

**Amended Memorandum of Understanding**

**Between  
Sylvan Union School District  
And the  
California School Employees Association and (CSEA)  
and Its Sylvan Chapter #73**

**CSEA and Its Sylvan Chapter 73 and the District agree to the following revision to the agreement for the 2020-2021 school years regarding additional workdays for Calendar #8.**

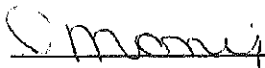

**Background:** Both parties discussed the unprecedented school closure we are currently experiencing due to COVID-19 and the Governor's directives. The closure presents the District with many challenges as staff wait for direction and action from county and state officials on timelines and information regarding the re-opening of schools for 2020-2021. As a result, additional professional development training and planning days are paused. Previously both parties agreed that employees in classifications who work on Calendar #8 would work two additional days: one day for online mandated training in August and one day for professional development and training on October 12, 2020. This revised MOU amends the agreement.

**Proposal:**

Currently, specific classifications on Calendar #8 work one hundred eighty-two (182) days, one hundred eight (180) days with students and two (2) additional workdays. For the 2020-2021 school year the classifications assigned to Calendar #8 will work one hundred eighty-three (183) workdays. The additional one workday for 2020-2021, for the purpose of completing mandated training, will be held on August 5th.

The professional development and training day planned for October 12, 2020, is cancelled, and will be a non-workday for employees on Calendar #8.
