Students

High school graduation ceremonies shall be held to recognize those students who have earned a diploma by successfully completing the required course of study, satisfying district standards, and passing any required assessments. The Board of Education believes that these students deserve a public celebration that recognizes the significance of their achievement and encourages them to continue the pursuit of learning throughout their lives.

Honors and Awards

Valedictorian: The student with the highest rank in the graduating class.

Salutatorian: The student with the second highest rank in the graduating class.

Each school shall clearly publicize the criteria for distinguishing this ranking.

The Superintendent or designee shall identify other school-sponsored awards which may be given during graduation exercises. A separate awards program may be held to recognize graduating students receiving other school and nonschool awards.

(cf. 5126 - Awards for Achievement)

Disciplinary Considerations

In order to encourage high standards of student conduct and behavior, the principal may deny a student the privilege of participating in graduation ceremonies and/or activities in accordance with school rules. School rules shall ensure that prior to denial of the privilege(s), the student, and, where practicable, ~~their his/her~~ parent/guardian, is made aware of the grounds for such denial and that the student ~~and parent/guardian~~ is given an opportunity to respond to the proposed denial. If privilege(s) are to be denied, the student and parent/guardian shall receive written notice of the denied privilege and the means whereby ~~they he/she~~ may appeal this decision. Specific information regarding discipline and participation in the graduation ceremony is contained in Board policy 6145.
