HEALTH SCREENING FOR SCHOOL ENTRY

The Governing Board of the Elk Grove Unified School District recognizes the importance of good health for learning and for a successful academic career. The Board also recognizes the important role of schools in ensuring the health of students through health education and maintenance of minimal health standards among the student population. Therefore, it is the intent of the Board that students receive a health screening within 18 months prior to entry into first grade or within 90 days thereafter. (Health and Safety Code 124040, 124085).

The Superintendent shall provide regulations supporting and implementing this policy.
