### **BAB Meeting**

2.6.20

Location: Annex

#### **Agenda Minutes**

LCAP/Title I Balance: The Principal, Rebekah Rocha, explained the current balance in the LCAP/Title I Budget. The current balance is \$118,000. She got input from staff about expenditures (see spreadsheet). Part of the reason we have such a large balance is that we had to place a TOSA in a classroom.

Proposal to approve New Expenditures: The Principal went through each expenditure and explained them.

Amy Scribner asked about being able to take the classroom library books home. We talked about how expensive the books are. Ana Flores Tindall suggested what they do in Pasitos, each parent leaves a deposit of \$10 to take a bag of books home each week. We can consider this for next year. We also discussed that we finally do have a librarian, but now the library is being used for ELPAC testing. Rebekah Rocha will talk to the Library Tech about getting out mobile library going again. We also had a discussion about how parents can find books in Spanish at the Public Library, as well as other resources for books in Spanish (lists, etc). Guadalupe Navarro will contact the Public Library about designating an area at one library (or more) in Spanish and the need to add to their collections. Perhaps they don't know about our school and the need to create something similar to what exists at the Windsor Library.

Guadalupe Navarro asked if staff would be asked to share with others as well as parents what they learned at CAFE. The Principal said that this could be done at a staff meeting and we could also invite parents. Usually we use funds to pay for school wide Professional Development, but it is also rewarding for staff to attend professional conferences. Some parents from BAB are interested in attending. We will work on figuring that out.

Amy Scribner asked about the projected budget for next year. She stated that she would rather see the money spent on positions rather than items. The Principal explained that the

goal next year is to re-implement the third TOSA position, and to have it focused on Math as well as Student Engagement. The classroom position will be posted on Edjoin soon.

Guadalupe Navarro made a motion to approve all of the expenditure requests. All of the items with an asterisk will come out of Title I. The rest will come out of LCAP.

**Title I:** Classroom Library Books, Reading Intervention Books, 2 Chromebook carts. Total \$64,000

LCAP: Teacher Lists for Student Engagement were approved at the last meeting. Kinder Assessment Days were added.

Georgia Pedgrift seconded the motion. All members were in agreement. The motion was passed.

**Future BAB meeting dates:**

2/18

4/16

May Date: To finalize LCAP for 20.21
