This Memorandum of Understanding (MOU) sets forth the terms and understanding between Bambini Yoga Project (BYP) and Short Elementary School (SES).

Background

Bambini Yoga Project is a non-profit organization offering mindfulness and yoga programs to school-age children through the public school system. Our mission is to help children reach their fullest potential socially and academically by training the mind and body to become strong, flexible and resilient. Our specialized curriculum allows children to better observe their inner and outer world through movement and mindfulness practices. By developing the higher brain, children learn to manage their emotions, become more self-aware, have empathy for others and practice resilience in challenging situations. Yoga and movement help develop gross motor development, coordination, cross-lateral integration, focus, core and physical strength. Mindfulness and meditation calm the mind and create a balanced nervous system. This leads to an overall increased receptivity to learning. Our goal is to empower students to move forward with courage and confidence building the skills necessary for a successful and productive future.
