## POLICIES AND PROCEDURES FOR USING THE STANDARD SCHOOL SUPPLY LIST

### 1. POLICY AND PURPOSE

The California Education Code, Section 38110-38112, requires that the County Office establish a procedure for procurement of standard school supply items, and requires that elementary school districts having an average daily attendance of fewer than 2,500 students during the preceding year obtain such items through the cooperative purchasing plan as established. In compliance, the San Diego County Board of Education, in conjunction with the North County Educational Purchasing Consortium (NCEPC), has established this Standard School Supply List (SSSL).

The purpose of the list is to gain the advantage of combined purchasing power and to relieve school administrators from spending a disproportionate amount of time controlling purchasing activities.

### 2. ELEMENTARY SCHOOL DISTRICTS WITH FEWER THAN 2,500 STUDENTS AVERAGE DAILY ATTENDANCE

Alpine Union Cardiff	1323 Administration Way 1888 Montgomery Avenue	Alpine, CA 91901-9401 Cardiff, CA 92007-2399
Jamul-Dulzura Union Rancho Santa Fe	14581 Lyons Valley Road P.O. Box 809/5927 La Granada	Jamul, CA 91935-3324 Rancho Santa Fe, CA 92067-0809
San Pasqual Union Vallecitos Elem	15305 Rockwood Rd. 5211 Fifth Street	Escondido, CA 92027-6700 Rainbow, CA 92028-9796
Spencer Valley	4414 Highway 78/79	Santa Ysabel, CA 92070

### 3. PURCHASES FROM OTHER SOURCES

The Standard School Supply List **does not** contain all of the items needed by a school district. Many items are not listed, as they are of such a nature that there is little or no advantage to contractual bidding; they are readily available at favorable prices. A district legally required to purchase through use of this list may make purchases from other sources when the items needed are not on this list, or when they are distinctively different from those listed. However, items that are similar or identical to those listed must be purchased from the list.

## **POLICIES AND PROCEDURES (Continued)**

### 4. **APPLICABLE TIME PERIOD**

This list is in effect from January 1 through December 31 of the current calendar year.

### 5. **ORDER PLACEMENT**

Districts are to place their orders directly with the appropriate awarded vendor and will be invoiced directly by that vendor.

### 6. **DELIVERY TIME**

Vendors are required to make delivery as established on each section's awarded vendor list under: Delivery ARO. If deliveries are not made within that period, or if the vendor advises that they are unable to deliver as specified, the district may cancel the order and procure from another source.

### 7. **MINIMUM ORDERS AND SHIPPING TERMS**

The prices quoted are delivered prices when the total value of the order is over the minimum of \$50.00 to \$100.00, as specified on each bid. On orders of less than the minimum, the district will be billed at the prices listed, but with shipping charges prepaid and added to the invoiced price. Districts are encouraged to plan ahead and group orders to obtain free shipping.

### 8. **BID NUMBER AND ITEM NUMBERS TO BE UTILIZED**

On all purchase orders, please reference the **BID NUMBER**, and the **LINE ITEM NUMBER** with the item's description shown on this list.

## **POLICIES AND PROCEDURES (Continued)**

### **9. ORDERING, RECEIVING, AND PAYMENT PROCEDURES**

The usual and proper procedures are to be followed when utilizing this list:

- a. Each Purchase Order should be encumbered in the appropriate ledgers by account classification.
- b. Each Purchase Order is to include the **BID NUMBER**, the **ITEM NUMBER**, and the item's description.
- c. Each Purchase Order is to be priced.
- d. Each Purchase Order is to carry an authorized signature.
- e. The shipment, upon receipt, must be checked for condition and completeness.
- f. The district should take advantage of applicable cash discounts, if offered.

### **10. USE OF THE SSSL BY OTHER DISTRICTS**

The SSSL is restricted to the districts listed on page i, item number 2, and to the San Diego County Office of Education.

**RE: Bid #2020-08 P.E. Supplies**

Dear North County Educational Purchasing Consortium and Encinitas Union School District Staff,

Thank you for providing Lakeshore Learning Materials the opportunity to respond to **Bid #2020-08 P.E. Supplies**. Lakeshore is dedicated to creating innovative educational materials and furniture that spark young imaginations, instill a sense of wonder, and foster a lifelong love of learning. With materials, furniture, and environments for infants, toddlers, and children through the 8th grade, we help children reach developmental milestones and achieve educational goals—while still having fun!

**Offer**

Lakeshore is pleased to offer the following catalog discount and terms to Encinitas Union School District:

- 5% discount on all non-sale items from Lakeshore's catalogs, website ([www.LakeshoreLearning.com](http://www.LakeshoreLearning.com)), and retail stores (see attached Store List for locations).
- Free shipping on orders over \$50 shipping to one location within the contiguous United States. For orders under \$50, please estimate freight charges at 15% of the subtotal, with a minimum freight charge of \$6.99.

Must reference "Per Bid #2020-08" on all purchase orders to receive these terms.

Lakeshore agrees to hold the discount offered in this submission throughout the lifetime of the contract. Catalogs and prices are subject to change with the release of new catalogs in January and February of each year and in the event of significant factors outside our control, such as government-imposed import tariffs.

**Delivery of Goods**

Lakeshore typically ships over a million boxes via UPS each year, with four to eight UPS semi-truckloads leaving our warehouses every day. We contract with five trucking companies that deliver 45,000 truckloads of materials each year to different regions across the country, and that number is growing.

Delivery Time is 4-6 business days ARO.

Lakeshore is flexible and can alter delivery and installation schedules if NCEP's members schedule changes.
