board to consider having a parade with students in their cards at the school site and have a formal promotion celebration next year once the COVID-19 shelter in place restrictions are lifted.

She suggested having a school parade in vehicles and continue with a promotion ceremony once school reopens from the COVID pandemic.

Lisa Buzik, community member, shared on behalf of all the students her interest in having a “clap out” car parade or something for students leaving middle school and entering high school.

Supt's Update:

a. Superintendent's Update – Return to School Task Force:

Mrs. Hendricks shared staff has identified personnel for the Return to School Task Force group. The group has met once to discuss plans and procedures for re-opening for the 20-21 school year. We haven't received much clarity or direction from the county and state level. Governor Newsom said district will have more information in July. During the county superintendents' meeting, Doctor V shared there still is much uncertainty now to be able to move forward. Future meetings for this task force are pending until more guidance and direction from the county and state level is provided.

Sylvan STEAM and Somerset Middle School STEAM Update:

b. Sylvan STEAM and Somerset Middle School STEAM Update:

Staff shared a STEAM video presentation created by Scott Ferreira, Somerset Middle School principal and Tedde' Vaupel, Sylvan STEAM Academy principal to display the progress of the STEAM instructional model at Sylvan STEAM Academy and Somerset Middle School. Both principals had amazing data to share from STEAM students prior to school closures in trimester III. 2017-2018 was the first school year the STEAM model instructional strategies began at Sylvan Elementary. The Somerset Middle School 6th grade STEAM cohort began during 2018-19 and 7th grade in 2019-20. The achievement gap is closing and STEAM students are out performing or making significant gains. Mrs. Hendricks shared that STEAM will be district-wide with the new Science textbook adoption. The video can be viewed using this link: https://youtu.be/nguYVkbBI_w

Budget Update:

c. Budget Update:

Mrs. Aguilar provided an update on the district's budget adoption. With the COVID-19 pandemic, there are a lot of unknown items at this point. Governor Newsom's May Revise is to be released later this week and staff is hearing that we are not expecting a detailed update due to the fact the state doesn't have information due to COVID-19. The tax extension until July has a significant impact on the state budget. We hope to expect greater details and direction from the state sometime in August or September. In the meantime, we need to move forward with our 2020-21 budget and plan for additional scenarios with COLA reductions which is our biggest source of funding. The state anticipates budget impacts for 2020-21 and even more for 2021-22.

Mr. Collins announced that he as served on the Sylvan Union School District board for 12 ½ years. After much thought and consideration, Mr. Collins shared he will not seek reelection when his term expires in December 2020. His intention for announcing his decision now is to give any interested people a healthy amount of time to ask if service to the Sylvan district is right for them and consider running for office.

“My intention in announcing this now is to give any interested people a healthy amount of time to ask if service to the Sylvan district is right for them, and consider running for office. This opportunity is obviously open to all, but it’s my hope that this will be a chance to bring an active, Sylvan parent presence to this board, because that perspective is very valuable.

The work of a trustee is to make good decisions. The best decisions are made by people with servant’s hearts, who are well informed and prepared to listen with the compassionate heart of a learner in all circumstances.

Until December, when the sun sets on my time here, you can expect me to carry on as I always have. I will offer what I can to help our staff, students and families navigate the education side of the current crisis. I’m looking forward to celebrating our fantastic superintendent and welcoming our next fantastic superintendent.”

Final Adjournment: The meeting was adjourned by Board President Mr. Rawe at 9:50 p.m.
