

ARCADIA UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION MEETING

DATE: May 26, 2020

TO: Board of Education

FROM: David Vannasdall, Superintendent

SUBJECT: AUTHORIZATION TO USE PIGGYBACKABLE BIDS FOR FISCAL YEAR
2020-2021

PRESENTED BY: Dierk Esseln, Assistant Superintendent, Business Services

BACKGROUND

In order to take advantage of joint buying power, state, city, and school district piggybackable bids are made available to state agencies. These bids allow school districts to purchase school supplies exceeding the bid limit, eliminating the need for districts to go out to bid for the same types of purchases individually.

The District administration requests authorization to use any available piggybackable bids to purchase technology supplies, office supplies, classroom supplies, custodial supplies, classroom and office furniture, and modular building lease and purchase for fiscal year 2020-2021, including but not limited to:

Franklin McKinley Unified School District
Western States Contracting Alliance (WSCA)
California Multiple Awards Schedule (CMAS)
U.S. Communities Contract
National Association of State Procurement Officials (NASPO)
County of Orange Furniture Bid
CAL-SAVE
National Cooperative Purchasing Alliance (NCPA)
Glendale Unified School District Bids
The Cooperative Purchasing Network (TCPN)
Capistrano Unified School District
National Joint Powers Alliance (NJPA)
National IPA Region 4

RESOURCES REQUIRED

None.

PREPARED BY: Jaime Morales, Manager, Purchasing and Risk Management
