

**Memorandum Of Understanding Between
The Pleasanton Unified School District (PUSD) And
The California School Employees Association (CSEA) and its Chapter #155**

January 27, 2020

Authorized representatives of PUSD and CSEA met on January 23, 2020 to discuss PUSD's need for specific purchase orders and contract with outside vendors. Both PUSD and CSEA agree that these contracts are limited in term, and are non-precedent setting. The contracts below: do not cause the displacement of bargaining unit members; and the contracts are awarded through a public, competitive bidding process. The District and CSEA will continue to discuss the need for additional staff to handle small maintenance project work.

1. JD General Construction \$7,365 (see attachment A)
Scope: Install new wall in Facilities and Construction office.
Measure I1 funded, Facilities and Construction need to create additional office area for Construction Management team members.
2. JD General Construction -- 2 Projects \$5,381 and \$14,709 (see attachments B & C)
Scope: Lydiksen Elementary new build construction project: Prepare room for Kids Club temporary housing. The contractor will provide materials, equipment, facilities, or support services that could not be feasibly provided by the District in the location where the services are to be performed.
3. Vortex Windows \$2,000 - Open Purchase Order
Scope: Provide support to Operations staff with door and specialty window repair work districtwide. The contractor will provide materials, equipment, facilities, or support services that could not be feasibly provided by the District in the location where the services are to be performed.
4. ACCO \$9,940 (parts and labor) (see attachment D)
Scope: Install specialized parts for Harvest Park Middle School boiler.
The services contracted are not available within the District, cannot be performed satisfactorily by bargaining unit members, or are of such a highly specialized nature that the necessary expert knowledge, experience and ability are not available through the District.
5. Dale Butterworth Pools \$48,000 (parts and labor) (see attachment E)
Scope: Install diving boards at Foothill High School.
The contractor will provide materials, equipment, facilities, or support services that could not be feasibly provided by the District in the location where the services are to be performed. This work also requires certification that the District staff does not have.

6. REC Solar \$27,945 (see attachment F)

Scope: Slurry and seal paved surface at Amador High School as part of parking lot solar project. The contractor will provide materials, equipment, facilities, or support services that could not be feasibly provided by the District in the location where the services are to be performed.

This MOU sunsets on January 31, 2021 and resolves all issues related to the "Meet and Confer" of contracting out as discussed on January 23, 2020 between the District and CSEA.
