Dear Donna,

This summer SPIE had the pleasure of hosting your teacher, Anna Haskel for a SPIE Internship. Anna interned for a total of forty hours at Stanislaus County Sheriff's Department. Teacher Interns are required to create a Standards-Based lesson plan based on their experience, complete a summary or activities and participate in an Exit Review with the SPIE Board and community members.

Over 350 teachers have had the opportunity to intern with SPIE. They have gained invaluable insight into the world of work which they in turn, convey to their students. More information is available at the SPIE website, www.stanislauspartners.com.

I encourage you to recognize Anna Haskel for the extra effort of completing an internship and I am hopeful you will do so at a staff meeting and allow Anna of teacher a few minutes to highlight the experience and encourage others to apply for an internship next March.

Wishing you a great school year,

Judie Piscitello
