**SERVICE RETAINER:** Desert Rose Photography (DRP) shall reserve the date of the affair listed on this agreement only and providing that the Purchaser is legally competent to execute this contract, has done so and the entire required deposit has been fully paid and processed by DRP. In regards to corporate Purchaserele, the Purchaser executing this agreement represents that they have full authority to bind said corporation or other entity to this agreement and should said representation be erroneous, the signatory making such representation shall be deemed to have signed this contract personally and shall be held liable to the same. A Service Retainer in the amount of 50% is required at the time of signing this agreement. The Service Retainer is non-refundable, but is transferable to a new available date. In this case, DRP requires both parties enter into a new agreement. Purchaser agrees that in addition to any and all other legal rights and remedies DRP may have, Purchaser will pay a \$50.00 fee for any and all returned checks. Balance is due on or before 10 days prior to the contracted event date. Photo booth services will not begin until the balance is paid in full. Payment for any overage in time must be paid before additional hours are provided.

**PHOTO BOOTH OPERATIONS:** DRP agrees to have the photo booth operational for the time period specified; however, in some situations operations may need to be interrupted for maintenance, service and/or photography optimizations. DRP agrees to have a qualified technician onsite to maintain and operate the photo booth. Should DRP fail to provide a fully operational photo booth during the agreed upon times, the Purchaser's only remedy is a refund of payment received. Purchaser agrees that DRP will not be responsible for consequential damages. If only partial services can be provided due to conditions beyond our reasonable control, then the rental charges shall be refunded on a prorated basis. Operation of photo booth times may be adjusted if event location or Purchaser ends the event prior to the contracted end time and no refund of money will apply. If Purchaser or venue requires DRP to complete setup more than one hour before the start time, or to postpone break down more than one hour after the end time indicated, the additional time will be charged at the rate of \$50.00 per hour. DRP requires access to venue at least 60 minutes before the event and 60 minutes after the event for setup and takedown.
