NOTE PAYMENTS

SECTION 5.01. Deposit of Notes. The Notes, as evidenced and represented by the Note Participations, are hereby irrevocably deposited with and pledged to the Trustee, who is the registered owner of each Note for the benefit of the Owners of the Note Participations, and the payments on the Notes shall be used for the punctual payment of the interest and principal evidenced and represented by the Note Participations, and the Notes shall not be used for any other purpose while any of the Note Participations remain Outstanding. This deposit and pledge shall constitute a first and exclusive lien on the principal and interest payments of the Notes for the foregoing purpose in accordance with the terms hereof. Each School District approves and the Trustee hereby accepts the deposit of the Notes.

All principal and interest payments on the Notes shall be paid directly by each School District to the Trustee. All principal and interest payments on the Notes received by the Trustee shall be held in trust by the Trustee under the terms hereof and shall be deposited by it, as and when received, in the appropriate payment account within the Note Participation Payment Fund, which funds the Trustee hereby agrees to maintain so long as any of the Note Participations are Outstanding, and all money in such funds shall be held in trust by the Trustee for the benefit and security of the Owners of such Note Participations to the extent provided herein. If the Trustee receives Note repayments from a School District which, together with other amounts on deposit in the Note Participation Payment Fund allocable to such School District, are in excess of the amounts required to pay the principal of and interest due on such School District's Note, such excess amounts shall remain in such Note Participation Payment Fund and subject to any rebate requirement as specified in Section 6.04 hereof, shall be transferred to such School District following payment of the Note Participations.

Moneys received by the Trustee attributable to a School District shall not be used in any manner (directly or indirectly) to make up any deficiency in any other School District's Note repayments.

Attached as Exhibit D hereto is a form of Deposit Notice to be used by a School District to transfer payments of principal and interest on its Note to the Trustee

SECTION 5.02. Deposit of Money in the Note Participation Payment Fund. The Trustee shall deposit the money contained in the Note Participation Payment Fund at the following respective times in the following respective funds in the manner hereinafter provided, each of which funds the Trustee hereby agrees to maintain so long as the Note Participations are Outstanding, and the

money in each of such funds shall be disbursed only for the purposes and uses hereinafter authorized. Pending such disbursement, and unless otherwise directed by the School Districts, moneys therein are hereby directed to remain uninvested.

(a) Interest Fund. The Trustee, on each Interest Payment Date, shall deposit in the Interest Fund that amount of money representing the interest becoming due and payable on the Notes on such Interest Payment Date. All money in the Interest Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the interest evidenced and represented by the Note Participations on the Interest Payment Date.

(b) Principal Fund. The Trustee, on the Principal Payment Date, shall deposit in the Principal Fund that amount of money representing the principal becoming due and payable on the Notes on such Principal Payment Date. All moneys in the Principal Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the principal evidenced and represented by the Note Participations on the Principal Payment Date.

SECTION 5.03. Reserved.

SECTION 5.04. Reserved.

SECTION 5.05. Investments. Any money held by the Trustee at any time in any Fund created hereunder shall, to the fullest extent practicable, be invested as directed in writing by an Authorized School District Representative in Permitted Investments which will, as nearly as practicable, mature on or before the dates on which such money is anticipated to be needed for disbursement hereunder. In the absence of any written direction from the School District, the Trustee shall invest any money held in any Fund created hereunder in Permitted Investments identified in Section 6 of the definition thereof which will, as nearly as practicable, mature on or before the dates on which such money is anticipated to be needed for disbursement hereunder. The amounts held in the Proceeds Fund will be accounted for separately for the respective School Districts. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may at its sole discretion, for the purpose of any such investment, commingle any of the money held by it hereunder. The Trustee shall not be liable or responsible for any loss suffered in connection with any such deposit or investment made by it under the terms of and in accordance with this Section. The Trustee may present for redemption or sell any such deposit or investment whenever it shall be necessary in order to provide money to meet any payment of the money so deposited or invested, and the Trustee shall not be liable or responsible for any losses resulting from any such deposit or investment presented for redemption or sold. Any interest or profits on such deposits and investments received by the Trustee shall be credited to the fund, account or subaccount from which such investment was made.

The School Districts acknowledge that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the School Districts the right to receive brokerage confirmations of security transactions with respect to the investment of amounts held hereunder, the School Districts waive receipt of such confirmations. The Trustee shall furnish the School Districts periodic statements which shall include details of all investment transactions made by the Trustee.

SECTION 5.06. Confirmation of Deposits to Payment Accounts. (a) The Trustee shall, on the 15th day of each month identified as a Repayment Month for each School District, unless such Repayment Month is June, in which case on the first Business Day of such month, send a request for a Payment Account Deposit Certification, substantially in the form attached as Exhibit C hereto,

requesting that such School District confirm and certify that it has made the required deposit (in the amount and on the date specified in the Pricing Confirmation Supplement for each School District attached to the Purchase Agreement) into its Payment Account created pursuant to its Note Resolution. Such Payment Account Deposit Certification shall be signed by an Authorized School District Representative and delivered to the Trustee within seven Business Days after the date of such request. In the event that the Trustee has not received the Payment Account Deposit Certification from a School District within seven Business Days following the date such Payment Account Deposit Certification was due from a School District, the Trustee shall be entitled to conclude that the deposit into such School District's Payment Account has not been made and shall notify each rating agency then rating the Note Participations, the Financial Advisor and the Purchaser of such event, which constitutes an "Event of Default" under such School District's Note Resolution. Upon the occurrence of such an event, the Trustee shall exercise the rights and remedies set forth in the Trust Agreement. Notwithstanding anything to the contrary in the Trust Agreement, any School District for which the Trustee is holding or investing moneys or securities on behalf of said School District sufficient to make the required deposits in each such Repayment Month (and which moneys or securities are intended to be that School District's Payment Account deposit, either pursuant to the Trust Agreement or through some other arrangement between the Trustee and the School District) need not present a Payment Account Deposit Certification; likewise, the Trustee need not send a request for a Payment Account Deposit Certification to said School District.

(b) On the Note Payment Deposit Date, the Trustee shall transfer all amounts held by it on behalf of each School District to the Note Participation Payment Fund, as described in the Trust Agreement.

ARTICLE VI

COVENANTS

SECTION 6.01. Compliance with Trust Agreement. The Trustee shall not execute or deliver any Note Participations in any manner other than in accordance with the provisions hereof; and the School Districts will not suffer or permit any default to occur hereunder, but will faithfully observe and perform all the agreements, conditions, covenants and terms contained herein required to be observed and performed by them.

SECTION 6.02. Amendment of Notes. The School Districts and the Trustee will not amend or permit the amendment of any Note without (a) (1) a determination that such amendment does not materially adversely affect the interest of the Owners of the Note Participations, or (2) the written consents of the Owners of a majority in aggregate principal amount of the Note Participations then Outstanding, and (b) an Opinion of Counsel to the effect that such amendment will not cause interest on the Notes to be included in gross income for federal income tax purposes; *provided* that no such amendment shall reduce the rate of interest or amount of principal or extend the time of payment thereof with respect to any Note.

SECTION 6.03. Observance of Laws and Regulations. The School Districts will faithfully observe and perform all lawful and valid obligations or regulations now or hereafter imposed on them by contract, or prescribed by any state or national law, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by them, including their right to exist and carry on

their respective businesses, to the end that such observance or performance is material to the transactions contemplated hereby.

SECTION 6.04. Tax Covenants. (a) The School Districts will not take any action or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Notes, as evidenced and represented by the Note Participations, under Section 103 of the Code. The School Districts will not directly or indirectly use or permit the use of any proceeds of the Note Participations or the obligations which they evidence and represent or any other funds held hereunder or take or omit to take any action that would cause the Note Participations or the obligation which they represent to be “private activity bonds” within the meaning of Section 141(a) of the Code or obligations which are “federally guaranteed” within the meaning of Section 149(b) of the Code.

(b) The School Districts will not directly or indirectly use or permit the use of any proceeds of the Note Participations or the obligations which they represent or any other funds held hereunder or take or omit to take any action that would cause the Note Participations or the obligations which they evidence and represent to be “arbitrage bonds” within the meaning of Section 148 of the Code. To that end, the School Districts have covenanted to comply with all requirements of Section 148 of the Code to the extent applicable to the Notes. In the event that at any time any School District is of the opinion (which opinion may be based on an Opinion of Counsel), that for purposes of this Section 6.04(b) it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee under the Trust Agreement with respect to such School District, such School District shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

SECTION 6.05. Liens. So long as the Note Participations are Outstanding, the School Districts will not create or suffer to be created any pledge of or lien on such Notes other than the pledge and lien hereof.

SECTION 6.06. Accounting Records and Statements. The Trustee shall keep proper books of record and account in accordance with industry standards in which complete and correct entries shall be made of all transactions made by the Trustee relating to the receipt, investment, disbursement, allocation and application of all funds received by the Trustee hereunder. Such records shall specify the account or fund to which each investment (or portion thereof) held by the Trustee is to be allocated and shall set forth, in the case of each investment: (a) its purchase price; (b) identifying information, including par amount, coupon rate, and payment dates; (c) the amount received at maturity or its sale price, as the case may be; (d) the amounts and dates of any payments made with respect thereto; and (e) such documentation as is required to be obtained as evidence to establish that all investments have been purchased in arms’ length transactions with no amounts paid to reduce the yield on the investments.

Such records shall be open to inspection by any School District at any reasonable time during regular business hours on reasonable notice.

SECTION 6.07. Recordation and Filing. The School Districts will file, record, register, renew, refile and rerecord all such documents, including financing statements (or continuation statements in connection therewith), as may be required by law in order to maintain at all times a security interest in the Notes under and pursuant to the Trust Agreement, all in such manner, at such times and in such places as may be required in order to fully perfect, preserve and protect the benefit,

protection and security of the Owners and the rights of the Trustee hereunder, and the School Districts will do whatever else may be necessary or be reasonably required in order to perfect and continue the pledge of and lien on the Notes as provided herein.

SECTION 6.08. Further Assurances. Whenever and so often as requested to do so by the Trustee or any Owner, the School Districts will promptly execute and deliver, or cause to be executed and delivered, all such other and further assurances, documents or instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the Owners the benefit, protection and security conferred, or intended to be conferred, upon them hereby.

ARTICLE VII

DEFAULT AND LIMITATIONS OF LIABILITY

SECTION 7.01. Action on Default. If

- (a) any default in the payment of principal of or interest on a Note; or
- (b) any other “Event of Default” defined in a Note Resolution shall occur and be continuing, or
- (c) any default shall be made by any School District in the performance or observance of any other of the covenants, agreements or conditions on its part herein contained and such default shall have continued for a period of thirty (30) days after written notice thereof shall have been given to such School District by either (i) the Trustee or (ii) the Owners of not less than a majority in aggregate principal amount of the Note Participations at the time Outstanding,

then such default shall constitute an “Event of Default” hereunder, and in each and every such case during the continuance of such Event of Default, either the Trustee or such Owners shall be entitled, upon notice in writing to such School District, but subject to the provisions of Section 7.05, to exercise the remedies provided to the owner of such Note then in default or under the Note Resolution pursuant to which it was issued which are necessary or desirable to collect the principal of such Note and the interest thereon to maturity.

The Owners of the Note Participations, for purposes of the Trust Agreement and the Note Resolution of the applicable School District, to the extent of their interest, shall be treated as owners of the Notes and shall be entitled to all rights and security of the owners of such Notes pursuant to each such Note, the Note Resolution and the Trust Agreement, and shall be treated for all purposes as owners of such Notes. Each School District recognizes the rights of the Owners of the Note Participations, acting directly or through the Trustee, to enforce the obligations and covenants contained in such Note, its Note Resolution and the Trust Agreement; provided that in no event shall a School District be liable for any obligations, covenants or damages except those which arise out of its Note and its Note Resolution, and, in particular, no School District shall be liable for any obligations, liabilities, acts or omissions of any other School District.

SECTION 7.02. Other Remedies of the Trustee. The Trustee shall have the right

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights hereunder against any School District or any supervisor, council member, board member, trustee, member, officer or employee thereof, and to compel such School District or any such supervisor, council member, board member, trustee, member, officer or employee thereof to observe or perform its or his or her duties under applicable law and the agreements, conditions, covenants and terms contained herein, or in the applicable Note and Note Resolution, required to be observed or performed by it or him or her;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee or the Owners; or

(c) by suit in equity upon the happening of any default hereunder to require any School District and any supervisor, council member, board member, trustee, member, officer and employee to account as the trustee of any express trust.

SECTION 7.03. Non-Waiver. A waiver by the Trustee of any default hereunder or breach of any obligation hereunder shall not affect any subsequent default hereunder or any subsequent breach of an obligation hereunder or impair any rights or remedies on any such subsequent default hereunder or on any such subsequent breach of an obligation hereunder. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default hereunder shall impair any such right or remedy or shall be construed to be a waiver of any such default hereunder or an acquiescence therein, and every right or remedy conferred upon the Trustee by applicable law or by this article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned, the Trustee or the School Districts shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

SECTION 7.04. Application of Funds. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article VII shall be deposited into a segregated payment account of the Note Participation Payment Fund relating to the defaulting School District's Note and be applied by the Trustee after payment of all amounts due and payable under Section 8.03 hereof in the following order upon presentation of the several Note Participations, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid; *provided* that the Trustee shall obtain and follow the instructions contained in an Opinion of Counsel and rebate or set aside for rebate from the specified funds held hereunder any amount pursuant to such instructions required to be paid to the United States of America under the Code:

First, Costs and Expenses: first to the payment of the costs and expenses of the Trustee and then of the Owners of the Note Participations in declaring such Event of Default, including reasonable compensation to its or their agents, attorneys and counsel;

Second, Interest: to the payment to the persons entitled thereto of all payments of interest evidenced and represented by the Note Participations then due in the order of the due date of such payments, and, if the amount available shall not be sufficient to pay in full any payment or payments coming due on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Third, Principal: to the payment to the persons entitled thereto of the unpaid principal evidenced and represented by the Note Participations which shall have become due, in the order of their due dates, with interest on the overdue principal and interest represented by such Note Participations at a rate equal to the Default Rate and, if the amount available shall not be sufficient to pay in full all the amounts due with respect to such Note Participations on any date, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the persons entitled thereto, without any discrimination or preference.

SECTION 7.05. Remedies Not Exclusive. No remedy conferred herein upon or reserved herein to the Trustee is intended to be exclusive and all remedies shall be cumulative and each remedy shall be in addition to every other remedy given hereunder or now or hereafter existing under applicable law or equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any other applicable law.

SECTION 7.06. Exercise of Remedies; Relative Rights of Note Participation Owners. Upon the exercise by an Owner or the Trustee of its right of action to institute suit directly against a School District to enforce payment of the obligation evidenced and represented by such Owner's Note Participation, any moneys recovered by such action shall be deposited with the Trustee and applied as provided in Section 7.04 and in this Section 7.06.

All amounts received in respect of the principal of or interest on a Defaulted Note shall be applied pro rata to the Owners of the Note Participations, and in accordance with the provisions hereof.

SECTION 7.07. Limited Liability of the School Districts. Except as expressly provided in the respective Notes and Note Resolutions, the School Districts shall not have any obligation or liability to the Trustee or the Owners with respect to the Trust Agreement or the preparation, execution, delivery, transfer, exchange or cancellation of the Note Participations or the receipt, deposit or disbursement of the principal of and interest on the Notes by the Trustee, or with respect to the performance by the Trustee of any obligation contained herein required to be performed by it.

Notwithstanding anything to the contrary herein or in any Note or document referred to herein, no School District shall incur any obligation under Article VII, Section 3.03(b) or Section 5.01 or otherwise hereunder, except to the extent payable from Unrestricted Revenues, nor shall any School District incur any obligation on account of any default, action or omission of any other School District.

SECTION 7.08. No Liability by the Trustee to the Owners. Except as expressly provided herein, the Trustee shall not have any obligation or liability to the Owners with respect to the payment when due of the Notes by the School Districts, or with respect to the observance or performance by the School Districts of the other agreements, conditions, covenants and terms contained in the Notes and the Note Resolutions.

ARTICLE VIII

THE TRUSTEE

SECTION 8.01. Employment and Duties of the Trustee. The School Districts hereby appoint and employ the Trustee to receive, deposit and disburse the payments on the Notes as provided herein, to prepare, execute, deliver, transfer, exchange and cancel the Note Participations as provided herein, to pay the interest and principal evidenced and represented by the Note Participations to the

Owners thereof as provided herein and to perform the other obligations contained herein; all in the manner provided herein and subject to the conditions and terms hereof. By executing and delivering this Trust Agreement, the Trustee undertakes to perform such obligations (and only such obligations) as are specifically set forth herein, and no implied covenants or obligations shall be read herein against the Trustee.

SECTION 8.02. Removal and Resignation of the Trustee. Fifty percent or more of the School Districts may at any time remove the Trustee initially a party hereto and any successor thereto by giving written notice of such removal by mail to the Trustee, all of the School Districts, all Owners of Note Participations and such Trustee may at any time resign by giving written notice by mail of such resignation to the School Districts and all Owners of Note Participations. Upon giving any such notice of removal or upon receiving any such notice of removal or resignation, the School Districts shall promptly appoint a successor Trustee by an instrument in writing; *provided*, that in the event the School Districts do not appoint a successor Trustee within sixty (60) days following the giving of any such notice of removal or the receipt of any such notice of resignation, the removed or resigning Trustee may petition any appropriate court having jurisdiction to appoint a successor Trustee. Any successor Trustee shall be a bank or trust company doing business and having a principal corporate trust office either in Seattle, Washington, Los Angeles California or San Francisco, California, having a combined capital (exclusive of borrowed capital) and surplus (or the parent holding company of which has a combined capital and surplus) of at least \$75,000,000 and subject to supervision or examination by state or national authorities. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Any removal or resignation of a Trustee and appointment of a successor Trustee shall become effective only upon the written acceptance of the appointment by the successor Trustee.

SECTION 8.03. Compensation of the Trustee. The Trustee shall be paid for its services, solely from amounts held in the Costs of Issuance Fund or paid by the School Districts specifically for such purpose and reimburse the Trustee for all its advances and expenditures hereunder, including, but not limited to, advances to and fees and expenses of accountants, agents, appraisers, consultants, counsel or other experts employed by it in the observance and performance of its rights and obligations hereunder; *provided*, that the Trustee shall not have any lien for such compensation or reimbursement against any money held by it in any of the funds established hereunder, although the Trustee may take whatever legal actions are available to it directly against the School Districts to recover such compensation or reimbursement.

SECTION 8.04. Protection of the Trustee. The Trustee shall be protected and shall incur no liability in acting or proceeding in good faith upon any affidavit, bond, certificate, consent, notice, request, requisition, resolution, statement, telegram, voucher, waiver or other paper or document which it shall in good faith believe to be genuine and to have been adopted, executed or delivered by the proper party or pursuant to any of the provisions hereof, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Trustee may consult with counsel, who may be counsel to the School Districts, with regard to legal questions arising hereunder, and the opinion of such counsel shall be full and

complete authorization and protection in respect to any action taken or suffered by it hereunder in good faith in accordance therewith.

The Trustee shall not be responsible for the sufficiency of the payments on the Notes, or of the assignment made to it of all rights to receive the payments on the Notes and shall not be deemed to have knowledge of any Event of Default unless and until it shall have actual knowledge thereof or have received written notice thereof at its corporate trust office in Seattle, Washington. The Trustee shall not be accountable for the use or application by the School Districts, or any other party, of any funds which the Trustee properly releases to the School Districts or which the School Districts may otherwise receive from time to time. The Trustee makes no representation concerning, and has no responsibility for, the validity, genuineness, sufficiency, or performance by parties other than the Trustee of the Trust Agreement, any Note Participation, any Note, any Note Resolution or of any other paper or document, or for taking any action on them (except as specifically and expressly stated for the Trustee in the Trust Agreement), or with respect to any obligation of the School Districts.

Whenever in the observance or performance of its rights and obligations hereunder or under the Note Participations the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the majority of School Districts, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee may buy, sell, own, hold and deal in any of the Note Participations and may join in any action which any Owner may be entitled to take with like effect as if it were not a party hereto. The Trustee, either as principal or agent, may also engage in or be interested in any financial or other transaction with the School Districts, and may act as agent, depository or trustee for any committee or body of Owners or of owners of obligations of the School Districts as freely as if it were not the Trustee hereunder.

The Trustee shall not be answerable for the exercise of any of its rights hereunder or for the performance of any of its obligations hereunder or for anything whatsoever in connection with the funds established hereunder, except only for its own willful misconduct or negligence.

No provision hereof shall require the Trustee to expend or risk its own funds or otherwise incur any financial or other liability or risk in the performance of any of its obligations hereunder, or in the exercise of any of its rights hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, and before taking any remedial action hereunder the Trustee may require that indemnity satisfactory to it be furnished for all expenses to which it may be put and to protect it from all liability thereunder.

The School Districts will indemnify the Trustee for any liability incurred by the Trustee as a result of the Trustee executing the Representation Letter on behalf of the School Districts.

The School Districts agree to indemnify and hold the Trustee, its officers, directors, employees and agents harmless from and against any loss, liability, cost, expense or claim whatsoever which it may incur without negligence or willful misconduct on the Trustee's part, arising out of the acceptance of the duties of the Trustee hereunder and the administration thereof or in the exercise or performance

of its powers and duties hereunder, including without limitation those of its attorneys, including the costs and expenses of defending against any claim of liability. Such indemnity shall survive the termination and discharge of this Trust Agreement.

The Trustee shall have no responsibility with respect to any information statement, recital or the content of any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Notes and Note Participations, other than information statements which have been provided by the Trustee.

The Trustee shall not be liable with respect to any action taken or not taken by it at the direction of the Owners of a majority in aggregate principal amount of Note Participations outstanding relating to the exercise of any right or remedy available to the Trustee or the exercise of any trust or power conferred upon the Trustee hereunder.

The Trustee has executed the Note Participations solely in its capacity as Trustee under this Trust Agreement and is not liable thereon in its individual or personal capacity and all payments to be made thereon by the Trustee shall be made solely from funds held by the Trustee under this Trust Agreement.

SECTION 8.05. Notices to Rating Agencies. The Trustee shall notify each Rating Agency, in writing, upon occurrence of any of the following events: (i) any amendment, supplement or other change to this Trust Agreement from the form originally executed and entered into; and (ii) any amendment, supplement or other change to any Note or Note Resolution (that the Trustee is aware of).

ARTICLE IX

AMENDMENT OF OR SUPPLEMENT TO THE TRUST AGREEMENT

SECTION 9.01. Amendment or Supplement of Trust Agreement. This Trust Agreement and the rights and obligations of the Owners and the Trustee hereunder may be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding when the written consents of the Owners of a majority in aggregate principal amount of the Note Participations then Outstanding, exclusive of Note Participations disqualified as provided in Section 9.02, are filed with the Trustee. No such amendment or supplement shall (1) reduce the rate of interest evidenced and represented by any Note Participation or extend the Interest Payment Date or reduce the amount of principal evidenced and represented by any Note Participation or extend the Principal Payment Date thereof without the prior written consent of the Owner of the Note Participation so affected, or (2) reduce the percentage of Owners whose consent is required by the terms of this Trust Agreement for the execution of certain amendments hereof or supplements hereto, or (3) modify any of the rights or obligations of the Trustee without its prior written consent thereto.

This Trust Agreement and the rights and obligations of the Owners and the Trustee hereunder may also be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding upon execution without the written consents of any Owners, in order to make any modifications or changes necessary or appropriate in the Opinion of Counsel to preserve or protect the exclusion from gross income of interest on the Notes for federal income tax purposes, or, but only to the extent that such amendment shall not materially adversely affect the interests of the Owners, for any purpose including, without limitation, one or more of the following purposes:

(a) to add to the agreements, conditions, covenants and terms contained herein required to be observed or performed by the School Districts other agreements, conditions, covenants and terms thereafter to be observed or performed by the School Districts, or to surrender any right reserved herein to or conferred herein on the School Districts;

(b) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or in regard to questions arising hereunder which any School District may deem desirable or necessary; or

(c) to modify, amend or supplement this Trust Agreement or any supplement hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Note Participations for sale under the securities laws of the United States of America or of any of the states of the United States of America and, if Bond Counsel so determines, to add to this Trust Agreement or any supplement hereto such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute.

SECTION 9.02. Disqualified Note Participations. Note Participations held for the account of the School Districts (but excluding Note Participations held in any pension or retirement fund of the School Districts) shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Note Participations provided herein, and shall not be entitled to consent to or take any other action provided herein, and the Trustee may adopt appropriate regulations to require each Owner, before his consent provided for herein shall be deemed effective, to reveal if the Note Participations as to which such consent is given are disqualified as provided in this Section.

SECTION 9.03. Procedure for Amendment with Written Consent of the Owners. The Trust Agreement may be amended by supplemental agreement as provided in this Section 9.03 in the event the consent of the Owners is required pursuant to Section 9.01 hereof. A description of the proposed amendment, together with a request to the Owners for their consent thereto, shall be mailed by the Trustee to each Owner of a Note Participation at his address as set forth in the Note Participation registration books maintained pursuant to Section 2.07 hereof, but failure to receive copies of such description and request so mailed shall not affect the validity of the supplemental agreement when assented to as in this Section provided. Nothing herein shall be deemed to require the mailing of the supplemental agreement itself to the Owners.

Such supplemental agreement shall not become effective unless there shall be filed with the Trustee the written consent of the Owners of at least a majority in aggregate principal amount of the Note Participations then Outstanding (exclusive of Note Participations disqualified as provided in Section 9.02 hereof) and notices shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Note Participations for which such consent is given, which proof shall be acceptable to the Trustee. Any such consent shall be binding upon the Owner of the Note Participation giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the Trustee has received the required percentage of consents of the Owners of the Note Participations and acknowledged the same to the School Districts.

After the Owners of the required percentage of Note Participations shall have filed their consents to such supplemental agreement, the Trustee shall acknowledge to the School Districts the effectiveness of the agreement and shall mail a notice to the School Districts and the Owners of the Note Participations in the manner hereinbefore provided in this Section for the mailing of such description, stating in substance that such supplemental agreement has been consented to by the Owners of the required percentage of Note Participations and is effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of such supplemental agreement or consents thereto). A record, consisting of the papers required by this Section to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved.

SECTION 9.04. Endorsement or Replacement of Note Participations after Amendment or Supplement. After the effective date of any action taken as hereinabove provided, the Trustee may determine that the Note Participations may bear a notation by endorsement in form approved by the Trustee as to such action, and in that case upon demand of the Owner of any Outstanding Note Participation and presentation of the Note Participation for such purpose at the office of the Trustee a suitable notation as to such action shall be made on such Note Participation. If the Trustee shall so determine, new Note Participations so modified as in the opinion of the Trustee shall be necessary to conform to such action shall be prepared, and in that case upon demand of the Owner of any Outstanding Note Participations such new Note Participations shall be exchanged without cost to each Owner for Note Participations then Outstanding at the office of the Trustee upon surrender of such Outstanding Note Participations. All Note Participations surrendered to the Trustee pursuant to the provisions of this section shall be cancelled by the Trustee and shall not be redelivered.

REGISTERED OWNER: Cede & Co.

PRINCIPAL SUM:

THIS IS TO CERTIFY that the registered owner set forth above of this California Education Notes Program, Fiscal Year 2020-21 Note Participations Series A (the "Note Participation"), is the owner of a proportionate undivided interest in the rights to receive the principal and interest payments on the Notes (as that term is defined in the Trust Agreement hereinafter mentioned) issued by various School Districts (the "School Districts") all of which rights are evidenced and represented by this Note Participation. Such Notes have been deposited by the School Districts with U.S. Bank National Association, a national banking association duly organized and existing under and by virtue of the laws of the United States of America, at its principal corporate trust office in Seattle, Washington, as trustee (together with any successor thereto in accordance with the Trust Agreement, the "Trustee"). The Trustee may designate a different corporate trust office hereunder by an instrument in writing delivered to the School Districts.

The Trustee is executing this Note Participation solely in its capacity as Trustee under the Trust Agreement and is not liable thereon in its individual or personal capacity.

The registered owner of this Note Participation is entitled to receive, subject to the terms of the Notes, on the Principal Payment Date (the "Principal Payment Date") set forth above, upon surrender of this Note Participation on such Principal Payment Date at said office of the Trustee, the principal sum set forth above, representing the registered owner's proportionate share of the principal payments on the Notes becoming due and payable on such Principal Payment Date. In addition, the registered owner of this Note Participation is entitled to receive such registered owner's proportionate share of the interest payments on the Notes accruing from the date of initial issuance of the Notes and becoming due and payable on the Principal Payment Date. Such proportionate share of interest is determined by the multiplication of the aforesaid principal sum by the interest rate per annum set forth above determined on the basis of a 360-day year consisting of twelve 30-day months. All such amounts are payable in lawful money of the United States of America.

This Note Participation is one of the duly authorized Note Participations entitled “California Education Notes Program, Fiscal Year 2020-21 Note Participations Series A” aggregating \$_____ - (the “Note Participations”) which have been executed by the Trustee under and pursuant to the terms of a Trust Agreement (the “Trust Agreement”) dated as of _____ 1, 2020 by and between the Trustee and the School Districts. Copies of the Trust Agreement are on file at said office of the Trustee, and reference is hereby made to the Trust Agreement and to any and all amendments thereof and supplements thereto for a description of the agreements, conditions, covenants and terms securing the Note Participations, for the nature, extent and manner of enforcement of such agreements, conditions, covenants and terms, for the rights and remedies of the registered owners of the Note Participations with respect thereto, for the terms under which the Trust Agreement and the Notes can be amended, and for the other agreements, conditions, covenants and terms upon which the Note Participations are executed and delivered thereunder, all to which the owner hereof assents and agrees by acceptance hereof.

The Note Participations are authorized to be executed and delivered in the form of fully registered Note Participations in denominations of five thousand dollars (\$5,000) or any integral multiple thereof.

This Note Participation is transferable or exchangeable by the registered owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement, and upon surrender of this Note Participation for cancellation accompanied by delivery of a duly executed written instrument of transfer or exchange, a new Note Participation or Note Participations of authorized denominations equal to the principal amount hereof will be executed and delivered by the Trustee to the registered owner hereof in exchange or transfer herefor.

The Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Note Participation shall be overdue, and the Trustee shall not be affected by any knowledge or notice to the contrary; and payment of the interest and principal evidenced and represented by this Note Participation shall be made only to such registered owner as above provided, which payments shall be valid and effectual to satisfy and discharge the liability evidenced and represented by this Note Participation to the extent of the sum or sums so paid.

The Note Participations each evidence and represent a proportionate undivided interest in the Notes and enjoy the benefits of a security interest in the money held in certain funds established pursuant to the Trust Agreement, subject to the provisions of the Trust Agreement permitting the disbursement thereof for or to the purposes and on the conditions and terms set forth therein.

The Notes are issued pursuant to Sections 53850 to 53858, both inclusive, of the Government Code of the State of California (herein called the “Act”) (being Article 7.6, Chapter 4, Part 1, Division 2, Title 5 of the Government Code) by the School Districts in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received by the School District for Fiscal Year 2020-21, a portion of which revenues are pledged for repayment of the Notes.

The Trustee has no obligation or liability to the registered owners of the Note Participations for the payment of the interest or principal evidenced and represented by the Note Participations; but rather the Trustee’s sole obligation is to administer, for the benefit of the School Districts and the registered owners of the Note Participations, the various funds and other duties established under the Trust Agreement.

The Owner hereby has a proportionate undivided ownership interest in each of the following Notes, each dated the Date of Initial Delivery, maturing on the Principal Payment Date and bearing interest at the Interest Rate per annum and payable on the Principal Payment Date, all as specified on the face of this Note Participation.
