## School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Cheryl Ousley

Principal, Brentwood Academy

### About Our School

At Brentwood Academy we promote excellence in all of our students and we take pride in our community. We share a common belief that all of our students have the ability to achieve at high academic levels. I invite you to explore Brentwood's Annual School Accountability Report Card, which provides information about our highly qualified teaching staff, innovative instructional programs (Makerspace, Music, Art), school safety and academic achievement.

Brentwood Academy is dedicated to the academic and social development of each student on campus. We "empower the young minds." Our students are leaders in the classroom, on the playground, and in their community. Students work hard in class, engage in academic discussions, and promote a sense of pride. Our exceptional team of teachers and staff are highly qualified and promote excellence on a daily basis. The teachers and staff participate in regular professional development and engage in collaboration to stay abreast of the best instructional practices and ways to differentiate for their students. It is an honor to work with such talented individuals who believe in our Brentwood scholars.

Sincerely,

Cheryl Ousley

### School Description and Mission Statement (School Year 2019—20)

#### **Brentwood Academy Mission Statement**

The mission of Brentwood Academy is to empower the young minds of East Palo Alto through quality instruction and community outreach to create life-long learners.

#### **Brentwood Academy Description**

Brentwood Academy serves approximately 323 Kindergarten through 5th grade students in 14 classrooms. We have a diverse and inclusive community. All Brentwood students participate in a core English Language Arts, Math, Social Studies, and Science program. All students are also taught Visual Art and Music by credentialed specialists in those content areas. Grade level teams collaborate weekly to discuss lessons, academic data, and behavioral data to best meet the needs of each student in every class. Interventions are put in place for students who need extra support. Instruction is designed to meet the needs of all students. The staff is committed to providing a safe and welcoming campus to students and parents. Committees have been created to meet this goal. Staff are involved in the following committees: Family Engagement, Positive Behavior and Intervention Support, Academic and Fundraising. Parents participate in Brentwood's School Site Council and English Language Advisory Committee. There are also family events planned to engage both students and parents. Some examples of our family nights are the Fall and Spring carnival, Winter Concert. The Brentwood staff believes in building community through positive engagement. There are school-wide incentive programs for academics, attendance, and behavior. Students are recognized for success in these areas both individually and as a class. Each morning the school meets for our Morning Assembly to start the day together with a common message. Directly following the Morning Assembly each class participates in a Morning Meeting in which each student is greeted by name and is given the opportunity to share. At that time the schedule for the day is reviewed and a behavior lesson plan is taught. Each Friday the school community gathers in the cafeteria to recognize student achievement and sing together.

## School Facility Conditions and Planned Improvements

Brentwood is a clean, well maintained older school campus. Landscaping, murals and colorful play areas make the school feel welcoming for students, staff and parents. There is a new principal on site who is also new to the district. Site and district staff working together can address areas of high storage, electrical issues with daisy-chains and plug in diffusers, blocked HVAC's and bathroom maintenance. Many of the classrooms do not have automatic closers or safety locks on their backdoors. New locks have been ordered and are scheduled to be installed in the next few months. KIPP Charter School has substantially increased the number of classrooms they are occupying on the site. The District and KIPP have not finalized the MOU which will determine the responsibilities and obligations of both entities.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	27.0%	16.0%	24.0%	18.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	19.0%	11.0%	15.0%	12.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019—20)

Family support and involvement are key elements in the academic success of our students. In addition, the staff would greatly appreciate your gift of time and talent during the coming year. The following volunteer opportunities offer flexible, interesting, and fun ways to contribute to the Brentwood community. A parent may serve as a presenter, field trip chaperone, classroom assistant, special event coordinator, fundraiser coordinator, library organizer, office assistant, advisory office assistant, etc. Regular volunteers (more than 3 times) will be asked to complete a volunteer packet which includes fingerprints and a current TB test. Parents can contact the school office for more information at (650)329-2881.

## School Safety Plan (School Year 2019—20)

Brentwood's Comprehensive Emergency Safety plan was last annually reviewed, updated and discussed with SSC/ELAC on October 1, 2019.

Brentwood Academy uses a positive behavior intervention support system. It provides Tier 1 supports like instruction for procedures throughout the school, student recognition, and token economy. It provides tier 2 supports like social skills groups and group counseling. It also provides tier 3 supports like a behavior support plan and individual counseling. Student success teams (SSTs) and Individualized Education Plans (IEPs) can provide additional strategies and supports to students.

The school partners with [CASSY / San Mateo Children Family Services / Star Vista] for mental health services. Mental health providers meet with students in groups or one-on-one for typically 12-week cycles. Parents, students, or staff can make referrals for mental health services on campus. The mental health provider regularly meets with school administration. Additionally, the school can refer families to local agencies like Children's Health Council for more support.

Brentwood Academy uses the San Mateo County Threat Assessment process on any student who has demonstrated concerning behavior that may be interpreted as violent or aggressive towards an individual or school. The administration and mental health provider will complete the level 1 and if necessary level 2 procedures when discussing the concerning behavior and subject.

Based on data analysis, the School Safety Planning Committee identified two safety-related goals for this school year as well as the strategies and/or programs that will be used to meet those goals. The objective is to provide meaningful goals in order to improve the campus climate:

**Brentwood Academy will assure a safe respectful, responsible, and emotionally nurturing environment to promote positive social development and academic success.**

PBIS School-wide Expectations: Be Safe, Be Respectful and Be Responsible. This will be achieved through Behavior Lesson Plans, Office Referrals, Parent Communication, Think/Reflection Sheets, Core Values, PBIS Team, Principal, Campus Relations, Leadership Team, Morning Assembly, Survey, SWIS Data.

**Brentwood Academy will improve the internal and external security of campus to assure a safe physical environment.** This will be achieved through Safety Drills, Visitors sign-in

Students, staff and parents will be made aware of the School-wide Safety Plan in case of an emergency through staff meetings, parent communication and regular practice drills, Issue Staff and Visitor parking passes, Supervise entrances and exits to campus, Supervise drop-off and pick-up, New Sign's, cones, Big 5 Staff, Student and Parent Safety Packet, Drill Schedule, Walkie Talkie, Bull Horn, Monthly Drills and practice.
