Proposed New School Boundary

Boundaries for Foster City Elementary Schools with proposed New School boundary included

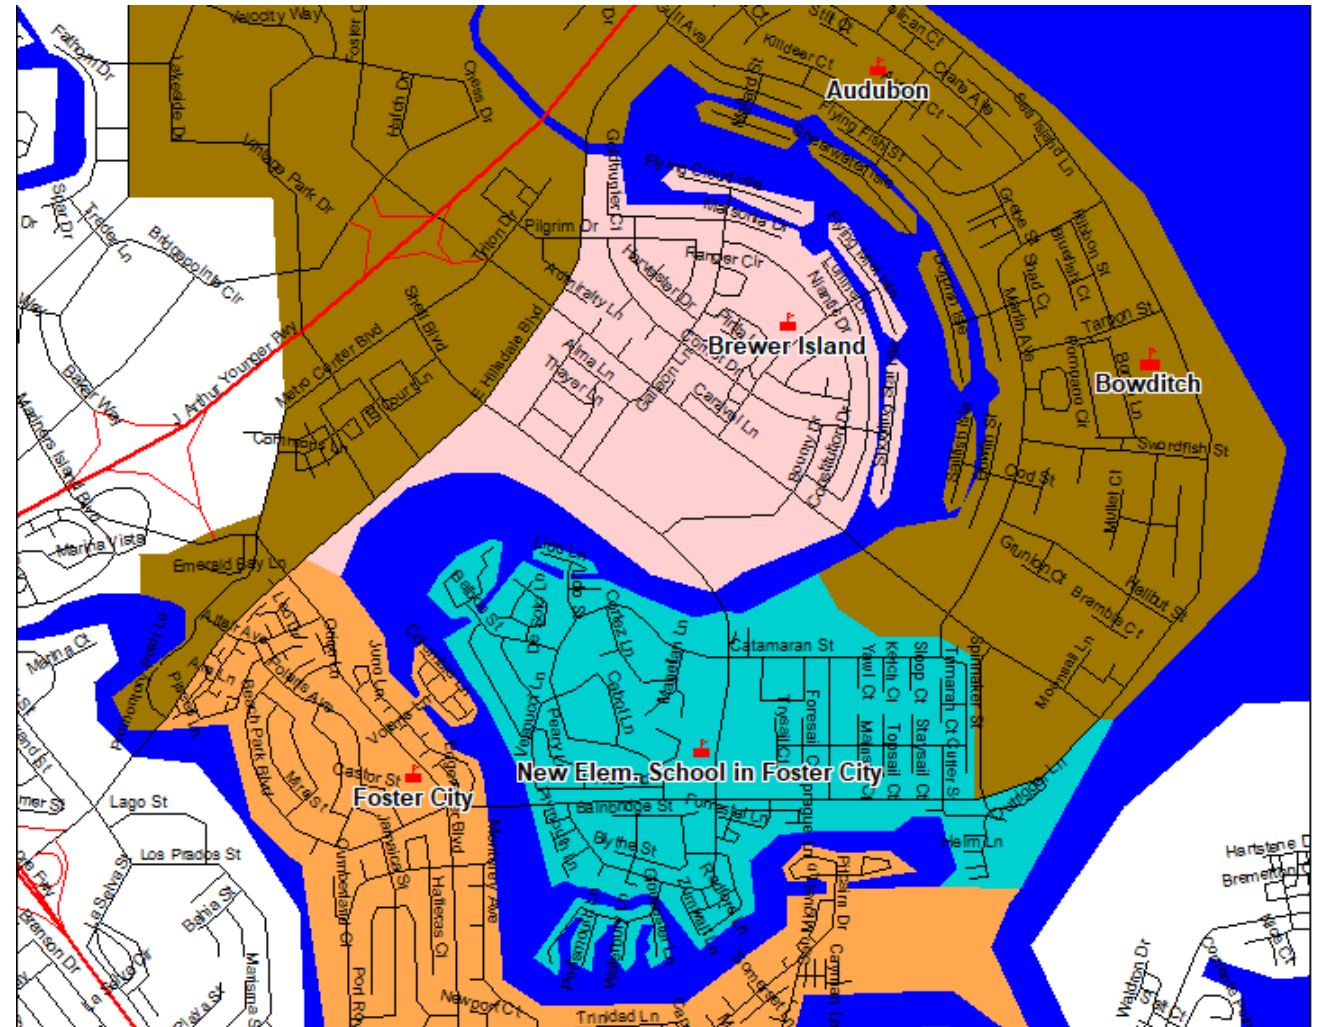

Legend:

Audubon—brown—note that there is no housing north of 92—the boundary line is there in case of rezoning for new development

Brewer Island—pink

Foster City—orange

New School--turquoise

Foster City Elementary School Boundary with new school included

A dark blue, irregular ink splatter or blotch serves as the background for the text. The splatter has a textured, watercolor-like appearance with some lighter blue and white areas around the edges. The text is centered within the dark blue area.

Anticipated Enrollment Impact

Enrollment in the Elementary Schools in Foster City if the new school were to open with all students today:

- New School - approximately 420
- Brewer Island – approximately 500
- Audubon – approximately 610
- Foster City – approximately 620

A dark blue, irregular ink splatter or blotch serves as the background for the text. The splatter has a textured, watercolor-like appearance with some lighter blue and white areas around the edges. The text is centered within the dark blue area.

Projected Opening
Early 2021

Phase-In Plan starting with the 2020-21 School Year

The 2020-21 School Year Plans

- Classes for new school will start in a temporary location/s on current elementary school site/s in Foster City
- Classes will be organized with the students and their teachers who will all move together to the new school when the school is ready (anticipated early 2021)
