

Berkeley Unified School District

West Campus Parking Lot

January 22, 2020

Brent Stephens Ed.D - Superintendent
John Calise - Executive Director, Facilities Division

West Campus Parking Lot Changes in Use and Design

- The current parking lot is an open design that promotes public parking
- There are no systems of controls in place - The fire lane is blocked daily
- The parking lot is often beyond capacity

BUSD Staff Usage

- 102 Staff Members Located in the District Office
- 2 Staff Members Located in the VAPA Office
- 58 Inbound Staff Members with the Oxford Elementary Move

162 Staff Members in Total. This Does Not Include Itinerant Personnel and Staff/
Community Members Attending Meetings at the District Office

[illegible]

- Pick up and Drop off spaces incorporated to accommodate the Child Education Center.
- Data provided by the CEC shows a maximum of 13 families in any 15 minute window.

West Campus
Community Meeting and Feedback

- Community concern regarding public parking for pool users
- Community concern regarding public accessible parking for pool users
- Community neighborhood parking
- Parking for Child Education Center Staff Members
- Public parking nights, weekends and holidays
- Community concern that a new tall obtrusive fence was being proposed

No new fencing – The parking lot controls will be bollards
