Re: Consideration to approve the 2019-20 Consolidated Application (ConApp) Winter Submission.

QUICK SUMMARY/ABSTRACT:

The winter release of the application is submitted each year and contains the district entitlements for each funded program. Out of each state and federal program entitlement, districts allocate funds for indirect costs of administration, for programs operated by the district office, and for programs operated at schools.

RATIONALE:

The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California. Annually, in May, each local educational agency (LEA) submits the spring release of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs.

FINANCIAL IMPACT:

There is zero financial impact for RCSD.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the Consolidated Application (ConApp) - Winter Submission as submitted.
