## Data Indicators and Targets

### Data Statements: Strength

1. All Student groups has a 12.1 rise in performance from 16-17 to 17-18 and met our target growth. SED students show a 5.9 rise in performance from 16-17 to 17-18 (a little short of the target). EL students show a 9.4 increase in performance from 16-17 to 17-18 (basically meets the target). SWD show a 20.4 increase in performance from 16-17 to 17-18 and met our target growth. 5th grade performance is higher than 3rd grade (whcih suggests that the longer students are with us, they're performance goes up).

### Data Statements: Challenges

2. All students overall perform at 21.1 points below standard (which is below the target). SED students show that they are 58.8 points below standard. EL students show that they are 59.6 points below standard. SWD students show 101.6 points below standards.

### Why are we getting these results?

3. Reading Recovery Specialist works with students in primary grades by providing 1:1 instruction to students at Risk and providing small group instruction. ELD TOSA supports teachers by modeling grammar lessons, and strategically planning instruction for different English levels.
