

Quality Bidders Scoring Summary

Districts can modify the scale of individual questions if need be.

To conduct pre-qualification of contractors, California requires the district school board to adopt a uniform rating system. The Quality Bidders application produces a score that can be used, along with financial statements, reference checks, and added district requirements, to aid and facilitate whatever uniform rating system the school board adopts.

Colbi Technologies offers a premium service to conduct reference check interviews.

The Quality Bidders application is a five-step questionnaire:

- Step 1 is contractor information, certifications, and qualifications.
- Step 2 is general requirements. **Answers are scored.**
- Step 3 is history and performance. **Answers are scored.**
- Step 4 is recently completed projects and references.
- Step 5 is additional district requirements and certification/declaration that the responses are true and correct.

Only completed applications can be submitted.
