Summer Programs 2020

Steven Hurst
Director I, Student Support Services

May 18, 2020

Purpose of Presentation

- Rationale behind Summer offerings
- Update on the programs offered
- Next Steps
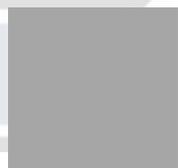

District Goal Alignment

Goal One: Increase **academic achievement** and ensure **equitable access** to enable all students to attain college and career readiness.

1.2 **Increase** students being identified as "prepared" in College/Career Indicators

1.4 Develop a Multi-Tiered System of Support for all students

1.5 Ensure students have **access** to enrichment activities at all school sites

Purpose of Summer Programs

To extend the school year in order to provide enrichment and academic support for students.

Overview of Summer Programs

All programs will be offered via **Distance Model**
- June 4 – June 30
- 19 Instructional Support Days
- 20 Instructional Support Days for Extended School Year (ESY)
- 1 Teacher Work Day

- K-12 ESY
- Enrichment

K-6 Summer Remediation

- Distance Model using **Freckle™** by Renaissance Learning.
- Goal = provide **teacher supported learning** for up to 3,000 students.
- Program provides **research-based lessons** for the student to work on **independently** based on their diagnostic placement.
- Focus on **ELA and Math**

K-6 Summer Remediation

- Teachers are scheduled to support each day of Summer School.
  - Provide support to families to **access program** and complete placement test.
  - **Monitor** student progress and achievement.
  - Provide **guidance** to struggling students and their parents.

K-6 Summer Remediation

- Students will be **recommended** by their teachers and site admin.
  - Student/parent commitment to participate.
- Teachers will receive **virtual training** on the program.
- **Freckle™** will be available for <u>ALL</u> students in grades K-7, without teacher support, from mid-May to August.

7-12 Credit Recovery

- Distance Model using the **APEX** system.
- Students needing to remediate a grade for **credit recovery** will be invited to participate.
- AM session and PM session offered daily.
- Teacher available for the student and to monitor student progress.

Apex Learning

Swun Math Summer Program

- Distance Model following the **SWUN Math** guidelines for Distance Learning.
- Students **invited to participate** based on teacher recommendation.
- Teachers provide lesson through **Schoology** utilizing SWUN video lesson/teacher lesson.
- Teacher provides **support and feedback** to the students regarding lesson.
- Initial lessons focus on **review**; later lessons provide **preview** of next level.
