Every Student Matters, Every Moment Counts

# Purpose for the Recommendations

To ensure that MCS is able to meet District Goal Five: Recruit, Hire, and Retain High Quality Staff:

- We need to create a salary structure that will bring MCS Site Administrators to the middle of other School Districts comparative salary schedules.
- Create a longevity incentive for Senior Directors of School Leadership.

# Why are the Changes Needed?

School Services of California completed an administrative compensation study in August of 2019.

The study outlined a great disparity between administrators in MCS compared to like positions in similar district.
