

**PHILOSOPHIES, GOALS, OBJECTIVES AND COMPREHENSIVE PLANS**  
**CHARTER SCHOOL RENEWAL**

Note: The following policy is optional. When the term of a charter granted by the Governing Board pursuant to Education Code 47605 (see BP/AR 0420.4 - Charter School Authorization) is due to expire, the charter school must submit a petition for renewal to the Board in accordance with Education Code 47607, as amended by AB 1505 (Ch. 486, Statutes of 2019), and Education Code 47607.2, as added by AB 1505.

For a charter that was granted by the State Board of Education (SBE) on appeal after being denied by the district, the renewal petition must first be submitted to the district board that denied the charter, pursuant to Education Code 47605. A petition for the renewal of a charter that was originally granted by the County Board of Education on appeal after being denied by the district must be submitted directly to the County Board as the chartering authority pursuant to 5 CCR 11966.5.

The Board of Trustees believes that the ongoing operation of a charter school **established within the District** should be dependent on the school's effectiveness in achieving its mission and goals for student learning and other student outcomes. Whenever a charter school submits a petition for renewal of its charter, the Board shall review the petition thoroughly and in a timely manner. **The Board shall consider renewal petitions only of charters originally authorized by the Board itself or by the State Board of Education on appeal after initial denial by the Board.**

(cf. 0420.4 - Charter School Authorization)

(cf. 0420.41 - Charter School Oversight)

(cf. 0420.43 - Charter School Revocation)

(cf. 0500 - Accountability)

**The Board shall deny the renewal petition of any charter school operated as or by a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization.**  
(Education Code 47604)

**When a charter school, concurrently with its renewal petition, proposes to expand operations to one or more additional sites or grade levels, the charter school shall request a material revision to its charter. The material revision may be made only with the approval of the Board and in accordance with the standards and criteria in Education Code 47605 for material revisions. (Education Code 47607)**

Note: The following optional paragraph may be revised to reflect district timelines for the submission of charter renewal petitions. Education Code 47605, as amended by AB 1505 and AB 1595 (Ch. 543, Statutes of 2019), requires that the Board grant or deny the renewal petition within 60 90 days of receiving the petition (see section entitled "Timelines for Board Action" below). However, it is recommended that charter schools submit their petition sufficiently early (e.g., as much as nine months before the term of the charter is due to expire) so that, in the event that the Board denies the renewal, the charter school may be able to appeal to the County Board and then to SBE and, if the school closes, to allow students of the charter school to transfer to another school.

**The Board recommends that a charter school submit its petition for renewal to the Board sufficiently early as much as nine months before the expiration of the term of the charter to allow the Board's deliberations and decision on the renewal petition to be completed with minimal disruption to the charter school's educational program in the renewal year.**

**PHILOSOPHIES, GOALS, OBJECTIVES AND COMPREHENSIVE PLANS**  
**CHARTER SCHOOL RENEWAL**

~~Each renewal granted by the Board shall be for a period of five years. (Education Code 47607)~~

~~The petition for renewal shall include a reasonably comprehensive description of how the charter school has met all new charter school requirements enacted into law after the charter was originally granted or last renewed. (Education Code 47607; 5 CCR 11966.4)~~

**Submission of Renewal Petition**

~~A charter school seeking renewal of its charter is encouraged to submit its petition for renewal to the Board sufficiently early before the term of the charter is due to expire.~~

~~The signature requirement applicable to new charter petitions is not applicable to petitions for renewal. (5 CCR 11966.4)~~

~~The petition for renewal shall include a reasonably comprehensive description of how the charter school has met all new charter school requirements enacted into law after the charter was originally granted or last renewed. The petition also shall include documentation that the charter school meets at least one of the criteria for academic performance specified in Education Code 47607(b), as listed in item #5 in the section "Criteria for Granting or Denying Renewal" below. (Education Code 47607; 5 CCR 11966.4)~~

**Criteria for Granting or Denying Renewal**

Note: AB 1505 amended Education Code 47607 and added Education Code 47607.2 to revise the criteria for granting or denying charter renewals and to authorize different lengths of renewal for high-performing, middle-performing, and low-performing charter schools.

Pursuant to Education Code 47607, charter renewals are subject to the same standards and criteria as initial charter authorizations as specified in Education Code 47605, except that the Board may not deny the renewal of an existing charter school based on a finding that (1) the district has a negative or qualified interim certification and is not positioned to absorb the fiscal impact of the proposed charter school or (2) the charter school is unlikely to serve the interests of the entire community in which the school will be located (i.e., the school would substantially undermine or duplicate existing district services or programs). However, these two criteria may be used to deny a proposed expansion of an existing charter school.

Renewals shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605. ~~The Board shall consider the past performance of the charter school's academics, finances, and operations in evaluating the likelihood of future success, along with plans for improvement, if any.~~ However, a charter renewal shall not be denied based on the fiscal impact of the charter school on the district or a finding that the charter school is unlikely to serve the interests of the entire community in which the school is located, as described in Education Code 47605. (Education Code 47607; 5 CCR 11966.4)

~~The signature requirement for charter authorization petitions is not applicable to petitions for renewal. (Education Code 47607)~~

**PHILOSOPHIES, GOALS, OBJECTIVES AND COMPREHENSIVE PLANS**  
**CHARTER SCHOOL RENEWAL**

~~In determining whether to grant a charter renewal, the Board shall consider increases in academic achievement for all "numerically significant" groups of students served by the charter school, as defined in Education Code 52052, as the most important factor. (Education Code 47607)~~

~~The Board shall deny a renewal petition only if it makes a written factual finding setting forth specific facts to support one or more of the following grounds: (Education Code 47605, 47607; 5 CCR 11966.4)~~

- ~~1. The charter school presents an unsound educational program for the students enrolled in the school.~~
- ~~2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.~~
- ~~3. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).~~
- ~~4. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).~~
- ~~5. The charter school has failed to meet at least one of the following criteria of academic performance:~~
  - ~~a. Attainment of its Academic Performance Index (API) growth target in the prior year or in two of the last three years, both schoolwide and for all numerically significant groups of students served by the charter school as defined in Education Code 52052.~~
  - ~~b. An API ranking in deciles 4-10 in the prior year or in two of the last three years.~~
  - ~~c. An API ranking in deciles 4-10 for a demographically comparable school in the prior year or in two of the last three years.~~
  - ~~d. Academic performance at least equal to the academic performance of the public schools that the charter school students would otherwise have been required to attend as well as the academic performance of District schools, taking into account the composition of the student population that is served at the charter school. In determining whether the charter school satisfies this criterion, the Board shall base its decision on:~~
    - ~~(1) Documented clear and convincing data.~~
    - ~~(2) Student achievement data from assessments, including, but not limited to, the Standardized Testing and Reporting Program, for demographically similar student populations in comparison schools.~~
    - ~~(3) Information submitted by the charter school.~~

~~Whenever the Board makes a determination based on this criterion, the superintendent or designee shall~~

**CHARTER SCHOOL RENEWAL**

~~submit copies of supporting documentation and a written summary of the basis for the Board's determination to the Superintendent of Public Instruction.~~

~~(cf. 6162.51—Standardized Testing and Reporting Program)~~

- e. ~~Qualification for an alternative accountability system pursuant to Education Code 52052(h).~~

Note: Pursuant to Education Code 47607.2, the review of the charter school's performance must be based on "verified data," defined as data that are derived from nationally recognized, valid, peerreviewed, and reliable sources that are externally produced and include measures of postsecondary outcomes. SBE is required to identify, by January 1, 2021, a list of valid and reliable assessments that must be used by the Board for this purpose. Until such a list is available, a charter school under consideration for renewal may present data consistent with the definition of "verified data."

In determining whether to grant a charter renewal, the Board shall review both schoolwide performance and the performance of numerically significant student subgroups on the state and local indicators included in the California School Dashboard, giving greater weight to performance on measurements of academic performance. If the Dashboard indicators are not yet available for the most recently completed academic year before renewal, the Board shall consider verifiable data provided by the charter school related to the Dashboard indicators, such as data from the California Assessment of Student Performance and Progress, or any successor system, for the most recent academic year. (Education Code 47607)

Following the Board's review, a renewal of the charter petition may be granted in accordance with a three-tiered system based on school performance, as follows:

**1. Renewal of Five to Seven Years**

A renewal shall be granted for a period of five to seven years to a charter school that is not eligible for technical assistance pursuant to Education Code 47607.3 and that, for two consecutive years immediately preceding the renewal, achieved either of the following: (Education Code 47607)

- a. Received the two highest performance levels schoolwide on all the state indicators included in the Dashboard for which the charter school receives performance levels
- b. For all measurements of academic performance, received performance levels schoolwide that are the same or higher than the state average and, for a majority of numerically significant student subgroups performing statewide below the state average in each respective year, received performance levels that are higher than the state average

**2. Renewal of Five Years**

- a. A renewal shall be granted for five years if clear and convincing evidence, demonstrated by verified data, shows either of the following: (Education Code 47607.2)

**PHILOSOPHIES, GOALS, OBJECTIVES AND COMPREHENSIVE PLANS**  
**CHARTER SCHOOL RENEWAL**

- (1) Measurable increases in academic achievement, as defined by at least one year's progress for each year in school
  - (2) Strong postsecondary outcomes, as defined by college enrollment, persistence, and completion rates equal to similar peers
- b. For any such charter school, the Board may deny the renewal petition upon making written factual findings that the charter school failed to meet or make sufficient progress toward meeting standards that provide a benefit to students at the school, that the closure of the charter school is in the best interest of students, and that the Board's decision provided greater weight to performance on measurements of academic performance. (Education Code 47607.2)

**3. Denial with Option for Two-Year Renewal**

- a. The Board shall generally not renew a charter if, for two consecutive years immediately preceding the renewal decision, either of the following applies: (Education Code 47607.2)
- (1) The charter school has received the two lowest performance levels schoolwide on all the state indicators included in the Dashboard for which it receives performance levels.
  - (2) For all measurements of academic performance, the charter school has received performance levels schoolwide that are the same or lower than the state average and, for a majority of numerically significant student subgroups performing statewide below the state average in each respective year, received performance levels that are lower than the state average.
- b. However, the Board may grant a two-year renewal to any such charter school if the Board makes written factual findings, setting forth specific facts to support the findings, that:
- (1) The charter school is taking meaningful steps to address the underlying cause(s) of low performance, and those steps are reflected, or will be reflected, in a written plan adopted by the governing body of the charter school.
  - (2) There is clear and convincing evidence, demonstrated by verified data, showing achievement of the criteria specified in item #2a above

In addition to all the grounds stated above for denial of a charter, the Board may deny renewal of a charter upon a finding that the school is demonstrably unlikely to successfully implement the program set forth in the petition due to substantial fiscal or governance factors or a finding that the school is not serving all students who wish to attend. When denying a charter renewal for either of these reasons, the Board shall provide the charter school at least 30 days' notice of the alleged violation and a reasonable opportunity to cure the violation, including the submission of a proposed corrective action plan. The renewal shall be denied if the Board finds either that the corrective action proposed by the charter school has been unsuccessful or that the violations are sufficiently severe and pervasive as to render a corrective action plan

**PHILOSOPHIES, GOALS, OBJECTIVES AND COMPREHENSIVE PLANS**  
**CHARTER SCHOOL RENEWAL**

unviable. Any finding that a school is not serving all students who wish to attend shall specifically identify the evidence supporting the finding. (Education Code 47607)

Note: Charter schools that serve high-risk students may qualify for the state's Dashboard Alternative School Status (DASS) program, which uses modified methods of measurement for accountability indicators when appropriate. Charter schools that participate in the DASS are subject to the following criteria specified in Education Code 46607, as amended by AB 1505.

A charter school that is eligible for the state's Dashboard Alternative School Status shall not be subject to any of the above criteria. Instead, in determining whether to grant a charter renewal for such a charter school, the Board shall consider, in addition to the charter school's performance on the state and local indicators included in the Dashboard, the charter school's performance on alternative metrics applicable to the charter school based on the student population served. The Board shall meet with the charter school during the first year of the charter school's term to mutually agree to discuss alternative metrics to be considered and shall notify the charter school of the alternative metrics to be used within 30 days of this meeting. The Board may deny a charter renewal only upon making written findings, setting forth specific facts to support the findings, that the closure of the charter school is in the best interest of students. (Education Code 47607)

**Timelines for Board Action**

Note: State law does not expressly provide a timeline for a public hearing on the renewal petition or for the Board's final decision on the renewal. However, pursuant to Education Code 47607, renewals are generally subject to the same standards and criteria applicable to initial charter authorizations, as specified in Education Code 47605. As amended by AB 1505 and AB 1595, Education Code 47605 extends the timeline for the hearing for a charter petition from 30 to 60 days of the receipt of the petition. In addition, Education Code 47605 defines receipt of the petition as the date that the petitioner submits the petition to the district, and requires the Board to publish staff recommendations regarding the petition at least 15 days prior to the hearing at which the Board will grant or deny the petition. The following section reflects the timelines established for initial charter authorizations.

Within ~~30~~ 60 days of receiving the renewal petition, the Board shall hold a public hearing to review documentation submitted by the charter school and obtain public input. A petition is deemed received on the day the petitioner submits a petition to the district office, along with a signed certification that the petitioner deems the petition to be complete. (Education Code 47605)

~~If the charter school submits documentation pursuant to item #5d in the section "Criteria for Granting or Denying Renewal" above, the Board shall not grant a renewal until at least 30 days after the submission of such documentation. (Education Code 47607)~~

~~Within 60 days of receiving the renewal petition, or within 90 days if extended by mutual written agreement of the Board and the charter school, t~~The Board shall either grant or deny the request to renew the charter. charter renewal within 90 days of receiving the petition, or within 120 days with the consent of both the petitioner and the Board. (Education Code ~~47607~~ 47605; ~~5 CCR 11966.4~~)

## **PHILOSOPHIES, GOALS, OBJECTIVES AND COMPREHENSIVE PLANS**

### **CHARTER SCHOOL RENEWAL**

At least 15 days before the public hearing at which the Board will grant or deny the charter petition, the Board shall publish all staff recommendations and recommended findings regarding the petition. During the public hearing, petitioners shall have equal time and opportunity to present evidence and testimony to respond to the staff recommendations and findings. (Education Code 47605)

If the Board fails to make a written factual finding **when required for denial of the petition** pursuant to ~~items~~ #1-5 in the section "Criteria for Granting or Denying Renewal" above within the required time period, the absence of a written factual finding shall be deemed an approval of the renewal petition. (5 CCR 11966.4)

The superintendent or designee shall provide notification to ~~the California Department of Education~~ **CDE**, within 10 calendar days of the Board's action, whenever a renewal of the charter is granted or denied. (Education Code 47604.32; 5 CCR 11962.1)

If the Board denies a renewal petition, the charter school may submit its application for renewal to the County Board of Education within 30 days of the Board's written factual findings supporting the denial. ~~If the County Board then fails to deny or grant the petition within 60 days of receiving the petition, or within 90 days if extended by written mutual agreement of the charter school and the County Board, the charter school may submit the petition to the State Board of Education.~~ (Education Code 47605, 47607.5)

### **School Closure**

If a charter is not renewed and the charter school ceases operation, the Board and/or the charter school shall implement the school closure procedures specified in the charter in accordance with Education Code 47605 and 5 CCR 11962. (Education Code 47603.32)
