Board President
Sylvan Union School District
605 Sylvan Avenue
Modesto, CA 95340

Dear President Collins and Sylvan Union School District Board of Trustees:

Leadership Associates is pleased to submit a proposal to partner with you and your district to select a new superintendent.

Our firm has worked with a wide variety of school districts throughout California since our founding in 1996. Since that time, Leadership Associates has completed more than 500 executive searches, with the majority being superintendent searches, for California school boards. More than 85% of the superintendents selected have remained in their positions for more than five years. We are an executive search firm that focuses its work in California, which has helped us deepen our understanding of the ever-changing California educational landscape. In addition to having worked with Sylvan Union School District in your prior two superintendent searches, our work includes partnering with Boards in several similar and/or nearby districts such as Modesto City, Merced City, Le Grand Union Elementary and Carmel Unified School Districts. Through the continued participation of several of our partners in education organizations such as the California Collaborative for District Reform, we have remained current on key education policy and system wide developments including Local Control and Accountability Plan (LCAP) and Local Control Funding Formula (LCFF) legislation. We have a strong record of success in helping districts find superintendents who meet the profile developed by the Board with extensive engagement from staff, parent leaders and community led by Leadership Associates.

Through our years of experience, we have come to understand and respect the uniqueness of each board and district. While there are similarities among districts, we believe that each district has a unique culture that is important to respect and understand. There are many good superintendent candidates but only some will be the right match for your school district. It is our job and our commitment to you to find those candidates that best match your ideals and beliefs as a district.

In considering the uniqueness of Sylvan Union School District, we are aware and respectful of the District's accomplishments and priorities:

- Value of the stability and cohesiveness of the Board of Trustees

- Superintendent's 2019 State of the District clearly delineates the accomplishments, priorities, future focus areas and needs
- Implementing the 2020 3-Year Plan appears to have been developed as a shared vision document embraced throughout the district and the community
- Establishing a 3-year and not a 12-20 year plan is practical and viewed as reasonably possible
- Value placed on safety, relationships with staff and community is well articulated
- Identifying areas of continued need in a "can do" tone sets a professional and positive approach and commitment to continued improvement and organizational growth
- Success in student math score gains acknowledges the hard work of the professional learning groups
- A sound District with a strong, effective Governance Team!

We would welcome the opportunity to partner with the Board to discuss the search process, including options for staff and community input, an overview of the potential candidate pool, timeline, and the importance of maintaining a confidential process. We also want to obtain from the Board and subsequently from staff, parents and community groups' perspectives on District strengths and challenges as well as the desired qualities and characteristics of the new superintendent. Once this is done, we will prepare a summary report for the Board, develop a position description for Board review, and begin recruiting and vetting candidates who will be an excellent fit for you to choose from to serve as your next superintendent.

If our firm is selected, Sally Frazier and Juan Garza will be the lead consultants actively involved with this search. Sally and Juan highly proficient in this field and are also former superintendents with many years of experience. In addition, to ensure the widest possible pool of qualified candidates, all partners who are located in various geographical regions of the state will actively support and assist with the search. Profiles of each partner are provided in the Qualification Statement of our proposal. We will use our extensive leadership network at the state and national level to help find the best candidates for this exciting, challenging, and rewarding position.

We look forward to having an opportunity to discuss this proposal with you and address any questions you may have. We realize how important it is for the Board to have a relationship with its search firm that is based on trust and respect. We will be fully committed to you and will provide the Board with high quality candidates who are a good match for the special community that is the Sylvan Union School District.

Respectfully,

Sally Frazier, Ed.D.

EXECUTIVE SUMMARY

Leadership Associates is a California executive search firm with a national reach that specializes in helping California School Boards find new superintendents. We have done so since 1996 and have assisted with more superintendent searches than any search firm working in California. Our success is based on the following key factors:

1. We view each district as unique and therefore work as partners with the Board to develop a customized approach that the Board may use to select its new superintendent.
2. Through more than 500 executive searches in California, the majority of these being superintendent searches, we have developed processes that lead to the successful hiring of candidates who meet the profile developed by the Board. These processes include engaging key stakeholders, conducting extensive recruiting and thorough reference checking, and working with the Board throughout the interview and contract approval processes.
3. Our partners are all former superintendents with successful leadership experiences in a variety of districts and in state and national organizations. We know the work. And we know who will do it well.
4. We understand and respect the factors that contribute to a highly effective governance team. We are committed to helping Board members work collaboratively with each other throughout the various stages of the selection process. Done well, a search will always strengthen the work of the Board and pave the way for a successful superintendent.
5. We bring the Board highly qualified candidates. In some respects our job is to make your ultimate decision a difficult one. We are proud of the high quality leaders we have been able to bring forward for Board consideration.
6. Our belief is that in order for superintendents to be successful they must have successful leadership experience leading and managing complex organizations. They should know what excellence in curriculum and instruction looks like and be deeply committed to equity. Their behavior must be of the highest integrity and reflect ethical values in their relationships with students, staff, community, and the Board. They must support powerful teaching and learning, build leadership capacity, and strengthen systems and processes that support high levels of achievement for all students.
7. We will always provide our best recommendations to the Board including those related to the hiring of specific candidates and the importance of maintaining a high degree of confidentiality so that the best possible candidates come forward.

In conclusion we believe the strengths of our firm are the right match for your district. The superintendent position is one of the most challenging leadership positions in this country. It demands a unique knowledge base and skill set. The new superintendent will need to inspire the confidence of teachers, parents, and community leaders, build on the good work done by so many, but never be afraid to challenge everyone to do better and encourage innovative thinking wherever possible. We are the firm that will help the Board find that leader.

SEARCH PROCESS PLAN

Leadership Associates has developed criteria to provide the Board of Education with a 9-phase process for selecting its next superintendent. The following is a brief description of each of the key steps of the search process, including identifying key personnel in each phase. When needed, the Board's designated administrative support staff will be guided by our executive assistant and provided with guidelines, templates, samples, checklists, and personal communication throughout the entire process.

****Indicates meetings with the Board***

Phase 1: **Initial Meeting with the Board* (Key Personnel: Consultants, Board, LA/District Admin. Support; District I.T. Support)

Leadership Associates will meet with the Board upon our selection to represent your district. At this meeting we will discuss all matters addressed in the Request For Proposal (RFP) Scope of Services, including the characteristics the Board is seeking in the next superintendent; District strengths and challenges for the future; the process for engaging groups and individuals in the District and community in the search process; approval of an official timeline and meeting dates; Board and Search Firm protocols during the search; possible contract parameters for the new superintendent; potential internal candidates; the Board's liaison with Leadership Associates and spokesperson for the Board; and all other matters addressed in the RFP Scope of Services which the Board may wish to discuss. We will meet with Board members individually, in person or by phone to learn each member's unique perspective. We will also be prepared to suggest criteria for consideration based on our own professional expertise. Immediately following the initial meeting we will work with district staff to create a Superintendent Search webpage on the district's website where members of the community can receive updates on the search process, including timelines, dates of community engagement opportunities, and access to online surveys.

Phase 2: Community and Staff Input (Key Personnel: Consultants, LA/District Admin. Support)

After working with the Board to develop a community engagement plan, we meet with the individuals and groups you request (community, staff, students). We share the search process, timeline, answer questions, and solicit input regarding the desired qualities, characteristics, background, and experiences of the new superintendent, and we discuss the key characteristics of the District's culture, strengths, and future challenges and issues. We spend the time necessary to ensure full input. If individuals are unable to attend the meetings, but would like to provide additional information, or prefer to submit their ideas in a different format, opportunities are provided to contact us via email or telephone. We also have an online survey that can be posted in various languages on the District website to encourage broader participation of staff and community. We prepare a thorough report containing the comments from each group, individuals, and the survey, and send it to Board members approximately one week after the input. We follow up with you after you receive the report to review any questions you have.

Phase 3: Position Description (Key Personnel: Consultants, LA/District Admin. Support)

The Position Description will clearly state the criteria which applicants for the position should address in completing their application. It will also reflect input received on qualities and characteristics desired, a description of the District and community, and key search dates. The Board reviews the draft and makes changes before the description is finalized. The description is posted on our website, distributed widely, and can be posted on the District's website.

Phase 4: Advertising, Recruitment, Reference Checking (Key Personnel: Consultants)

After our meetings with the Board, staff and community, we advertise and actively recruit both statewide and nationally. We will also conduct reference and database checks on all potential candidates. All partners participate in this process in order to take advantage of our extensive state

and national network. These are very critical activities as we work diligently to find the candidates that best match those qualities and characteristics on the Position Description. We verify degrees, credentials and professional experiences. We do extensive confidential reference checking including conversations with people not listed on the candidate's application. We keep the Board informed on a regular basis about the progress of the search.

Phase 5: *Selection of Finalists (Key Personnel: Consultants, Board, LA/District Admin. Support)

At this meeting we will review and discuss all applicants, recommend candidates you should consider interviewing, and explain our rationale for recommending some and not others. We will provide an executive summary on each candidate that will include a tiered ranking of candidates for your review. The Board, however, makes the final decision on those to be interviewed and determines the interview schedule and location. We offer sample interview questions developed by consultants, and assist the Board in finalizing them with a focus on the specific needs of the District as gleaned from community and staff input and reflected in the position description. In addition to making interview arrangements with the candidates, we provide all the materials the Board needs for the interview, and make logistical arrangements in coordination with the superintendent's assistant or designated district liaison.

Phase 6: *Final Interviews (Key Personnel: Consultants, Board, LA/District Admin. Support)

The Board conducts the interviews with the consultants observing and handling all the logistics. We are present during the interviews and will help facilitate discussions assisting the Board as needed to help you in making your selection of the final candidate. We also assist with various follow up steps that need to be completed and inform all candidates of the outcome.

Phase 7: Validation Process; Contract (Key Personnel: Consultants, Board, LA/District Admin. Support)

The purpose of the validation process is to confirm the Board's choice prior to the official contract offer. The Board will determine participants for this process. While the consultants will not participate, we will work with the Board and the finalist as needed to develop final parameters for an agreement on the superintendent's contract. We recommend prior discussions with the Board on this topic since it is our intention to recruit candidates who will work within the contract parameters established by the Board.

Phase 8: Public Approval of Contract (Key Personnel: Consultants, Board, District Admin. Support)

Following the validation process, the Board takes public action at a regularly scheduled board meeting to employ the new superintendent. Leadership Associates will assist the Board and staff with a communication plan and other activities to support the approval of the new superintendent's contract.

Phase 9: After the New Superintendent is Signed (Key Personnel: Consultants, New Superintendent)

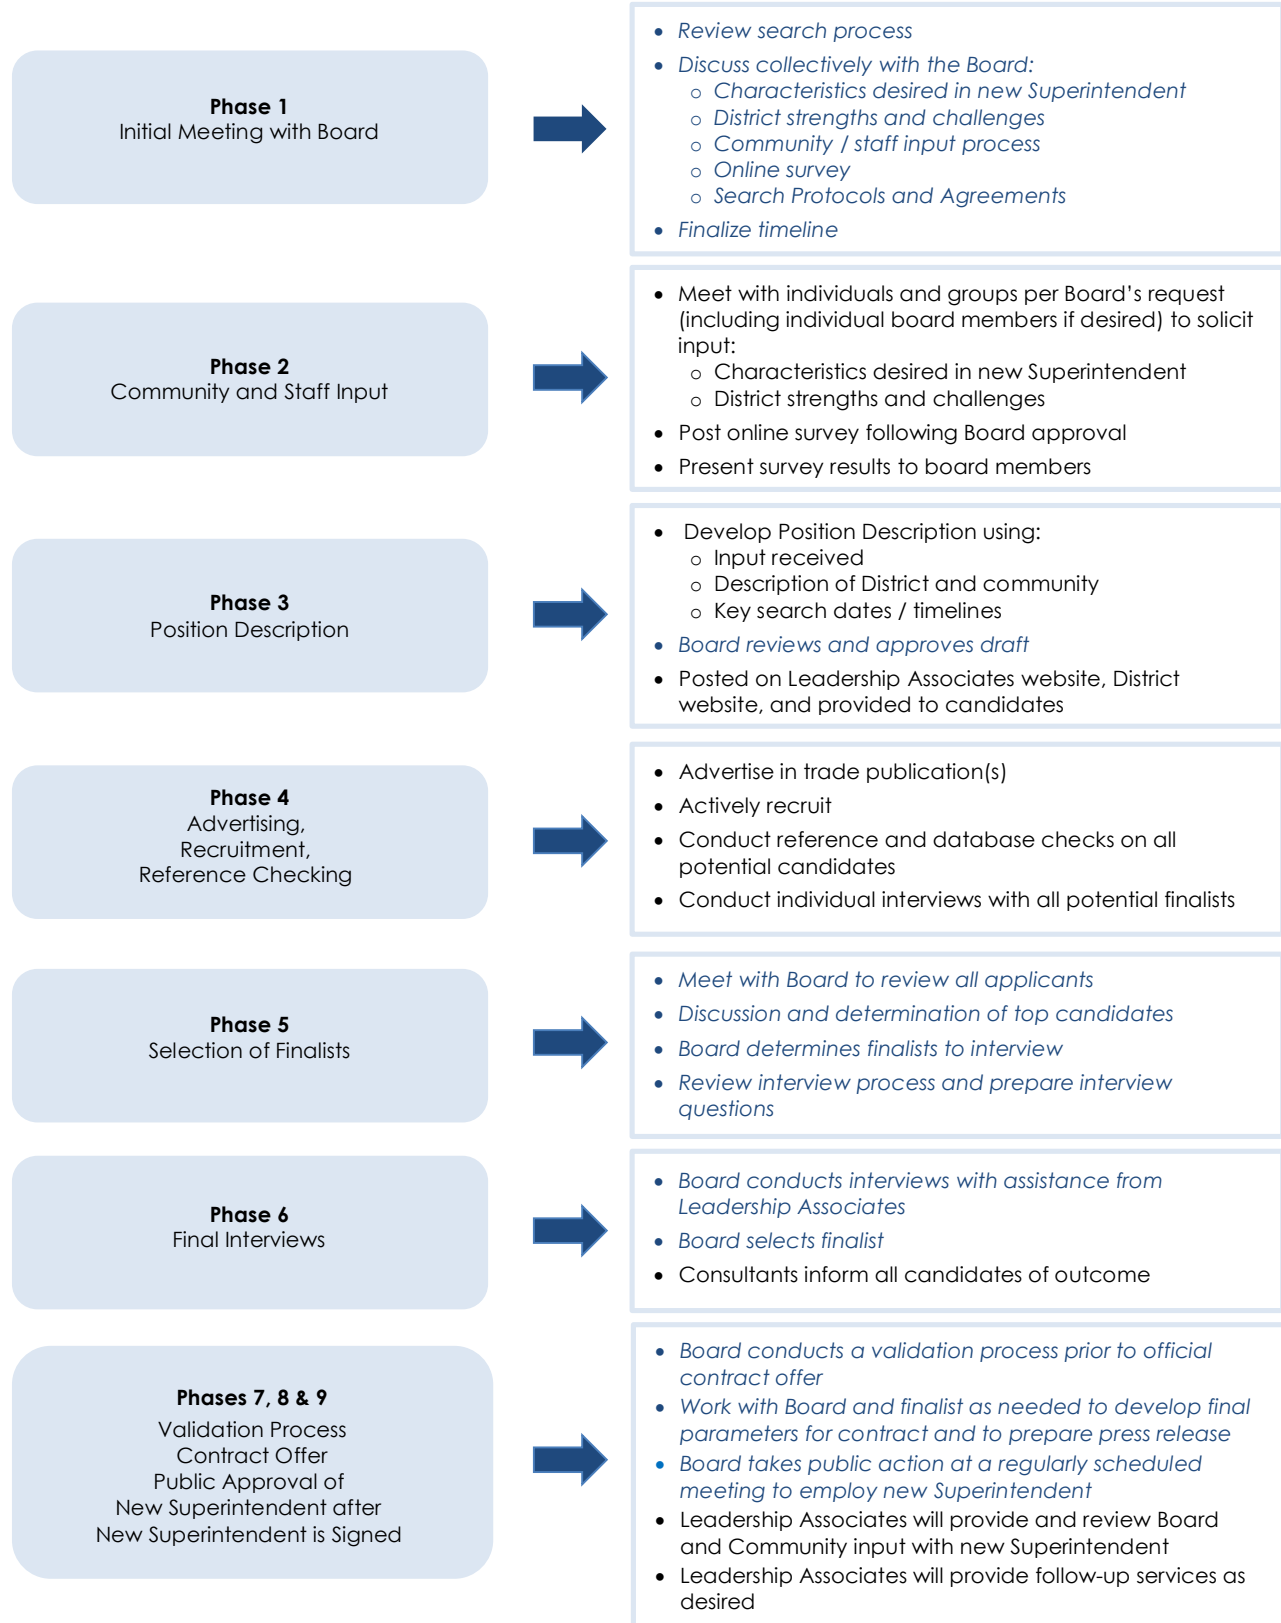

We provide and review with the new superintendent the Board and community input. We are available to provide additional follow up services as desired. These services could include developing a transition plan and an initial workshop for the governance team to establish goals for the new superintendent, and the superintendent's evaluation process.

Confidentiality: Leadership Associates strongly believes the quality of the applicant pool is directly dependent on the confidentiality of the process. Leadership Associates will not divulge the names of interested applicants to any party other than the Board within Closed Session. Reference checks will also be conducted using strategies that will maintain the confidentiality of the process. Throughout the process Leadership Associates will be available to answer any questions you may have.

COMMENDATIONS

The following are excerpts from letters of recommendation written by boards that selected Leadership Associates as their search consultant.

Fresno USD: Thank you to Leadership Associates for all your assistance in the process. As you know, only two of us were on the Board the last time a Superintendent was hired and at that time, there was no search process. It was invaluable to have the assistance of a team that has experience in the selection of a Superintendent.

Larkspur-Corte Madera SD: Searching for and choosing a superintendent is one of, if not the, most important pieces of work a school board can undertake and Leadership Associates was the absolute right fit for our search needs. Our consultants' collective years of experience as successful superintendents themselves elevated our thoughtful and thorough search process. They helped us identify our needs and reached out to their extensive network, bringing forward to our board a rich field of candidates for consideration. The consultants were responsive, patient, and adaptive to our process. We worked well as a team and that made all the difference.

Wiseburn SD: Thank you for your thoughtful leadership and guidance in the process. It was an absolute pleasure meeting you, getting to know you and working with you. I certainly look forward to future opportunities and interactions with you. I think we made two excellent choices in Leadership Associates and Dr. Blake Silvers.

Bass Lake JUESD: Thank you Sally. I cannot express enough how grateful I am that we chose you and Leadership Associates for this process. The confidence I felt, throughout this process, in your ability to guide us, was tremendous. The step by step process that you lead us through was focused, intentional, and direct. It was a pleasure to be a part of something that was so well thought out, with excellence as your minimum standard. You are so good at what you do! I wish you continued success for all the districts that you work with in the future. They need you whether they know it or not!

Whittier City SD: Leadership Associates' process ensured the school and community that the Board valued their input and wanted them to fully participate in the process. Leadership Associates was very accessible to our needs and calls. We are extremely pleased with the support we received ...and would rehire them again without question.

Plumas USD & Plumas COE: Leadership Associates are exceptional at what they do. They helped us find an amazing superintendent, which has allowed us to move forward in achieving our educational goals. We would emphatically recommend Leadership Associates to any district looking to fill a superintendent vacancy. Their outstanding competence and character combined to make the experience both wildly successful and pleasant. We don't anticipate needing another superintendent for quite some time, but if we did, we would call them immediately.

East Whittier City SD: The Board of the East Whittier City School District wishes to thank your organization for appointing Sandy Sanchez Thorstenson and Marc Ecker to supervise and coordinate our superintendent search this spring. I am confident that I don't need to tell you that Sandy and Marc are two exceptional individuals to work with, but I will anyway. They ran the interviews like clockwork with plenty of time for reflection of each candidate at the end of the interview. We were presented with six outstanding candidates, which we enjoyed. It was challenging to decide which of the candidates was the best fit for our District. We are confident that our choice of superintendent is that best choice. We were delighted to work with Sandy and Marc, and will gladly recommend them as the premier search team.

Carmel USD: The entire process was extremely smooth and conducted with utmost respect for all parties involved. We were on time, and communication was regular, open and transparent. The most difficult part of the process was at the end of the interview process. The board had to choose only one candidate from the experienced pool of multiple candidates presented by Leadership Associates. We consider the superintendent search led by Leadership Associates an absolute success. The individual we hired is the perfect match for our students, staff and community.

Franklin-McKinley SD: Once selected as the superintendent search firm by the board, we were immediately contacted to begin the process following the step-by-step process submitted with the proposal. I was especially pleased that all of the steps were followed and that there were no surprises throughout the search that could have potentially caused uneasiness by the board.

Ft. Bragg USD: Leadership Associates brought to the search an impressive wealth and breadth of experience and contacts from large and small, urban and rural, coastal and inland school districts. Leadership Associates listened to us and recognized that although we are a small, rural district, we have high, twenty-first century goals for our kids.

Palo Alto USD: We recognize the selection of a superintendent is the most important decision we make as a school board. Leadership Associates designed an effective process to get to know us and to meet our needs - including recruiting candidates who were not looking for a new position.

Summerville JUHSD: Thank you for all the work you and the firm have completed. We know we were demanding because we have a really involved community. But you just moved forward and got the job done Great work!! We will highly recommend your service to any District in our County.

University Preparatory School: Leadership Associates was constantly available to us. Leadership Associates brought much more than guidance and experience; (the consultant) brought genuine kindness, creative vision and integrity that underpin all great endeavors. I highly recommend Leadership Associates.

Encinitas Union: Leadership Associates has years of experience in working with districts throughout California and their expertise was clearly evident when they provided us with an outstanding field of candidates. Their networking resources are unparalleled.

Irvine USD: With an unprecedented number of superintendent vacancies across the state, we were impressed with Leadership Associates' ability to attract highly qualified candidates, due in no small part to their excellent reputation and exceptional attention to confidentiality.

San Ramon Valley USD: Your team was responsive to questions raised during the process. The background checks on our candidates were thorough and there were no surprises.

Placentia-Yorba Linda USD: Your diligence, patience, professionalism, and the confidential manner in which you conducted the search were exemplary. Indeed, one would be hard pressed to find a team to match the level of expertise and recognition within the professional learning community which you so ably employed on our behalf.

Palo Alto USD: Not only does Leadership Associates bring an incredible wealth of experience and competence to the task, they also are so personally engaging and professional that it makes the process most pleasant.

Oceanside USD: Their work with our administrative staff, our teachers, classified staff, and our community groups was excellent. They received praise for this work throughout our community. Our principals and central office staff were treated with utmost respect, and they were very complimentary of the professionalism of this search firm.

Santa Ynez Valley UHSD: We are extremely pleased with our choice, but feel that the other candidates we interviewed would have been excellent as well. You actually made our lives more difficult by providing such great candidates from which to choose.

Walnut Valley USD: Not only are they consummate professionals, but their process in conducting the search was impeccable – from soliciting input from the Board and community members to developing personal and professional profiles, to screening the applicants to recommending the final candidates, to helping the Board finalize the main hiring points for our new superintendent.

Standard SD: Leadership Associates had regular communications with the board and dependably delivered on each step in our timeline. Trust in the process was a result of Leadership Associates' extensive experience and in the actions and care.... while respecting the role of trustees as the decision makers of the district.

Fullerton SD: Our Board was especially appreciative of the professional manner in which Leadership Associates reached out in a meaningful way to the educational community and listened to the direction of the Board of Trustees. I highly recommend Leadership Associates to any board seeking to conduct a thorough and in-depth superintendent recruitment and selection process.

Eureka City Schools: Leadership Associates persevered and actively recruited candidates suitable for our unique location. Their combined knowledge and experience were invaluable. It had been 13 years since our district's last superintendent search and they supported our board throughout the entire process.

Folsom-Cordova USD: They received applications from California as well as other states in the country. They performed in-depth reference checks that resulted in a list of outstanding candidates to interview. Without their services as recruiters, we would not have had the rich field of candidates from which we eventually selected our new superintendent.

Fowler USD: Leadership Associates was completely thorough from their initial proposal to the Board, through the actual hiring of a successful superintendent candidate. The communication to all members of the Board and the designated District contact was exemplary throughout the process. Parents/community members/staff felt very comfortable sharing with Leadership Associates representatives the various traits valued in our next Superintendent. The on-line survey they utilized was especially helpful for members of the community and parents, as it gave them an opportunity for their voice to be heard if they were unavailable to schedule a meeting in person.

Central UHSD: It has once been a great experience having Leadership Associates work with our District. I truly believe we would not have had anywhere near the pool of applicants had it not been for you helping us.

Evergreen SD: Leadership Associates did an excellent job in our recent Superintendent Search process. This was the first time that our district has ever engaged in an external search process, and I found it much more rewarding and less stressful because of the superb support of Eric and Fred.
