep in mind:

1. What do we want our students to know?
2. How do we know if they know it?
3. What do we do if they don't?
4. What do we do if they do?

The Why?

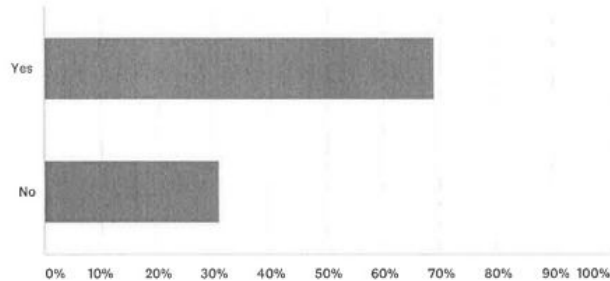

Our premise is that we should not delay providing help for struggling students until they fall far enough behind to qualify for special education, but instead provide timely, targeted, systematic interventions to all students who demonstrate the need – as soon as they demonstrate the need. Also, we need to provide extension/enrichment activities for students who have mastered the essential standards/content being presented.
