This easement shall include, but not by way of limitation, the right to construct, reconstruct, remove and replace, renew, inspect, maintain, repair, improve, enter upon, and otherwise use the hereinafter described property for these purposes, together with incidental appurtenances and connections, in, over, under, upon, along, through and across the real property located in the City of Irvine, County of Orange, State of California, as described in Exhibit "A" and depicted in Exhibit "B", which exhibits are attached hereto and made a part hereof (the "Easement Area"), as necessary in connection with the use, operation and maintenance of the facilities lying within the Easement Area. This easement shall also include the right to construct, reconstruct, remove and replace, renew, inspect, maintain, repair, improve, enter upon, and otherwise use parallel or any other facilities or appurtenances of the same general type and purpose as the originally installed facilities (collectively, the originally installed facilities and any such parallel or other facilities, and any replacements, renewals, repairs and improvements of any of the foregoing are collectively referred to as the "Facilities").

Subject to: Covenants, conditions, restrictions, easements, rights, rights-of-way and encumbrances of record or apparent.

A. Rights of Owner to Use Easement Area:

1. Rights of Use. Subject to the provisions of Paragraph A-2 below, it is understood and agreed that the easements and rights-of-way acquired herein are also acquired subject to the rights of the Owner to use the Easement Area for any purpose whatsoever to the extent that such use does not interfere with the Grantee's use of its easement. The Owner retains the rights which are not inconsistent with the easement. Such use by the Owner shall include, but not be limited to, the compatible use for streets, roadways, pipelines, fences or block walls, cuts, fills or other structures or other compatible improvements under, upon, over, and across the Easement Area.

Further, such use by the Owner of the Easement Area for roadway improvements, which do not result in cuts closer than three (3) feet above the top of Grantee's Facilities or fills greater than two (2) feet above the existing ground may be made without notification to or concurrence of Grantee.
