# Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

**The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding.** LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

**The LEA must address the Strategy and Alignment prompts provided on the following page.**

**Each provision for each program must be addressed,** unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;

however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

## Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Los Gatos Union School District plans to use federal funds in two main ways. Title II funds will be used to provide high quality professional development opportunities for our teachers. Professional development will be offered to Los Gatos Union School District in a variety of ways. The middle school history department will continue to work with the UC History Project to align their instructional approaches to the new History Social-Science Framework. The middle school English Department will continue to receive training in implementing their newly adopted curriculum materials. At the elementary school level, the professional development opportunities will continue to focus around implementing a balanced literacy approach along with implementation of new curriculum materials in ELA. Each elementary school teacher will be released (three times during the 2018-19 school year) to observe and study best practices in technology integration, math instruction, and literacy instruction. Elementary teachers will also be given the opportunity to try using new strategies while receiving constructive feedback from their peers. All elementary school teachers will also be released for a day of training to deepen their understanding of the ISTE standards. The California Academy of Science will be returning to Los Gatos Union School District to deliver follow-up professional development sessions in science instruction. Professional development opportunities in the area of social-emotional learning will also be provided for teachers. High quality professional development will support effective instruction for all students.

Los Gatos Union School District will use Title III funds to provide support in language instruction for English learners and immigrant students. This will be done by providing a sheltered ELD class at the middle school and providing an English language tutor for students at the elementary schools. English learners will be supported with specifically designed academic instruction in English to support and accelerate their language acquisition.

If Title IV funds were received, they would be used to support LGUSD's counseling programs and activities specifically designed to support the social-emotional well-being of our students.

## Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

The federal funds received will perfectly align with our LEA's LCAP goal to, "Attain upward mobility in student achievement for all students, including an increase in proficiency levels for all English learner students as measured on local and state assessments" as well as support our state priorities 1,2,4,7,and 8. Our professional development plan will help with improving student achievement in all academic areas. Our supports for our English learner students will ensure that we are accelerating the language acquisition process and closely monitoring their academic progress.

# ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals, and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. ## **TITLE II, PART A**

### **Professional Growth and Improvement**

ESSA SECTION 2102(b)(2)(B)

Provide a description of the LEA's systems of professional growth and improvement, such as induction for teachers, principals, or other school leaders and opportunities for building the capacity of teachers and opportunities to develop meaningful teacher leadership.

#### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

Our LEA provides BTSA induction for two years for all new teachers through the Silicon Valley New Teacher Project. Los Gatos Union School District also provides many opportunities for development of leadership capacity for our teachers. A Curriculum, Instruction, and Assessment Task Force, comprised of teachers from all sites, grade levels, and departments, meets twice a month with the Director of Curriculum, Instruction, and Assessment from the district office to co-plan district professional development and to set the direction and roll-out of the district's initiatives. There are as many as 6 elementary district-wide collaboration sessions each school year. During these sessions, teachers at the same grade level meet to discuss and work on district initiatives. These sessions are co-lead by the teacher-leaders on the CIA Task Force. Twice a year, our district-wide collaboration sessions will be turned into teacher-led sessions in which teachers showcase innovative practices for their peers.

### **Prioritizing Funding**

ESSA SECTION 2102(b)(2)(C)

Provide a description of how the LEA will prioritize funds to schools served by the agency that are implementing comprehensive support and improvement activities and targeted support and improvement activities under Section 1111(d) and have the highest percentage of children counted under Section 1124(c).

#### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

The Curriculum, Instruction, and Assessment Task Force (composed of teacher-leaders from all sites and grade levels) set the scope of work for school district initiatives. The LCAP and district goals/priorities are aligned to the scope of work established by the CIA Task Force. Funding to school sites and targeted support is provided to school sites based on alignment with the agreed upon scope of work. The scope of work is discussed and re-established every school year by the CIA Task Force.

### **Data and Ongoing Consultation to Support Continuous Improvement**

ESSA SECTION 2102(b)(2)(D)

Provide a description of how the LEA will use data and ongoing consultation described in Section 2102(b)(3) to continually update and improve activities supported under this part.

#### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

Each grade level and department spends time each year lining up all Common Core State Standards in math and ELA into a scope and sequence for the year. The teacher teams then selected high-leverage standards to formally assess through common benchmark assessments. These assessments are created by teachers and administered three times a year to monitor student progress and identify students in need of extra support. The benchmark assessments help teachers and site administrators pinpoint specific areas to support students. The fact that the benchmark assessments are common for the entire school district leads to more effective collaboration sessions and more effective sharing of resources across all school sites.

## **TITLE III, PART A**

### **Title III Professional Development**

ESSA SECTION 3115(c)(2)

Describe how the eligible entity will provide effective professional development to classroom teachers, principals and other school leaders, administrators, and other school or community-based organizational personnel.

#### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

Our LEA provides two district-wide professional development days per year. These days are divided into three sessions. Our teachers are asked (via survey) about their professional development interests and presenters in the topics of their choosing are brought in. On the professional development days, teachers get choice over their professional development by having the opportunity to create their own PD schedule (conference style). The district office mandates some sessions because they support district-wide initiatives, but maximum voice and choice over their own professional development is given to teachers.

### **Enhanced Instructional Opportunities**

ESSA SECTIONS 3115(e)(1) and 3116

Describe how the eligible entity will provide enhanced instructional opportunities for immigrant children and youth.

#### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

LGUSD's newly adopted curriculum materials in ELA contain supplemental lessons for English learners and ELD. All elementary teachers and English teachers at the middle school will be trained on how to effectively use the materials to support and boost ELD for students and will be expected to use the supplemental materials when appropriate.

## **Title III Programs and Activities**

ESSA SECTIONS 3116(b)(1)

Describe the effective programs and activities, including language instruction educational programs, proposed to be developed, implemented, and administered under the subgrant that will help English learners increase their English language proficiency and meet the challenging State academic standards.

### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

Middle school students that qualify for ELD services are placed in a sheltered English class with a highly trained teacher using specifically designed lessons for language acquisition. Additional resources are purchased for students in the sheltered ELD class such as subscriptions to Brain Pop ELD and Newsela. These tools allow language learners to access grade level content with scaffolds to support their comprehension of the topics.

At the elementary level, an English language tutor monitors student progress for all language learners and provides targeted pullout support services to accelerate their English language development.

## **English Proficiency and Academic Achievement**

ESSA SECTIONS 3116(b)(2)(A-B)

Describe how the eligible entity will ensure that elementary schools and secondary schools receiving funds under Subpart 1 assist English learners in:

- (A) achieving English proficiency based on the State's English language proficiency assessment under Section 1111(b)(2)(G), consistent with the State's long-term goals, as described in Section 1111(c)(4)(A)(ii); and
- (B) meeting the challenging State academic standards.

### **THIS ESSA PROVISION IS ADDRESSED BELOW:**

Student progress for all students (including English learners) will be monitored through benchmark assessments given three times per year and through regular formative assessments administered by classroom teachers during curriculum units. The ELD teacher at the middle school and English language tutor at the elementary school are specifically responsible for monitoring and advocating for English learners as well as administering state's ELPAC.

## **TITLE IV, PART A**

### **Title IV, Part A Activities and Programs**

ESSA SECTION 4106(e)(1)

Describe the activities and programming that the LEA, or consortium of such agencies, will carry out under Subpart 1, including a description of:

- (A) any partnership with an institution of higher education, business, nonprofit organization, community-based organization, or other public or private entity with a demonstrated record of success in implementing activities under this subpart;

- (B) if applicable, how funds will be used for activities related to supporting well-rounded education under Section 4107;
- (C) if applicable, how funds will be used for activities related to supporting safe and healthy students under Section 4108;
- (D) if applicable, how funds will be used for activities related to supporting the effective use of technology in schools under Section 4109; and
- (E) the program objectives and intended outcomes for activities under Subpart 1, and how the LEA, or consortium of such agencies, will periodically evaluate the effectiveness of the activities carried out under this section based on such objectives and outcomes.

**THIS ESSA PROVISION IS ADDRESSED BELOW:**

Potential Title IV funds would be used to support a well-rounded education through our counseling program and activities specifically designed to support the social-emotional well-being of our students.
