NOTES:

- 1) Each additional asbestos sample layer will be billed @ \$50/layer
- 2) Due to presence of live utilities in the Portables, ESI will not conduct destructive sampling behind floor, wall, ceiling surfaces. This work will have to be done, once the utilities are all shut down and prior to start of abatement notification. Please contact ESI at that time for the added inspection & sampling.

AUTHORIZATION TO PROCEED

The above scope of work and price of \$ **2,985.00** is acceptable. ESI is hereby authorized to proceed with the work as specified. Any additional asbestos sample layer beyond that specified above will cost \$50 ea.
