What does success look like?

Remembering that **we're**
here because of the
children – it's their
journey...let's make it
positive and not **get in**
the way of each other
and their experience
along the way.

What does success look like?

Diversity of thought is our strength but is more powerful when woven into solutions for a common good.

What does success look like?

**Every stone along
the path should be a
foundation for the
next step forward.**

**The foundation we
build together
ensures their success
beyond.**

What does success look like?

**Stories that
reflect our
students
journey will
become our
legacy.**
