Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

I would like an opportunity to again share my experience and continue my advocacy for students and public education. Advocating for our students' welfare and preparing them for their future with endless pathways for success is, indeed, worthwhile work. With a Master's degree in organizational leadership and with more than 25 years of experience in strategic community outreach campaigns and governmental relations, I have built a foundation based on trust with local, state, and federal elected officials and community organizations. In addition, as an active and involved community leader and volunteer, my experience includes working with a diverse population, collaborating with our students, parents, community college and local businesses.

Please describe your activities and involvement on your local board, community, and/or CSBA.

As a school board member for 19 years in a district with 26,000 students, I have served on many committees and organizations, including the Five Star Education Coalition, CALSSD, LACSTA, Student Advisory Council, Glendale Civic Leaders Roundtable, Superintendent's Facility Advisory Committee, and the Glendale Educational Foundation. As a community member and father of five children, I have been a member of the Kiwanis Club, AYSO Soccer, Jewel City Little League, the Boy Scouts Council, and the Salvation Army. In 2005, I completed the CSBA Masters in Governance program and previously served as a CSBA delegate assembly member from 2006-2010. I have been a CSBA conference presenter several times, and participated in many of the workshops that CSBA offers.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

The biggest challenge facing governing boards is ensuring adequate and consistent funding for our public school systems. The state should set a goal of funding each student at the median spent nationally. Additionally, we need to stabilize where school district funds come from to stop the wild swings we experience in state funding. CSBA needs to continue to advocate and lobby for adequate resources for our schools.

Gregory S. Krikorian
Vice President, Board of Education
Glendale Unified School District
818.480-1327 (C) • 818.240-7088 (O)
E-mail: GKrikorian@gusd.net

Greg Krikorian was first elected to the Glendale Unified School District Board of Education in 2001. Re-elected April 2017 to a five- year term and is serving his 19th year as a Board Member. As the father of five children and a small business owner in Glendale, Mr. Krikorian has been actively involved in various school district and community organizations and is a highly respected member of the community.

Born in Hartford, Connecticut, Mr. Krikorian received his Bachelor of Science degree in Business Administration from Central Connecticut State University, a Masters of Arts degree in Organizational Leadership from Woodbury University, and a Masters in Governance from CSBA 2004. Mr. Krikorian and his wife of 30 years, Christine, are the proud parents of five children, four of whom have graduated from GUSD schools. Their youngest is currently a sophomore at Hoover High School.

Mr. Krikorian is a Co-founder of Cal-Conn Enterprises, Inc., a multi-service marketing firm specializing in government relations, professional development, crisis management and community relations. In addition to his duties at Cal-Conn, Greg is also the President and CEO of *Business Life Magazine*, Senior Living Magazine and Businesslife.com.

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

My lifetime career has been spent in public education which has included Elementary, Middle School, High School, Community College and University classroom teaching as well as multiple years in college and educational administration. As a current member of the Delegate Assembly I have become familiar with the intricacies of CSBA governance and the incredible value that our organization brings to public education in California. I have continued to demonstrate a passion for student learning and student success throughout my career. I want to continue in that quest!

Please describe your activities and involvement on your local board, community, and/or CSBA.

With over 40 years in education I am currently serving in my fourth term as a Board member. I am a lifetime member of the community of San Gabriel and attended schools in the district as did my brothers, wife and children. I have been involved in local School Site Councils, District Advisory Councils, Bond Committees and Youth Sports organizations. I have devoted countless hours of volunteer service to our schools and our Education Foundation. I am a member of Rotary, Chair of the Pastoral Council at our church and have been a CSBA Delegate for the past eight years

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

We need to continue in our push for "Full and Fair Funding" in California. We can not serve our children effectively without the resources to do so. CSBA must continue to be a strong voice both politically and intellectually to ensure that the California legislature provides sufficient support for public education in California. English Language aquisition for all of our strudents is also a major challenge. Our students can't be successful in our eduaction environments without English language mastery no matter how brilliant our curriculums are. We must also continue to advocate for school safety and and welcoming, safe environments for all students.

Gary's Bio

Dr. Gary Thomas Scott retired as Dean of the School of Creative Arts and Applied Sciences at Long Beach City College after 38 years in education. He previously served as the Director of Bands at the college for 10 years and has continued as the Director of the college's Evening Wind Symphony for the past 30 years. He is the founder and musical director of the Band of the California Battalion, a fully reenacted Union Civil War Brass Band that is celebrating its 27th year as an ensemble. The Band has traveled all over the country providing concerts and living history performances including the National Civil War Brass Band Festival, the Grammy Museum, the Smithsonian in Washington D.C., the National Civil War Museum in Harrisburg, PA, Antietam, Harper's Ferry and two performances on the Battlefield at Gettysburg. In June of 2015 the Band performed as guests of the National Park Service at Fort Sumter in Charleston, S.C.

Dr. Scott previously served two terms as an elected member and past President of the Board of Education for the San Gabriel Unified School District and was reelected to a third term in 2013 again serving as Board President. He recently began serving his fourth term on the Board in 2018. Gary has been a music director and church cantor at St. Anthony Catholic Church in San Gabriel, CA for the past 37 years as well as Chair of the Pastoral Council. Dr. Scott has frequently served as a guest clinician, judge and conductor for honor bands and festivals throughout the Southwestern United States.

Dr. Scott earned his BA and MA degrees in Music Education from California State University, Los Angeles and a Doctor of Education from UCLA. He has been married to his wife Mary for 44 years, has an adult son and daughter and identical twin grand daughters.

Dr. Scott began his musical career playing clarinet in 4th grade. Although he was a clarinet major in college, Dr. Scott claims, "I spent most of my time playing sax and made all of my money playing drums." In the past, Dr. Scott has also served as the Director of Bands at Bellflower High School, Director of Bands at Cerritos Community College, Associate Director of Bands at California State University, Los Angeles and Instrumental Musical Specialist for the Rowland Unified School District. The position in Rowland required Dr. Scott to drive modified school bus that served as a "mobile" band room. This award-winning program served multiple school sites in the district.

When not playing, conducting music or tackling the challenges of our educational systems, Dr. Scott loves traveling with his wife Mary in their motorhome and enjoys reading techno-thrillers.
