

E-rate Purchase - Additional Costs Savings

Leverage E-rate for a new Firewall/Filtering System

- **What is E-rate:** Federal Infrastructure Funding System under USAC
- **What is a Firewall System:** Protects our Network and Servers
- **Why Replace:** Our current Cisco Firewall System is approximately 5+ years old and needs to be replaced in the next 6-12 months.
- **Time Line:** Bids not due till 2 weeks prior to March 9th and there is a hard federal deadline.
- **Potential Federal Savings: \$105,000**
- **District Matching: \$720,000** (Includes 5 years hardware support & 3 years software support)

Every Student Matters, Every Moment Counts
