

Student Information System Update and Transition to a Replacement System

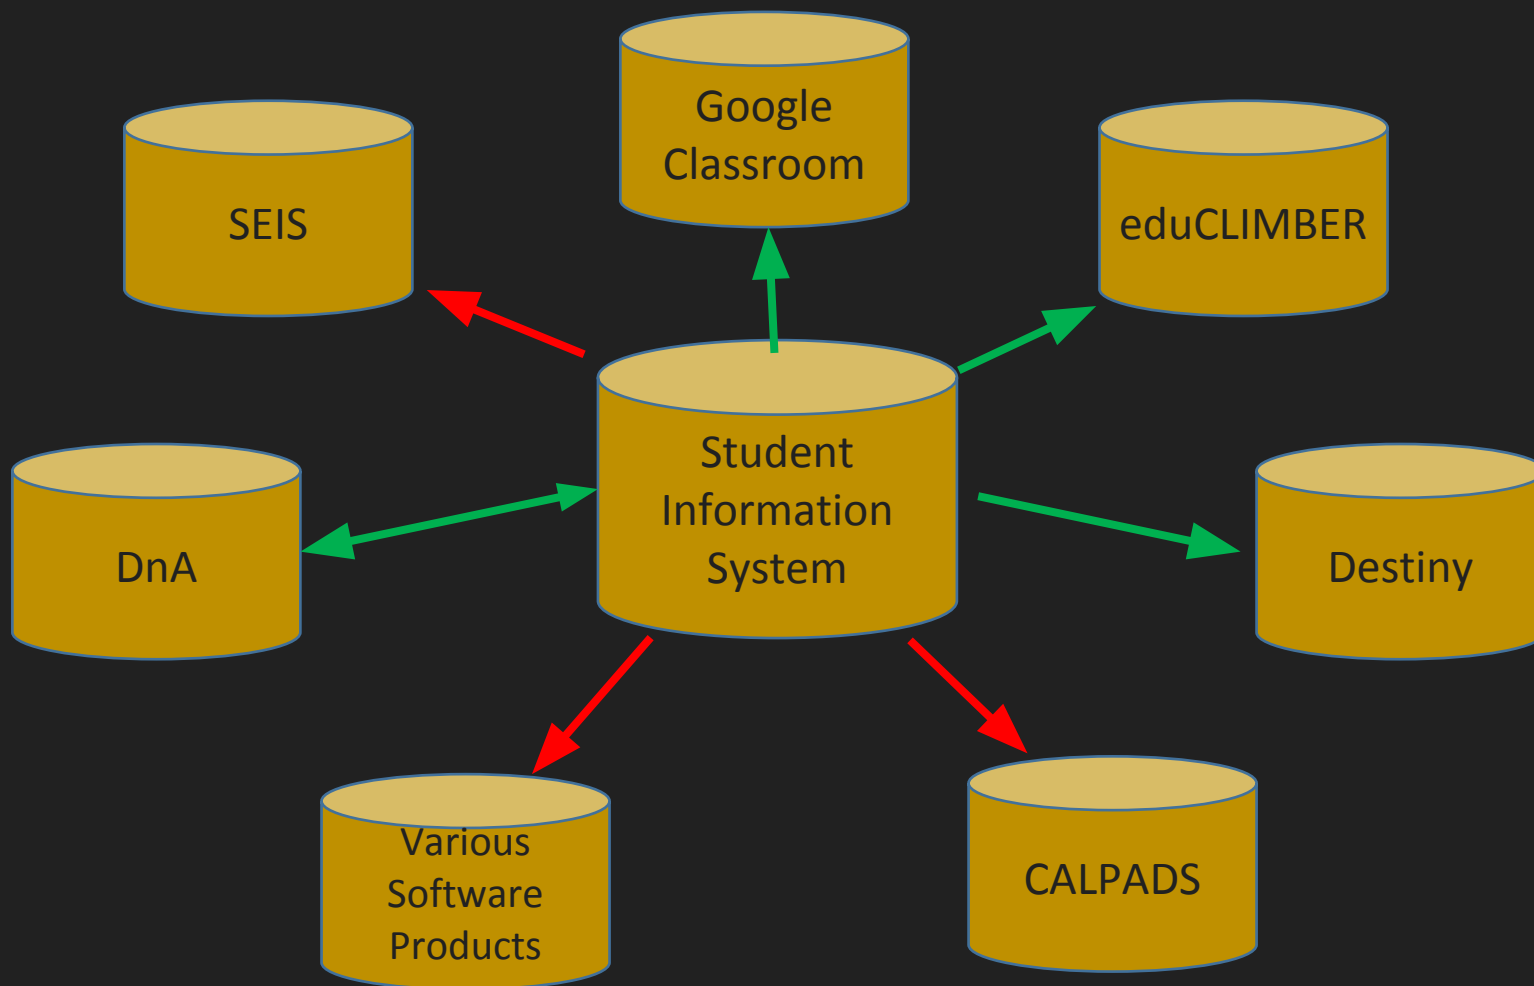

Student Information System

- Comprehensive Data System
 - Registration
 - Master Scheduling
 - Attendance
 - Transcripts / Report Cards
 - Discipline
 - Test Scores
 - Grading System
 - MTSS
 - State Reporting
 - Parent Access

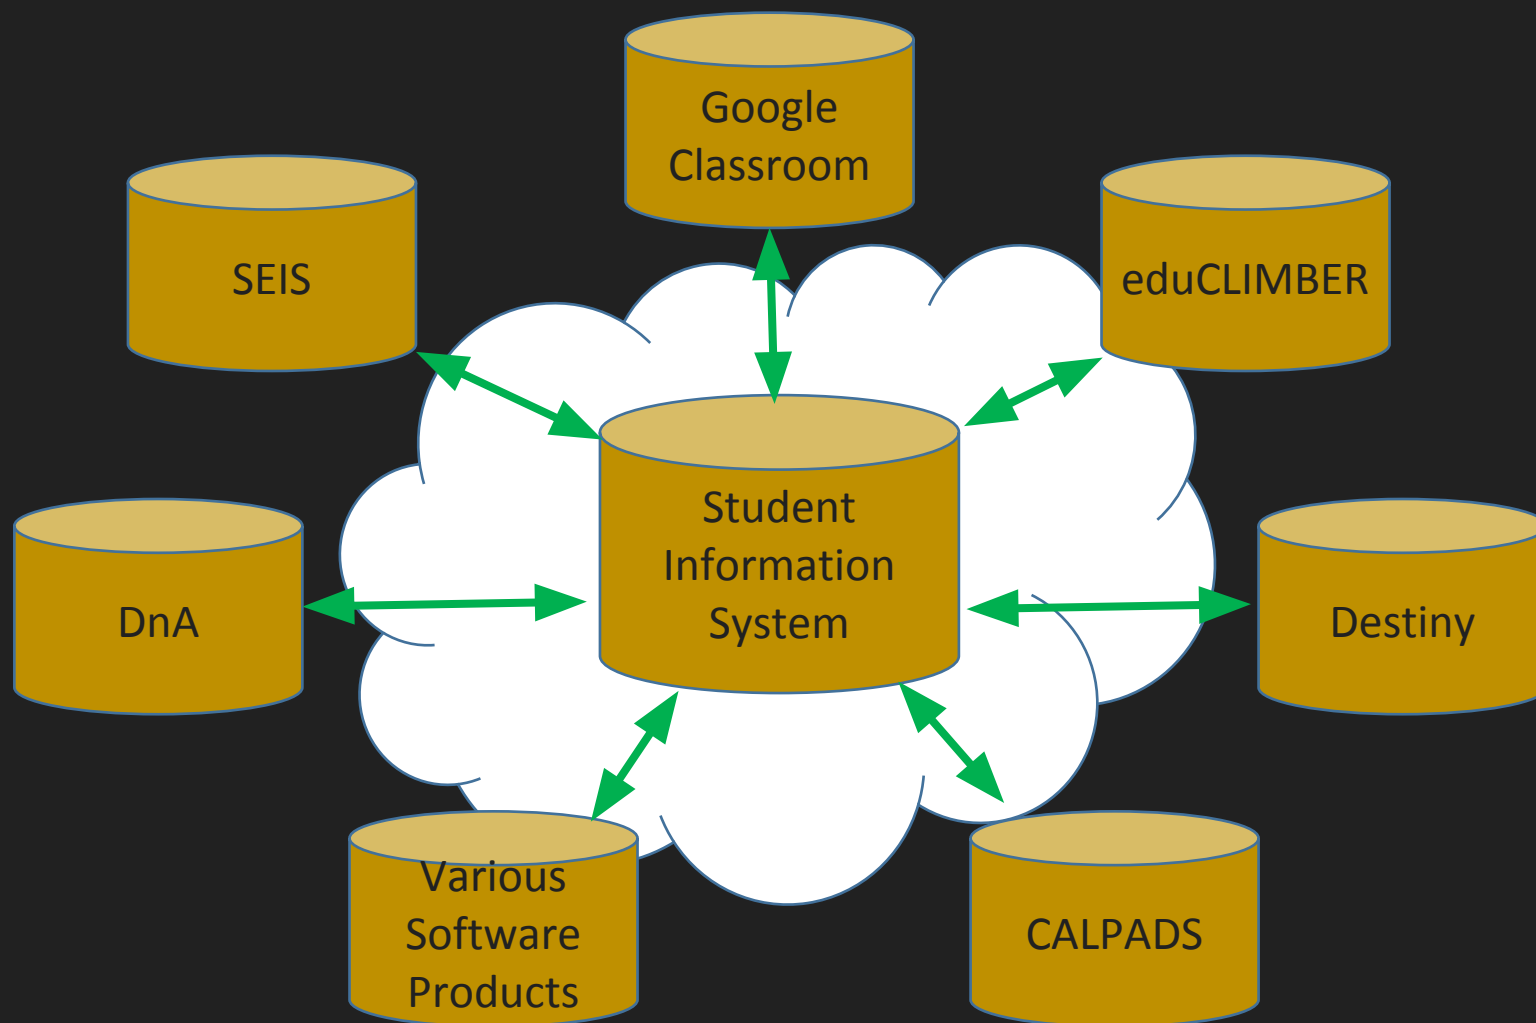

Evaluation of Systems*

*Representative sample of SRCS systems

Goal: Integration of Systems*

*Representative sample of SRCS systems

Background

- Current Student Information System, Illuminate iSi, was implemented beginning in Fall 2017
 - Search began in spring 2016
 - Comprehensive district wide committee
 - Comprehensive evaluation process
 - Choice #1: Illuminate iSi
 - Choice #2: Aeries SIS
- Illuminate iSi will be discontinued effective Fall of 2021

Background (continued)

- Replacement Student Information System was identified December 2019
 - IT Staff used previous results to evaluate existing systems
 - December 2019, previous evaluation and implementation members met
 - Unanimous decision to negotiate with Aeries
- Negotiations for the transition began January 2020
 - Establish parallel systems
 - No double data entry
 - Time to learn and train on new system prior to change over

Current Status

- **Illuminate iSi will be our official SIS for the 2020-21 school year**
- iSi continues to provide day-to-day functionality
 - Attendance functions
 - Grading system functions
 - All State Reporting
 - Reports continue to be created for District needs
 - Support for iSi will continue through the final End of Year State reporting in 2021
- Negotiations for the replacement system are complete
 - Aeries will begin data integration in Fall 2020
 - SIS System admin will have access to Aeries in Fall 2020

Next Steps

- SIS System Admin will learn the Aeries system
 - Formal training starting in August
 - Webinar
 - In-person as possible
 - Critical reports will be created in the new environment for data integrity and future use
- District wide training
 - Needs assessment for all areas
 - Plan created and shared
 - Training for site staff will begin in January
 - Refresher training during summer
 - Just-in-time training as needed

Next Steps (continued)

- Ongoing Training Plan
 - Classified Staff
 - Certificated Staff
 - Site and District Administrators
- Go live date with Aeries as Santa Rosa City Schools' Student Information System is August 1, 2022
