## Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

### Involvement Process for the SPSA and Annual Review and Update

Woodrow Elementary actively seeks engagement from stakeholders including students, staff, parents and other community members. Parents serve on the School Site Council and provide feedback on the existing SPSA. Teachers review the SPSA during the fall and spring updates, examining current data to determine progress toward goals. School plan writing day included parents, classified staff and teachers. Year end metrics are shared at the district data summit.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Sylvan District will promote and create learning environments with highly qualified personnel that will maximize access to the academic core for all pupils, including targeted groups, as well as provide enrichment opportunities that will allow our pupils to demonstrate proficiency and literacy in 21st century skills.

## Goal 1

By June 30, 2020, 100% of Woodrow students will meet or exceed grade level standards in Language Arts as measured by the SBAC assessment.

## Identified Need

Based on a review of the data, there is a need for increased achievement in ELA for all students. Students with disabilities are the group showing the greatest need, followed by Hispanic students, EL students and low income students. There continues to be a gap between white students and the other subgroups.

## Goal 2

By June 30, 2020, 100% of Woodrow third grade students will meet or exceed grade level standards in Reading as measured by Oral Reading Record.

## Identified Need

Third grade reading proficiency is closely correlated with success in all academic areas. At Woodrow School, students with disabilities are the furthest behind in meeting grade level standards on the SBAC. English learners did more poorly on the ORR than on the SBAC. We need to work on strengthening Tier 1 instruction for all students.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Sylvan District will create supportive, welcoming, and engaging campuses for pupils, parents, staff, and community.

## Goal 4

By June 30, 2020 the attendance rate will increase by at least 0.5%

## Identified Need

CALPADS longitudinal data indicate students with chronic absenteeism of >20% have decreased 1.61%. Students with absenteeism greater than 10% have decreased by 0.84%. Students with good attendance (less than 5% absenteeism) increased slightly. Although these gains are slight, they are in the right direction. The subgroup with highest absenteeism rates are low SES students. To increase attendance, Woodrow needs to increase student engagement and encourage positive attendance.

# Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Sylvan District will create supportive, welcoming, and engaging campuses for pupils, parents, staff, and community.

## Goal 5

By June 30, 2020 student suspensions will remain at or less than 1%

## Identified Need

There was a slight increase in suspensions from 2016-2017 to 2017-2018. However, suspensions decreased in 2018-2019 school year. Woodrow currently has a very low suspension rate. Student safety survey indicates students believe Woodrow is a safe place. In order to maintain a low suspension rate, Woodrow will implement a SEL curriculum in all grades and utilize other means of correction when appropriate. Celebrating student success is another way to engage students and recognize their efforts. Increased support from a Mental Health Clinician will help those students who are most at risk.

## Annual Measurable Outcomes
