Executive Summary

Dear Ravenswood City SD & Think Connected Teams,

I would like to thank you in advance for your time and consideration to evaluate AMS.NET, Inc.'s proposed solutions for your Phase 5 School and District Office IT Infrastructure Upgrades. We are very excited to be considered as a possible candidate to partner with the district on this specific project to upgrade your layer 1 structured cabling infrastructure including new Category 6 cabling, upgrade data cabinets and removing aging systems / infrastructure! As a 20-year employee and Vice President of AMS.NET, Inc. who has been heavily involved in K12 information technology within California for my entire tenure here, I am 100% committed to the success of this project!

We feel that AMS.NET, Inc. is the perfect vendor to award this project to because of our dedication to K12 in California and our extensive history and reputation within our customer base. We have been active within this environment since our company's conception in 1988 which gives us over 32-years of dedication and experience which is second to no one in the market today! We have designed our company and many of our processes around public sector customers but more importantly education and K12. The result of this focus and longevity is an engagement that is deep and trusting which guarantees a successful and smooth deployment.

AMS.NET, Inc. has received, reviewed, and acknowledges all the addendums associated to this project.

Over 20 years ago AMS.NET, Inc. chose to bring structured cabling in-house as a value add to our customers. We have our own C-7 license and construction / structured cabling division within AMS.NET which not only lowers the overall cost of our solution(s) to our customers but also increases the quality of work we are delivering. Not having subcontractors is the key to both components. Not having multiple layers of vendors keeps the cost down but also preserves the workmanship at the same time since we have direct control over the crews in the field. At the end of the day our cabling crews know exactly what our engineers need and vice versa so you as the customer does not get stuck in the middle!

As you can see from reviewing our supporting company documentation and references contained within Sections 2 and 6 of this bid response that we possess the necessary skills and knowledge to deploy a project of this magnitude and complexity since we are dealing with the core of the district's infrastructure.

Below are the attributes that set AMS.NET, Inc. apart from others:

- Established and proven partner within K12 for over 30-years = Trusted Advisor
- 120+ Employees throughout California = Stability
- Multi-vendor network support = Support Complex Environments
- Deliver complete architecture solutions = Long Term Engagements
- Elite partnerships with all eco-system partners = Alignment
- Skill and certified engineers = Success
- Advanced manufacturer technology specializations = Certified
- Structured cabling C7 state contractor = No Subcontracting
- Certified Project Management (PMP) = Smooth
- Executive Management accessibility regardless of customer size = Everyone Matters

Thank you again for the opportunity to provide the district with a proposal for this project. We are looking forward to the possibility of working with you. Please do not hesitate to contact me with any questions or concerns you may have regarding either our bid response or our proposed solution.

Kind Regards,

Thomas Vasconi

Addendum: RFP #RCSD-P5CBL Questions & Responses #1

Ravenswood City School District, Technology Dept.

May 8, 2020

Overview:

The following questions were submitted by prospective bidders to RFP #RCSD-P5CBL in written form. Please send questions to rfps@ravenswoodschools.org by Tuesday, May 19, 2020 in order to provide time for an adequate answer. Please refer to the RFP located at <http://www.ravenswoodschools.org/rfps> before submitting questions, as we will not respond to questions already adequately answered in the current RFP.

Questions and their Responses

- 1) I wanted to see if with the shelter in place, if the walkthroughs scheduled for May 11th and May 12th are still scheduled or if they have been postponed?

Yes, we will still be having the non-mandatory site walkthroughs on 5/11 and 5/12 for the project. We will meet in Room 106 at the District Office at 10:00am on Monday morning.

In light of the current COVID-19 restrictions, we will need to limit the total number of attendees and take other cautionary measures to ensure all of our safety during the walkthrough. Specifically:

- 1) All attendees must bring their own face covering and they must be worn at all times.**
- 2) We will need to practice "social distancing" by maintaining 6 feet between ourselves during the walkthrough and initial presentation/gathering in Room 106.**
- 3) Vendors, please limit the number of attendees to the walkthroughs, preferably to only 1 or 2 of your team members. The room in which we are convening is relatively large, but if necessary we will limit the number of people from each team in the room.**
- 4) We will need to rotate through the small server rooms a few participants at a time in order to maintain social distance.**
- 5) We will have a bathroom sink nearby for participants to wash their hands, and hand sanitizer in the room.**
- 6) Our custodial staff is cleaning the room by wiping it down with disinfectant before the meeting.**

Note that any gathering poses a heightened risk of COVID-19 transmission, and older adults and individuals with existing health conditions are at particularly serious risk if they contract COVID-19 and should not attend.

Thank you again for your interest in bidding

Questions & Responses #2

Ravenswood City School District, Technology Dept.

May 14, 2020

Overview:

The following questions were submitted by prospective bidders to RFP #RCSD-P5CBL verbally during the site walkthroughs. Please send questions to rfps@ravenswoodschools.org by 5:00PM on Tuesday, May 19, 2020 in order to provide time for an adequate answer. Please refer to the RFP located at <http://www.ravenswoodschools.org/rfps> before submitting questions, as we will not respond to questions already adequately answered in the current RFP.

Questions and their Responses

- 1) Given the timeline on Phase 1 of this project, are there liquidated damages involved?
Yes, as stated in the RFP.
- 2) Would the systems be installed in a method where the existing systems stay active until cutover?
No, we are planning for both phases to completely remove the old systems prior to installing the new systems.
- 3) What classification licenses are required to perform the remodeling work in the District Office MDF?
We are requesting that the bidder provide the necessary contracting licenses for all work that needs to be performed. Please follow all state laws.
- 4) Can drawings and scaled plans be provided for all buildings?
We do not have plans and drawings for all sites, but will provide what is available by the school District.
- 5) Can we specify exactly what cabling needs to be decommissioned as part of the P5CBL RFP?
All obsolete cabling needs to be removed, e.g., old display cables, speaker cabling, old CAT5/6, inactive coax cables, and raceway purposed for these cables. Locations where CAT5/6 cables are removed will need a blank plate to cover afterwards.
- 6) Are as built drawings required after work is complete?
Yes, but they are not required to be to scale.

- 7) Is there another opportunity to have a walk through with contractors?
Unfortunately there will not be any other site walkthroughs.
- 8) What is the cutoff date for questions regarding the RFPs?
Questions must be submitted before 5:00PM on Tuesday, May 19th, 2020.
- 9) What if there is no ceiling access to leave a CAT 6 service loop in bathrooms?
A surface mount box with the loop is accepted in these situations.

RFP #RCSD-P5CBL, Addendum #6

Questions & Responses #3

Ravenswood City School District, Technology Dept.

May 21, 2020

Overview:

The following questions were submitted by prospective bidders to RFP #RCSD-P5CBL in written form. Please send questions to rfps@ravenswoodschools.org by 5:00PM on Tuesday, May 19, 2020 in order to provide time for an adequate answer. Please refer to the RFP located at <http://www.ravenswoodschools.org/rfps> before submitting questions, as we will not respond to questions already adequately answered in the current RFP.

Questions and their Responses

- 1) Do you have an estimate cost for this project?

We will not be posting estimated costs for the project.

- 2) The scope of work involves more than 2 trades for the low voltage cabling project. There is cabling, Trenching (underground conduit), plumbing and remodeling. When there is more than 1 trade on a project this requires a B license contractor to bid as the prime and hire a C7, C10 sub contractors to do the other trades or the B license can do all the work. I wanted to see if you would issue an addendum to list that a prime contractor must be a B license to bid.

We provided an answer to this question in the Q & A – Addendum #4 last week on the RFP website. Please see question #3.

- 3) During the site walks there was a discussion regarding what type of raceway to be installed so that everyone is bidding on the same style and size of wiremold to support the new CAT6 cabling and AV cabling. Can you please clarify what you are requesting for example Panduit LD10 and or Wiremold PN10?

The surface mount raceway needs to be sized adequately to accommodate the cable quantity and there will need to be coordination with other vendors for the classroom AV equipment in some areas. The raceway is to be Panduit LD10 or equivalent in White (WH) color.

- 4) During the site walks at the District Office the MDF was identified needing floor replacement please confirm that this scope of work is the responsibility of the cabling contractor?

Yes, it is the responsibility of the winning bidder on the cabling proposal.

- 5) During the site walks at the District Office the IDF 3 was identified needing "plumbing to be capped off. please confirm that this scope of work is the responsibility of the cabling contractor? Also there is a sink and water heater located in the closet and there was a discussion to remove it please clarify the scope of work in this room? Are we to also paint the walls after the shelves are removed or just add plywood backboards?

Yes, it is the responsibility of the winning bidder on the cabling proposal to sub-contract for the plumbing. The wall repair after the removal of the shelving and plumbing should consist of basic hole patching and painting. Plywood backboards are acceptable where needed.

- 6) During the site walk there was a discussion regarding the conduit pathways IDF 4 and IDF 5. The RFP states that a new conduit is needed but during the site walk there was a 2" conduit identified that could be used, please clarify the requested scope of work?

Yes, it is confirmed that there is an existing 2" conduit between these two IDF locations that can be utilized.

- 7) Please clarify if the AV contractor, electrical contractor or Cabling contractor is responsible for moving the white boards and painting? **The cabling contractor is responsible. – Section 5.5 and 6.3.6 of #RCSD-P5CBL**

- 8) Please clarify that the cabling contractor is responsible for painting the walls after the existing IDF enclosure are removed?

The cabling contractor is responsible. – Section 5.5 and 6.3.6 of #RCSD-P5CBL

- 9) Please clarify who is responsible for removing the existing "simplex" Clock and speakers? Who is responsible for the existing headend removal? Has the district confirmed that the existing simplex system is not connected to the fire alarm?

The clock/speakers and headend unit are to be removed under the #RCSD-P5CBL RFP. For the sites that have a Simplex system tied to the fire alarm system, this is a separate system from the clocks/speakers.

- 10) During the site walk at Costano IDF 1 was identified as "remodeling to be done" please clarify that you are requesting toilets, stalls and plumbing? Is the floor changing? Are the walls which are tile to be changed? What type of finish are you requesting? Please provide additional detail as what is stated is open to interpretation?

All plumbing (sinks, urinals, toilets, stalls) need to be removed and have all services capped off. The walls are to be patched and repaired to a Level 2 finish as defined in the publication GA-214-10 from the Gypsum Association. The floor should have toilet sewer drains capped and covered to make a level floor surface and not be a tripping hazard. The existing floor tile does not need to be fully replaced or patched to match existing.

- 11) Please clarify that the contractor responsible for removing the electric outlets in the existing IDF enclosure is also responsible for their own painting and patching?

Confirmed this is correct.

- 12) Please clarify that the district will or will not be providing the paint color to match the existing paint in the classrooms and offices?

We believe the standard classroom color is Swiss Coffee, but painting to match is acceptable.

- 13) Please confirm that if the paint color is not provided to the contractor that a best match is acceptable?

Painting to match is acceptable

- 14) During the site walk it was discussed that the Kindergarten classrooms would be receiving a AV cart instead of the typical classroom set-up? Please advise when the specification for the AV cart will be available?

This is in the Addendum #4 of the #RCSD-P5AV RFP and Addendum#5 of the #RCSD-P5CBL RFP.

<http://www.ravenswoodschools.org/rfps>

- 15) What is the project management cost for the purpose of determining 50% liability in the case of liquidated damages being assessed?

We do not have a published estimated PM cost.

- 16) Is there a status report on the hazardous material report per site with locations?

Hazardous material report is expected to be completed in June before construction begins and will be made available to winning vendor before construction. We expect few, if any, necessary change orders to result because of past building modernization projects.

- 17) When will the school plan sets be available to review?

The plan sets were not as readily available as we thought. These will not be ready in time for the due date. If you need rough measurements for conduit and cable runs, you can use the measure tool on Google Maps.

Terms and Conditions

1. AMS.NET will require a Purchase Order referencing this Quote # or if a Purchase order is not provided, an authorized representative must sign this quote.

2. Payment terms are Net 30. An interest charge of 1.5% per month will be applied to all accounts past due, plus all costs of collection and reasonable attorneys fees. AMS.NET accepts all major credit cards. A convenience fee of 3.5% will be assessed. Customer agrees to accept multiple invoices for projects that cover multiple sales. In the event that a site's readiness is delayed by the customer, customer agrees to accept and pay invoices that reflect equipment and services already received.

3. Items sold by AMS.NET, Inc. and shipped to destinations in California are subject to sales tax. If an item is subject to sales tax in the state to which the order is shipped, tax is generally calculated on the total selling price of each individual item. In accordance with state tax laws, the total selling price of an order will generally include shipping and handling charges and item-level discounts. The amount of tax charged on your order will depend upon many factors including, but not limited to, the type of item(s) purchased, and the source and destination of the shipment. Factors can change between the time you place an order and the time an invoice is sent, which could affect the calculation of sales taxes. The amount appearing on your proposal as 'Estimated Sales Tax' may differ from the sales taxes ultimately charged. Shipping charges and sales tax will be added to this order when invoiced and the customer agrees to pay these charges.

4. All companies with tax exemption must present a valid Tax Exempt form. If Customer is tax exempt or if tax exempt form is not provided then customer agrees to pay all applicable taxes.

5. All shipments are FOB Origin or Pre-paid and shipped to Dock. Any Special shipping requirements must be clearly stated on all PO's (i.e. inside delivery). If inside Delivery or Lift-gate is required it must be specified and additional fees will incur. Shipping charges that appear on this quote are an estimate, AMS.NET will invoice and the customer will pay the actual shipping charge when identified.

6. Upon delivery of equipment, customer agrees to open all shipments and visually inspect equipment for physical damages. All damages must be reported to AMS.NET within 24 hours of delivery.

7. Returns will be accepted at AMS.NET discretion and are subject to manufacturer returns policies as well. For returns to be approved all merchandise must be in an unopened box and the customer agrees to pay a restocking fee of 15% of the purchase price. Returns must be made within 15 Days of receipt. All shipments must have a valid RMA number from AMS.NET before returning. For RMA requests please contact our Customer Service Department at (800) 893-3660 Ext. 6111. Email RMA requests should be directed to service@ams.net. A copy of AMS.NET's full RMA policy is available for review online at www.ams.net/services/procurement-and-financing/

8. The laws of the State of California will apply to this sale.

9. The term "installation date" means the first business day on which installation of the system is complete. Minor omissions or variances in performance of the System that do not materially or adversely affect the operation of the system, shall not be deemed to have postponed the Installation Date. Seller shall use its best efforts to make timely delivery and installation. However, all stated delivery and installation dates are approximate and except as expressly provided in this agreement, Seller shall, under no circumstance, be deemed to be in default hereunder or be liable for consequential, incidental or special damages or commercial loss resulting from delays in delivery or installation.

10. Warranties. AMS warrants to Customer that it has good title to the equipment being sold to Customer under this Agreement, and the right to sell such equipment to Customer free of liens or encumbrances. AMS further warrants to Customer that the equipment being sold to Customer hereunder shall be free from defects in workmanship for a warranty period of thirty (30) days commencing on the later date the equipment is delivered to Customer or the date upon which AMS completes performance of the services to be performed under this agreement (this warranty being hereinafter referred to as an "Installation Warranty"). Except as expressly set forth in this paragraph, AMS does not make, and hereby disclaims, any and all representations or warranties, express or implied, with respect to the equipment or services being provided under this agreement, including but not limited to any implied warranties of merchantability, fitness for a particular purpose, satisfactory quality, against infringement, or arising from a course of dealing, usage or trade practice. AMS shall reasonably cooperate and assist Customer in enforcing any manufacturer warranties with respect to the equipment being sold to Customer under this Agreement. AMS hereby advises Customer, and Customer acknowledges that in the event Customer desires to procure from AMS any warranty protection beyond the warranty of title and the Installation Warranty provided under this Paragraph, Customer may do so by entering into a separate Service Agreement with AMS.

Manufacturer's warranty that is guaranteed is whatever is published by the manufacturer at the time of purchase.

Terms and Conditions

1. AMS.NET will require a Purchase Order referencing this Quote # or if a Purchase order is not provided, an authorized representative must sign this quote.

2. Payment terms are Net 30. An interest charge of 1.5% per month will be applied to all accounts past due, plus all costs of collection and reasonable attorneys fees. AMS.NET accepts all major credit cards. A convenience fee of 3.5% will be assessed. Customer agrees to accept multiple invoices for projects that cover multiple sales. In the event that a site's readiness is delayed by the customer, customer agrees to accept and pay invoices that reflect equipment and services already received.

3. Items sold by AMS.NET, Inc. and shipped to destinations in California are subject to sales tax. If an item is subject to sales tax in the state to which the order is shipped, tax is generally calculated on the total selling price of each individual item. In accordance with state tax laws, the total selling price of an order will generally include shipping and handling charges and item-level discounts. The amount of tax charged on your order will depend upon many factors including, but not limited to, the type of item(s) purchased, and the source and destination of the shipment. Factors can change between the time you place an order and the time an invoice is sent, which could affect the calculation of sales taxes. The amount appearing on your proposal as 'Estimated Sales Tax' may differ from the sales taxes ultimately charged. Shipping charges and sales tax will be added to this order when invoiced and the customer agrees to pay these charges.

4. All companies with tax exemption must present a valid Tax Exempt form. If Customer is tax exempt or if tax exempt form is not provided then customer agrees to pay all applicable taxes.

5. All shipments are FOB Origin or Pre-paid and shipped to Dock. Any Special shipping requirements must be clearly stated on all PO's (i.e. inside delivery). If inside Delivery or Lift-gate is required it must be specified and additional fees will incur. Shipping charges that appear on this quote are an estimate, AMS.NET will invoice and the customer will pay the actual shipping charge when identified.

6. Upon delivery of equipment, customer agrees to open all shipments and visually inspect equipment for physical damages. All damages must be reported to AMS.NET within 24 hours of delivery.

7. Returns will be accepted at AMS.NET discretion and are subject to manufacturer returns policies as well. For returns to be approved all merchandise must be in an unopened box and the customer agrees to pay a restocking fee of 15% of the purchase price. Returns must be made within 15 Days of receipt. All shipments must have a valid RMA number from AMS.NET before returning. For RMA requests please contact our Customer Service Department at (800) 893-3660 Ext. 6111. Email RMA requests should be directed to service@ams.net. A copy of AMS.NET's full RMA policy is available for review online at www.ams.net/services/procurement-and-financing/

8. The laws of the State of California will apply to this sale.

9. The term "installation date" means the first business day on which installation of the system is complete. Minor omissions or variances in performance of the System that do not materially or adversely affect the operation of the system, shall not be deemed to have postponed the Installation Date. Seller shall use its best efforts to make timely delivery and installation. However, all stated delivery and installation dates are approximate and except as expressly provided in this agreement, Seller shall, under no circumstance, be deemed to be in default hereunder or be liable for consequential, incidental or special damages or commercial loss resulting from delays in delivery or installation.

10. Warranties. AMS warrants to Customer that it has good title to the equipment being sold to Customer under this Agreement, and the right to sell such equipment to Customer free of liens or encumbrances. AMS further warrants to Customer that the equipment being sold to Customer hereunder shall be free from defects in workmanship for a warranty period of thirty (30) days commencing on the later date the equipment is delivered to Customer or the date upon which AMS completes performance of the services to be performed under this agreement (this warranty being hereinafter referred to as an "Installation Warranty"). Except as expressly set forth in this paragraph, AMS does not make, and hereby disclaims, any and all representations or warranties, express or implied, with respect to the equipment or services being provided under this agreement, including but not limited to any implied warranties of merchantability, fitness for a particular purpose, satisfactory quality, against infringement, or arising from a course of dealing, usage or trade practice. AMS shall reasonably cooperate and assist Customer in enforcing any manufacturer warranties with respect to the equipment being sold to Customer under this Agreement. AMS hereby advises Customer, and Customer acknowledges that in the event Customer desires to procure from AMS any warranty protection beyond the warranty of title and the Installation Warranty provided under this Paragraph, Customer may do so by entering into a separate Service Agreement with AMS.

Manufacturer's warranty that is guaranteed is whatever is published by the manufacturer at the time of purchase.

11. Cisco Cloud services purchased from AMS.NET requires customer to accept Cisco's Universal Cloud agreement located on Cisco Systems' Website. This Universal Cloud Agreement describes the rights and responsibilities related to the Cloud Service(s) you purchase from Cisco or an Approved Source and is between you and Cisco. The Universal Cloud Agreement includes the applicable Offer Description(s) located at www.cisco.com/go/cloudterms (collectively "Agreement"). By clicking 'accept,' or using the Cloud Service, you agree to the terms of this Agreement. If you do not have authority to enter into this Agreement, or if you do not agree with its terms, do not click 'accept' and do not use the Cloud Service. Terms and Conditions

1. AMS.NET will require a Purchase Order referencing this Quote # or if a Purchase order is not provided, an authorized representative must sign this quote.

2. Payment terms are Net 30. An interest charge of 1.5% per month will be applied to all accounts past due, plus all costs of collection and reasonable attorneys fees. AMS.NET accepts all major credit cards. A convenience fee of 3.5% will be assessed. Customer agrees to accept multiple invoices for projects that cover multiple sales. In the event that a site's readiness is delayed by the customer, customer agrees to accept and pay invoices that reflect equipment and services already received.

3. Items sold by AMS.NET, Inc. and shipped to destinations in California are subject to sales tax. If an item is subject to sales tax in the state to which the order is shipped, tax is generally calculated on the total selling price of each individual item. In accordance with state tax laws, the total selling price of an order will generally include shipping and handling charges and item-level discounts. The amount of tax charged on your order will depend upon many factors including, but not limited to, the type of item(s) purchased, and the source and destination of the shipment. Factors can change between the time you place an order and the time an invoice is sent, which could affect the calculation of sales taxes. The amount appearing on your proposal as 'Estimated Sales Tax' may differ from the sales taxes ultimately charged. Shipping charges and sales tax will be added to this order when invoiced and the customer agrees to pay these charges.

4. All companies with tax exemption must present a valid Tax Exempt form. If Customer is tax exempt or if tax exempt form is not provided then customer agrees to pay all applicable taxes.

5. All shipments are FOB Origin or Pre-paid and shipped to Dock. Any Special shipping requirements must be clearly stated on all PO's (i.e. inside delivery). If inside Delivery or Lift-gate is required it must be specified and additional fees will incur. Shipping charges that appear on this quote are an estimate, AMS.NET will invoice and the customer will pay the actual shipping charge when identified.

6. Upon delivery of equipment, customer agrees to open all shipments and visually inspect equipment for physical damages. All damages must be reported to AMS.NET within 24 hours of delivery.

7. Returns will be accepted at AMS.NET discretion and are subject to manufacturer returns policies as well. For returns to be approved all merchandise must be in an unopened box and the customer agrees to pay a restocking fee of 15% of the purchase price. Returns must be made within 15 Days of receipt. All shipments must have a valid RMA number from AMS.NET before returning. For RMA requests please contact our Customer Service Department at (800) 893-3660 Ext. 6111. Email RMA requests should be directed to service@ams.net. A copy of AMS.NET's full RMA policy is available for review online at www.ams.net/services/procurement-and-financing/

8. The laws of the State of California will apply to this sale.

9. The term "installation date" means the first business day on which installation of the system is complete. Minor omissions or variances in performance of the System that do not materially or adversely affect the operation of the system, shall not be deemed to have postponed the Installation Date. Seller shall use its best efforts to make timely delivery and installation. However, all stated delivery and installation dates are approximate and except as expressly provided in this agreement, Seller shall, under no circumstance, be deemed to be in default hereunder or be liable for consequential, incidental or special damages or commercial loss resulting from delays in delivery or installation.

10. Warranties. AMS warrants to Customer that it has good title to the equipment being sold to Customer under this Agreement, and the right to sell such equipment to Customer free of liens or encumbrances. AMS further warrants to Customer that the equipment being sold to Customer hereunder shall be free from defects in workmanship for a warranty period of thirty (30) days commencing on the later date the equipment is delivered to Customer or the date upon which AMS completes performance of the services to be performed under this agreement (this warranty being hereinafter referred to as an "Installation Warranty"). Except as expressly set forth in this paragraph, AMS does not make, and hereby disclaims, any and all representations or warranties, express or implied, with respect to the equipment or services being provided under this agreement, including but not limited to any implied warranties of merchantability, fitness for a particular purpose, satisfactory quality, against infringement, or arising from a course of dealing, usage or trade practice. AMS shall reasonably cooperate and assist Customer in enforcing any manufacturer warranties with respect to the equipment being sold to Customer under this Agreement. AMS hereby advises Customer, and Customer acknowledges that in the event Customer desires to procure from AMS any warranty protection beyond the warranty of title and the Installation Warranty provided under this Paragraph, Customer may do so by entering into a separate Service Agreement with AMS.

Manufacturer's warranty that is guaranteed is whatever is published by the manufacturer at the time of purchase.

11. Cisco Cloud services purchased from AMS.NET requires customer to accept Cisco's Universal Cloud agreement located on Cisco Systems' Website. This Universal Cloud Agreement describes the rights and responsibilities related to the Cloud Service(s) you purchase from Cisco or an Approved Source and is between you and Cisco. The Universal Cloud Agreement includes the applicable Offer Description(s) located at www.cisco.com/go/cloudterms (collectively "Agreement"). By clicking 'accept,' or using the Cloud Service, you agree to the terms of this Agreement. If you do not have authority to enter into this Agreement, or if you do not agree with its terms, do not click 'accept' and do not use the Cloud Service. If you determine that you cannot comply with the terms of this Agreement after you have paid for the Cloud Service, you may terminate your

Terms and Conditions

1. AMS.NET will require a Purchase Order referencing this Quote # or if a Purchase order is not provided, an authorized representative must sign this quote.

2. Payment terms are Net 30. An interest charge of 1.5% per month will be applied to all accounts past due, plus all costs of collection and reasonable attorneys fees. AMS.NET accepts all major credit cards. A convenience fee of 3.5% will be assessed. Customer agrees to accept multiple invoices for projects that cover multiple sales. In the event that a site's readiness is delayed by the customer, customer agrees to accept and pay invoices that reflect equipment and services already received.

3. Items sold by AMS.NET, Inc. and shipped to destinations in California are subject to sales tax. If an item is subject to sales tax in the state to which the order is shipped, tax is generally calculated on the total selling price of each individual item. In accordance with state tax laws, the total selling price of an order will generally include shipping and handling charges and item-level discounts. The amount of tax charged on your order will depend upon many factors including, but not limited to, the type of item(s) purchased, and the source and destination of the shipment. Factors can change between the time you place an order and the time an invoice is sent, which could affect the calculation of sales taxes. The amount appearing on your proposal as 'Estimated Sales Tax' may differ from the sales taxes ultimately charged. Shipping charges and sales tax will be added to this order when invoiced and the customer agrees to pay these charges.

4. All companies with tax exemption must present a valid Tax Exempt form. If Customer is tax exempt or if tax exempt form is not provided then customer agrees to pay all applicable taxes.

5. All shipments are FOB Origin or Pre-paid and shipped to Dock. Any Special shipping requirements must be clearly stated on all PO's (i.e. inside Delivery or Lift-gate is required it must be specified and additional fees will incur. Shipping charges that appear on this quote are an estimate, AMS.NET will invoice and the customer will pay the actual shipping charge when identified.

6. Upon delivery of equipment, customer agrees to open all shipments and visually inspect equipment for physical damages. All damages must be reported to AMS.NET within 24 hours of delivery.

7. Returns will be accepted at AMS.NET discretion and are subject to manufacturer returns policies as well. For returns to be approved all merchandise must be in an unopened box and the customer agrees to pay a restocking fee of 15% of the purchase price. Returns must be made within 15 Days of receipt. All shipments must have a valid RMA number from AMS.NET before returning. For RMA requests please contact our Customer Service Department at (800) 893-3660 Ext. 6111. Email RMA requests should be directed to service@ams.net. A copy of AMS.NET's full RMA policy is available for review online at www.ams.net/services/procurement-and-financing/

8. The laws of the State of California will apply to this sale.

9. The term "installation date" means the first business day on which installation of the system is complete. Minor omissions or variances in performance of the System that do not materially or adversely affect the operation of the system, shall not be deemed to have postponed the Installation Date. Seller shall use its best efforts to make timely delivery and installation. However, all stated delivery and installation dates are approximate and except as expressly provided in this agreement, Seller shall, under no circumstance, be deemed to be in default hereunder or be liable for consequential, incidental or special damages or commercial loss resulting from delays in delivery or installation.

10. Warranties. AMS warrants to Customer that it has good title to the equipment being sold to Customer under this Agreement, and the right to sell such equipment to Customer free of liens or encumbrances. AMS further warrants to Customer that the equipment being sold to Customer hereunder shall be free from defects in workmanship for a warranty period of thirty (30) days commencing on the later date the equipment is delivered to Customer or the date upon which AMS completes performance of the services to be performed under this agreement (this warranty being hereinafter referred to as an "Installation Warranty"). Except as expressly set forth in this paragraph, AMS does not make, and hereby disclaims, any and all representations or warranties, express or implied, with respect to the equipment or services being provided under this agreement, including but not limited to any implied warranties of merchantability, fitness for a particular purpose, satisfactory quality, against infringement, or arising from a course of dealing, usage or trade practice. AMS shall reasonably cooperate and assist Customer in enforcing any manufacturer warranties with respect to the equipment being sold to Customer under this Agreement. AMS hereby advises Customer, and Customer acknowledges that in the event Customer desires to procure from AMS any warranty protection beyond the warranty of title and the Installation Warranty provided under this Paragraph, Customer may do so by entering into a separate Service Agreement with AMS.

Manufacturer's warranty that is guaranteed is whatever is published by the manufacturer at the time of purchase.

11. Cisco Cloud services purchased from AMS.NET requires customer to accept Cisco's Universal Cloud agreement located on Cisco Systems' Website. This Universal Cloud Agreement describes the rights and responsibilities related to the Cloud Service(s) you purchase from Cisco or an Approved Source and is between you and Cisco. The Universal Cloud Agreement includes the applicable Offer Description(s) located at www.cisco.com/go/cloudterms (collectively "Agreement"). By clicking 'accept,' or using the Cloud Service, you agree to the terms of this Agreement. If you do not have authority to enter into this Agreement, or if you do not agree with its terms, do not click 'accept' and do not use the Cloud Service. If you determine that you cannot comply with the terms of this Agreement after you have paid for the Cloud Service, you may terminate your

Livermore, CA 94551

I am pleased to announce that AMS.net is a Panduit Business Partner in good standing. AMS.net has worked closely with Panduit and Ewing-Foley for over 15 years. AMS.net has an experienced team of technicians, project managers, estimators and engineers that deliver quality installations.

Maintaining Panduit Business Partner status requires that the contractor must undergo an annual evaluation. Annual evaluation includes validating an RCDD and rigorous product and solutions training. Only after annual review is a Panduit Business Partner (aka Panduit Certified Installer) eligible to offer a customer a 25 Year System Warranty.

The System Warranty is a 25-year standards-based TIA performance warranty covering components, cable and labor to repair or replace permanent link or channel as noted in the certificate and warranty guide. This warranty provides a single point-of-contact for registrations and system issues, when installation is completed by a Panduit Certified Installers. Only Panduit solutions will meet the electrical and headroom performance requirements to support the 25 Year Systems Warranty.

It is important that the network cabling system is reliable, scalable and installed properly. Through the Panduit superior product designs and the excellent installation methodology approach of AMS.net we enable customers to realize their technology initiatives now and in the future. It is without hesitation that I recommend AMS.net for your projects.

Please call me if you have any questions. Thank you for your support of Panduit solutions. We appreciate the business.

Sincerely,

Ronald J. Cauchi

About Us

AMS.NET is an innovative technology solution provider delivering business outcomes to organizations for more than 30 years. The company was established more than two decades ago to provide technical support to local school districts in California. Today, AMS.NET provides education, local government and businesses a comprehensive technology solution including design, implementation and support services.

With a consultative approach, consideration is taken to understanding technology requirements, existing equipment, industry, growth plan and budget. Leveraging proven and emerging technologies through leading manufacturers, AMS.NET's certified engineers' architect a solution that supports your initiatives and allows for future growth.

Prior to implementation, we can provide complete structured wiring services and post deployment, a host of managed services and maintenance plans to ensure your network and equipment are running at optimum performance.

Many financing options are available. With experience in the public sector around procurement vehicles, E-rate expertise and leasing options, we can make recommendations specific to your industry and technology solution.

Our extensive reference list is a tribute to our ability to successfully design, manage and implement technology solutions that support your initiatives. With more than 30 years of successfully providing technology solutions, you can be assured that we have the capability, experience and stability to be your trusted partner. And we'll be here for future needs!

Celebrating More Than **30** Years

Unique Customer Experience

AMS.NET is an innovative technology solution provider delivering business outcomes to organizations for more than 30 years. Our industry expertise, technology vision and people create a unique customer experience.

- Close customer engagement in the presales process with design, site walk, white boarding session and more
- Proven installation process including project management, skilled and experienced engineers and post installation support
- Established, trusted and proven with more than 30 years' experience, extensive reference list and specialization in your vertical
- Elite partnerships with leading manufacturer partners to obtain and provide exceptional pricing for your solutions
- Multivendor expertise with certifications and technical knowledge to support your entire technology landscape
- Long term technology partner with a consultative approach regardless of the organization size or project scope.

TURNKEY IMPLEMENTATION

With a focus on delivering business outcomes, we have a four-pronged pre-sales approach to keeping your business goals top of mind.

1. First is determining the business drivers for your organization. Are you needing to meet government mandates? Are you looking to add new programs such as BYOD or video instruction? Has there been a security breach or another event that is being addressed? A clear insight to your business drivers sets the road map for your technology solution.
2. Identifying considerations or possible concerns at the start of a project allows for planning to minimize the effects and costs of those possible barriers. Cabling, infrastructure, IT resources and budget constraints should all be identified.
3. During the planning process, specific deadlines, funding schedules, internal resources and other projects need to be considered.
4. Following the technology implementation support may be necessary. Identifying current expertise gaps or need for managed services should be evaluated.

SOLUTION APPROACH

Project Cycle

AMS.NET provides complete project management services to ensure the success of your technology implementation. We follow a 5-step project cycle that is tailored to meet the needs of your project. Each project is managed by a project manager and staffed with AMS.NET team members that are experienced in the proposed technology solution.

Throughout your engagement you will receive status updates, thorough project plans and have a project team dedicated to understanding and addressing your business needs. We provide collaborative planning and consistent updates throughout the project through communication and effective documentation. At the end of the project, you'll be provided design documentation and the ability to engage the AMS.NET technical support team for ongoing support. Your project will be structured based on the following phases and activities will be performed as required by your unique project:

- Complete Project Management Support
- Experienced, Certified and Dedicated Project Manager Assignment
- Tailored to Meet Your Project and Requirements

Brief Biography

Robert Tocci

Founder, Owner,
President

The visionary and founder of AMS.NET, Robert Tocci established AMS.NET in 1988 and remains at the helm today. Robert has more than 30 years of technology and business management experience. Although his role has somewhat changed throughout the years, Robert remains the President of AMS.NET performing R&D, setting business strategy and technical direction, managing financial resources and overseeing the overall operations.

Robert has completed extensive coursework in Computer Science and has earned advanced certifications with Cisco, HP and Novell. Throughout his career he has held up to 40 Cisco certifications in varied technologies and today draws on that technical knowledge and his years of experience as he continues to discover and architect technical solutions.

As an entrepreneur and futurist, Robert is a leader in virtual computing and was at the forefront of the IP Convergence revolution. He has established a core team made up of information-age experts as well as seasoned telecommunications professionals. Robert continually invests and increases resources to offer proven and emerging technologies that support a physical and virtual infrastructure along with business enhancing applications.

Diana Monaghan

Vice President of
Administration

Diana brings more than 31 years of experience in the telecommunication field in the areas of Administration, Human Resources and IT Management making her the perfect blend of technology and administration for her role at AMS.NET. She began her career at AMS.NET more than 18 years ago and today holds the title of Vice President of Administration managing finance, facilities, corporate administration, human resources and marketing.

One of Diana's roles at AMS.NET is to provide the highest level of professionalism in the areas of human resources and corporate administration. A major function therein is to identify legal requirements and government reporting regulations and to maintain corporate compliance in those areas. Diana is also responsible for overseeing finance and marketing including training and events. Diana continually takes human resources and management courses and maintains her membership in the Society for Human Resources Management.

Brief Biography

Joe Moomau

Vice President of
Operations

Moomau brings a diverse skill set to the AMS.NET team from business management and customer service to technical. Prior to joining AMS.NET in 1995, Moomau worked for RMC Lonestar as a Senior Quality Control Engineer. Joe began his career with AMS.NET more than 23 years ago as Customer Service Manager and since then has been promoted to Operations Manager, Director of Operations and most recently to Vice President of Operations.

Moomau has completed college coursework in Business Management and has earned and maintains several Cisco certifications including the Cisco Certified Project Manager, Cisco IP Telephony, Cisco Product Solutions and Cisco Sales Expert. He implements and oversees AMS.NET processes and procedures and manages the daily affairs in Operations and Project Management.

John Stott

Vice President of
Engineering

John has more than 26 years of technology and network experience in both network design and implementation. He holds a Bachelor of Science degree in Computer Information Systems from California State University Hayward. John continually expands his technical and engineering resources with continuing education and has achieved numerous Cisco certifications including his CNMA, and most notably, his CCIE. As AMS.NET's first Network Engineer, John should be commended for his efforts in building the skilled technical team we have today.

Tom Vasconi

Vice President of Sales

Tom brings more than 20 years of sales and management industry experience to the AMS.NET team. He holds a Bachelor's of Science Degree from California State East Bay along with manufacturer sales certifications. Tom began his career with AMS.NET in 2002 as an Account Manager and through hard work and complete dedication to his customers; he was promoted to Senior Account Manager, Public Sector Sales Manager, and Director of Sales and most recently to Vice President of Sales.

Customer testimonials attest to Tom's total commitment to AMS.NET and most importantly to the success of AMS.NET's customers. Tom's sales approach involves first a thorough discovery process to uncover the customer issues and requirements followed by a solution to address those issues. Tom also brings a partnership approach to our manufacturers. AMS.NET relies on our manufacturer partners for the latest cutting-edge technology and our partners depend on AMS.NET to provide strong implementation and support services for those technology solutions.

Current Status of FRN 0012300554

STATUS: Green

You have no delinquent bills which would restrict you from doing business with the FCC.

The Red Light Display System checks all FRNs associated with the same Taxpayer Identification Number (TIN). A green light means that there are no outstanding delinquent non-tax debts restricting business with the Commission by any FRN associated with requestor's TIN. The Red Light Display System was last updated on 01/31/2020 at 6:32 AM; it is updated once each business day at about 7 a.m., ET.

DEPARTMENT OF INDUSTRIAL RELATIONS

AMS.NET's Department of Industrial Relations

SB 854, a budget trailer bill that was signed into law on June 20, 2014, and became effective immediately, made several significant changes to laws pertaining to the administration and enforcement of prevailing wage requirements by the Department of Industrial Relations (DIR). Among other things, SB 854 established a new public works contractor registration program to replace prior Compliance Monitoring Unit (CMU) and Labor Compliance Program (LCP) requirements for bond-funded and other specified public works projects. AMS.NET is a DIR registered contractor (DIR #1000001046).

GREEN INITIATIVES

AMS.NET & Cisco Green Initiatives

Cisco and AMS.NET have green initiatives in place to conserve energy and reduce greenhouse gas emissions. From internal 'green' business practices to power conserving products and innovative technology that reduces travel and changes the way you do business, both Cisco and AMS.NET are helping customers go green.

Cisco offers EnergyWise which is an innovative power saving solution that is added to existing Cisco Catalyst switches to measure the power consumption of network infrastructure and manage that power consumption with specific policies. Along with Cisco EnergyWise, Cisco and AMS.NET offer innovative products that enable organizations to conduct business anywhere on the globe thus eliminating travel and paper intensive business processes. Cisco's products include WebEx, MeetingPlace, VPN technologies, IP phones, IP soft phones, Cisco Presence and video solutions. Cisco has also built an extensive collaborative website, Cisco's Connection Online, which provides an online solution for employees, partners and customers to conduct business.

AMS.NET is furthering this green initiative within our own business practices. AMS.NET uses WebEx and MeetingPlace for customer communications. Using the WebEx hosted solution, AMS.NET delivers informational webinars that update customers on new technology and products. MeetingPlace on-premise solution is used for its video, voice, white boarding and presentation features to hold online meetings with customers and limit travel and drive time thereby reducing carbon emissions. Our Technical Assistance Center provides support using VPN and web-based tools for monitoring and break fix, unless onsite support is needed. Remote workers also take advantage of these tools to eliminate travel time to the corporate offices. AMS.NET also has a recycling program to reuse the shipping cardboard and paper used to conduct business. All of these processes and technologies are helping not only AMS.NET go green but also its customers.

Parity Project

Project Summary

- a. Wireless - Wireless deployment with Cisco Wireless Technology. This was needed to streamline the district on one single platform and keep up with the new testing standards and BYOD Indicatives.
 - b. Cabling - Cabling across the sites to increase and update the districts cabling infrastructure. MDF / IDF Rack and Cabinet Replacement to accommodate the new equipment and UPS's being installed via this project.
 - c. Routing/ Switching - Data Network Upgrade and expansion with Cisco Switching to accommodate the demand for Power over Ethernet (PoE) to support end devices such as IP Phones, IP Speakers, IP Cameras and Access Points.
 - d. UPS - Battery Backup in every IDF/MDF.
 - e. Labor - Full Turnkey deployment from pre configuration scopes to custom wireless and VoIP configuration sets.
 - f. Projectors - New calypso projector set ups to accommodate expanded and alternate learning and teaching styles.
 - g. VoIP - District wide Cisco Unified Communications solution to replace an old outdated non IP system.
 - h. Singlewire - 3rd party application to layer onto the Cisco VoIP Platform for mass notification and security announcements.
- Speaker/ Clock – new speaker clock equipment to replace old outdated old nonfunctioning equipment.

Project Summaries *Continued*

Project Amount was 630,000 and included all schools sites as well as the District office. The project was for of structured cabling upgrades district wide to support Wireless Locations.

The project consisted of the following:

- a. Installed data locations in classrooms for WAP's and Data Projectors, Outdoor WAP's and terminated outdoor data drops in weather proof exterior boxes.
- b. Consolidated fiber LIU's from existing LC, SC, ST Trays to one LIU distribution to support LC and SC connectors. Provided new LIU panels and bulk heads and converters.
- c. Installed new 12-strand hybrid fiber cable at all school sites with pull string from MDF's to IDF's and indicated by District. Terminated existing LIU at MDF locations and migrated existing fiber terminations and new termination into one modular LIU that supported (12) modules.
- d. Installed necessary conduit, raceway for over 150 data location using Panduit surface mount raceway for interior locations and 1" EMT/flex for exterior and exposed locations as indicated by District.
- e. Provided cable management as specified and adhered to district standards as well as included all labor and material costs for complete project including project management and testing and certification of all cabling.

The "Going Digital" Project Amount was \$12,300,000.00 and encompassed 34 school sites and District Office. The Going Digital project successfully allowed the District to deploy 23,000 Panasonic MS tough books to every student. The project began in February 2014 and was completed by December 2014.

The project consisted of Wan and Core Refresh, ASR WAN Routers, ASA Firewall, Nexus Datacenter Switches, ISE, MSE, Prime, MDF/IDF Refresh and Wireless Access Points. Cisco UC Voice upgrades to complete a districtwide voice infrastructure with Call Manager, Unity and Emergency Responder to all sites. Cabling infrastructure included CAT6A drops to all 1600 access points, 10G Single-Mode Fiber to all IDF's and IDF enclosures:

Project Summaries *Continued*

- a. Data Center Core Refresh with Cisco Nexus 9508 because of its infrastructure scalability. Cisco Nexus 7000 Series switches can be segmented into virtual devices based on business need and its Operational Continuity. This allows Lossless non-disruptive upgrades for zero-service downtime through no single point of failure in the system hardware and a modular operating system.
- b. Cisco ASA 5585 Adaptive Security Appliance for Cisco VRF/Internet Firewalls. MUSD elected to deploy Four (4) ASA 5585 chassis creating an extremely redundant environment for the District.
- c. Services Layer Core Switch leveraged the existing VS-C6509E-SUP2T[2] use existing SFP and 10G blades from current switches
- d. Created a 40G architecture between the Nexus 9508 to the Nexus 9396
- e. Created a 40G architecture between the Nexus 9508 and the Catalyst 6509
- f. Deployed Cisco Prime Infrastructure 2.0 with Lifecycle Insurance
- g. Deployed Cisco Identity Services Engine with ISE Virtual Machine Licensing
- h. Remote site network upgrades included ME-3600X Switch, Nexus 9300, IDF Access Layer Catalyst 2960-X and a APC Smart-UPS
- i. Wireless infrastructure upgrades included Cisco WiSM Service Modules in the 6500 Core, total 1600 of the Cisco 3702 Wireless Access Points deployed
- j. Cisco Unified Communications Licensing for upgrades to complete a districtwide voice infrastructure with Call Manager, Unity and Emergency Responder to all sites. Cisco UC phone models used were 8961, 6945, 8945 and 9971 IP phones.

Petaluma City Schools is comprised of six elementary schools in the Petaluma City (Elementary) School District and there are two charter schools operating under the Petaluma City Schools umbrella. In the Petaluma Joint Union High School District there are two junior high schools, a community day school serving Grades 7-9, two high schools, two small alternative/continuation high schools (one at each comprehensive high school site), and a continuation high school.

Wireless project amount was \$800,000.00 and consisted of a Phase A & B approach to deploy Cisco network upgrades along with Meraki wireless upgrades across all sites in the district. The Cisco network upgrades included Cisco 4500X Core fiber switches for a 10G architecture from the core to the edge IDF with Cisco Catalyst 2960X

Project Summaries *Continued*

Switches for IDF access layer. The Meraki upgrades included adding additional Meraki MR-16 and MR-34 access points to the network to achieve an every other room wireless architecture design. Phase B of the project was to add Meraki MR34 Wireless Access Points to the two Middle schools as they prepared for a 8th Grade 1:1 program.

In November of 2015, Placerville voters passed a multi-million dollar technology bond measure to modernize the way Placerville USD students, teachers, staff, and parent use technology. Written in to the bond was significant investment in upgrading PUSD's legacy network infrastructure. AMS.NET proposed an end-to-end Cisco solution allowing for the greatest performance and future stability. AMS.NET identified unused E-Rate dollars to supplement the bond and procurement was made using both AMS.NET's CMAS and SPURR contracts. Unlike many school districts in metro areas, the semi-rural setting of PUSD limited their access to fast bandwidth from ISPs. AMS.NET utilizing Cisco's IWAN technologies delivered a software-defined WAN solution that resulted in to 60-70% offload of WAN and Internet traffic. AMS.NET also deployed one of the first multi-Gigabit wireless infrastructure in K12 by utilizing Cisco's 3850 Switching line and 3802 Wireless Access Points. In addition, AMS.NET helped fully virtualize the data center using a Cisco UCS Mini server chassis with an existing Nimble SAN, so now PUSD's has multi-Gigabit from the Cloud and from the Data Center to end-user. AMS.NET also upgraded the existing fiber plant to single-mode fiber and deployed almost 100 CAT6A ceiling drops to support an access point in classroom. Today Placerville USD is one of the most advanced digital architectures in K12, with plenty of room for growth, and all managed through Cisco's Prime network management. Placerville USD proved to their community that a strong technology partnership with AMS.NET, the best investment in your digital architectures is possible no matter what size district you are.

Name of District: Sacramento City Unified School District

Address and Phone: 5735 47th Avenue, Sacramento, CA 95824, (916) 643-9278

Contact Person: Elliot Lopez

Original contract amount: \$1,900,000.00

Contract start date: January 2012

Final completion date: March 2013

Project Amount was 1,900,000.00 and encompassed 3 - School Sites and the District Office. The project consisted of Data Center Core Refresh, ASA, UCS, MDF Refresh, Cisco Wireless Controller with Cisco Access points, Video and Video Management (VCS/TCS), Cisco Show & Share, Server Virtualization, Data Center Fiber Channel Storage Networking and Centralized Storage Virtualization.

The project consisted of the following:

- a. Data Center Core Refresh with Cisco Catalyst 6500 L2/L3 Network Core Switch. This solution allows scaling efficiency, virtualization, and centralized management in a high-performance, feature rich platform suitable for starting out small and growing as big as the district needs dictate.
- b. Server Virtualization utilizing Cisco's UCS Chassis base system allowing multiple software applications to run on a single server. This solution dramatically reduces the number of servers needed and in turn reduces the overall energy requirements of the data center saving the district money from a power and cooling perspective.
- c. Cisco Unified Communication including 375 Cisco IP Phones while leveraging Cisco's CUWL licensing model to implement all their advanced voice applications
 - 1. Cisco Unified Communications Manager
 - 2. Cisco Unified Messaging
 - 3. Cisco Emergency Responder
 - 4. Auto Attendant
 - 5. Cisco MeetingPlace Enterprise Web/Video/Audio Conferencing for Collaboration
 - 6. Cisco Presence
- d. Wireless solution consisting of redundant Cisco 5500 Series wireless controllers as well as Cisco's 3502 CleanAir Wireless Access Points giving the district a complete wireless solution that is not only scalable across the entire district, but has been specifically designed for security and reliability when multiple wireless devices are connecting at any given time.
- e. Cisco redundant ASA 5585-X Firewall updating the districts network security and will be the protective barrier keeping destructive elements out of their network and computers.

Project Summaries *Continued*

- f. Cisco TelePresence Solution giving the district best-of-breed high-definition video teleconferencing capabilities. Telepresence along with Cisco's Digital Media Suite and Show & Share give the district the ability to stream and store video content throughout the district allowing video collaboration, the districts own internal video content and give the ability to connect teachers, staff and parents inside and outside of the district.
- g. AMS.NET Professional Services for Implementation, Administrative and End User Training.

SRCS has two primary Data Centers. Each Data Center serves as an internet egress and houses on-premise resources. The current setup lacked WAN and ISP redundancy, lacked storage resources, and did not have an active backup solution. AMS.NET designed a redundant active-active Core solution using Cisco 6800 that support full redundancy for the WAN and ISP. To upgrade their internet throughput, AMS.NET upgraded SRCS's firewalls to

Cisco Meraki MX450s and replaced their content filtering with Cisco Umbrella. We also consolidated their Cisco UCS and VMware resources to one Data Center location and equipped the other Data Center location for backup using Cisco UCS and Veeam. AMS.NET also upgraded SRCS's storage to all-flash using Pure Storage. This worked required one of AMS.NET CCIE Engineers for the Core and Security and our Data Center Team for the data center consolidation and backup solution deployment. All of this was accomplished during the summer break window.

Tracy Unified School District is comprised of three comprehensive high schools, two alternative education high schools, one community school, two middle schools, four K-8 schools and nine K-5 elementary schools and they currently serve over 17,000 students across 19 sites. Project amount was \$1,100,000.00 and consisted of Cisco WLAN Network upgrades for controllers and 560 each Cisco 3702 802.11ac access points for all sites. Next we deployed WAN switches for traffic shaping and management. Internet and Firewall upgrades were also completed. The project began in August 2013 and was completed by April 2014.

- a. The project consisted of Cisco 5508 Series Wireless Controllers deployed to manage 560 AP's located across 19 sites
- b. Combination of internal and external Cisco 3702 access points were deployed to upgrade existing legacy 802.11 a,b,g,n AP's
- c. AMS cabling services provided AP Installation of new WAP at new and existing AP locations
- d. AMS Professional services provided to configure, and test lightweight access points
- e. Cisco ME3600X Ethernet Access Switches deployed for WAN traffic shaping and security management
- f. Redundant Cisco ASA 5585-X Firewalls deployed with an AnyConnect Essentials VPN License, Application Visibility Control and a Cisco ME3600X Metro Switch

CENIC, whom empowers nearly all K12, community colleges, public libraries, UCs & CSUs released an open specification E-Rate Category 1 bid 100GB optical solution to upgrade their K12 High Speed Network (K12HSN) backbone. AMS.NET partnered with Cisco to design a 100GB solution using Cisco's NCS2K solution. This design after significant review with CENIC engineers was awarded to AMS.NET and Cisco. The project officially kicked off in July 2016 and is ongoing and all of the CENIC nodes on the K12HSN are upgraded. CENIC continues to be an international model for how the public sector and education can create a network that unlocks the world of possibilities thanks to AMS.NET.

The K12 High Speed Network (K12HSN) enabled by CENIC, is hosted by the Imperial County Office of Education. The State of California Legislator approved the Broadband Improvement Initiative Grants (BIIG) to help rural and bandwidth under-served K12 districts connect to K12HSN. AMS.NET was selected by K12HSN as the exclusive vendor for the BIIG 2 project. With over 400+ school sites, AMS.NET has assisted K12HSN and their partners in enabling high-speed WAN and Internet connections all over the state. With the sheer amount of sites needing connections, the many K12HSN partners, and tight timetables, AMS.NET stepped up to the plate without unique approach to project management. While the project is ongoing, AMS.NET has create a robust communications and project management system to ensure that circuits and hardware are seamless in their delivery. For this project, AMS.NET has worked primarily with Cisco and TrippLite and complimented with partnerships with HPE and Palo Alto Networks.

Subject: Follow up questions on the Phase 5 RFPs

Hi Thomas,

We've reviewed your submitted proposals and have the following questions where we need your input.

#RCSD-P5IT

1. Regarding equipment storage that was requested in the RFP. We are assuming because storage fees were not called out in the proposal, that it is included in the bid price.
2. Please confirm that configuration of Call Manager to add the Cisco phones is included.

#RCSD-P5CBL

1. There are three different colors listed (Fog White, Ivory, White) for the Wiremold raceway. Will this be standardized with one color?
2. Referencing Quote #Q-000455508
 - a. The indoor IDF cabinet on Line Item #4 – Please confirm the depth of this cabinet and if the mounting rails are square hole.
 - b. Line Item #96 (and the like) – The note about existing pathways is not clear. Please confirm that indicated new pathways shown on the drawings provided in the RFP is included in your pricing. Does this also mean that you will be installing cabling in-wall where feasible without additional charge?
3. Is the removal of the projector and projector screens included in the labor of the bid?

#RCSD-P5AV

1. Regarding equipment storage that was requested in the RFP. We are assuming because storage fees were not called out in the proposal, that it is included in the bid price.
2. Please confirm that the warranty on the Samsung 82" TVs is for 5 years.
3. We reviewed the Extron sound bar and need confirmation of how the audio connects to the TV. We weren't positive if it is connected via the 3.5mm mini audio jack or another type of connection.

We are planning to complete the bid scoring on Tuesday, so please respond with your answers by COB Monday.

Thank you,
Derek

Subject: AMS.NET Follow up questions on the Phase 5 RFPs

Derek,

Thank you again for reaching out. Here are the answers to the questions and please don't hesitate if there are more question.

#RCSD-P5IT

1. Regarding equipment storage that was requested in the RFP. We are assuming because storage fees were not called out in the proposal, that it is included in the bid price.
 - Yes this is included in the response price
2. Please confirm that configuration of Call Manager to add the Cisco phones is included.
 - Yes this is included in the response price.

#RCSD-P5CBL

1. There are three different colors listed (Fog White, Ivory, White) for the Wiremold raceway. Will this be standardized with one color?
 - Raceway color will be determined prior to ordering and installation based on customers desire or current environment.
2. Referencing Quote #Q-000455508
 1. The indoor IDF cabinet on Line Item #4 – Please confirm the depth of this cabinet and if the mounting rails are square hole.
 - a. Square hole rails will be ordered as per the district request
 2. Line Item #96 (and the like) – The note about existing pathways is not clear. Please confirm that indicated new pathways shown on the drawings provided in the RFP is included in your pricing. Does this also mean that you will be installing cabling in-wall where feasible without additional charge?
 - a. AMS.NET has accounted for new raceway pathways for the locations identified on the provided drawings. If possible cabling will be installed in-wall, if conditions allow without additional charge
3. Is the removal of the projector and projector screens included in the labor of the bid?
 - Yes this is included in the response price.

#RCSD-P5AV

1. Regarding equipment storage that was requested in the RFP. We are assuming because storage fees were not called out in the proposal, that it is included in the bid price.
 - Yes this is included in the response price
2. Please confirm that the warranty on the Samsung 82" TVs is for 5 years.
 - Yes the Samsung TV's come with 3 Year warranty and AMS.NET as included an additional 2 years of coverage (P-LM-252X46D item on quotes)
3. We reviewed the Extron sound bar and need confirmation of how the audio connects to the TV. We weren't positive if it is connected via the 3.5mm mini audio jack or another type of connection.
 - That is correct it will connect via 3.5mm mini audio jack

We are planning to complete the bid scoring on Tuesday, so please respond with your answers by COB Monday.

PROFESSIONAL SERVICES AGREEMENT

Project: #RCSD-P5CBL

AGREEMENT BETWEEN RAVENSWOOD CITY SCHOOL DISTRICT AND [VENDOR]

This Vendor Contract ("Agreement" or "Contract") is made as of the date in the year **2020**, between the **Ravenswood City School District** ("District") and **[VENDOR]**. ("Vendor"). The District and Vendor may be individually referred to herein as a "Party" or collectively referred to herein as the "Parties."

RECITALS

WHEREAS, absent an exception or exclusion, competitive solicitation is required when contracting for Goods and Services in excess of the State bid limit, adjusted annually for inflation;

WHEREAS, the District is authorized to contract with and employ any persons for the furnishing of special and professional services and advice if those persons are specially trained and experienced and competent to perform the services required;

WHEREAS, the District is in need of PROJECT and the Vendor warrants that it is specially trained, licensed and experienced and competent to perform the services required by the District;

WHEREAS, the Vendor agrees to perform the services described in this Agreement in accordance with the standards of its profession, to District's satisfaction, and in accordance with this Agreement.

NOW, THEREFORE, the Parties agree as follows:

- 1. Availability of funds and budget and fiscal provision and termination in the event of non-appropriation.**
 - 1.1. This Agreement is subject to the budget and fiscal policies, regulations, and practices of the District.
 - 1.2. The amount of the District's obligation hereunder shall not at any time exceed the amount herein stated.
 - 1.3. The District has no obligation to renew this Agreement after expiration of its term. If funds are appropriated for a portion of a fiscal year, this Agreement will terminate, without penalty, at the end of the term for which funds are appropriated.
 - 1.4. This section controls against any and all other provisions of this Agreement.
- 2. Services.** Vendor shall furnish to the District the following services, as more fully described in **Exhibit "A,"** attached hereto and incorporated herein by this reference ("Services" or "Work"): **"Statement of Work for PROJECT" dated DATE.**
- 3. Term.** Vendor shall commence providing Services under this Agreement on **DATE**, and will diligently perform as required or requested by District as applicable. The term for these Services shall expire on **DATE**. This Agreement may be extended upon mutual approval of both Parties in writing on an annual basis to the extent permissible under applicable law.
- 4. Services Vendor Agrees To Perform.** See **"Exhibit A – "Statement of Work for PROJECT" dated DATE**
- 5. Submittal of Documents.** The Vendor shall not commence the Work under this Agreement until the Vendor has submitted and the District has approved the certificate(s) and affidavit(s), and the endorsement(s) of insurance required as indicated below:

_____ Signed Agreement (including Exhibits) _____ Debarment Certification
 _____ Insurance Certificates & Endorsements _____ Fingerprinting/Criminal Background
 _____ W-9Form _____ Roofing Certification
 _____ Workers' Compensation Certificate _____ Other: _____

6. **Compensation.** District agrees to pay the Vendor for Services satisfactorily rendered pursuant to this Agreement, at the rates indicated and as more specifically described in **Exhibit "A"** on an hourly basis and a per-item basis, as applicable, and up to a **maximum amount not-to-exceed [Amount] \$X** ("Contract Price" – exclusive of optional services described in the proposal). District shall pay Vendor only for all undisputed amounts in installment payments within thirty (30) days after the Vendor submits an invoice to the District for Work actually completed and after the District's written approval of the Work, or the portion of the Work for which payment is to be made.
7. **Project Delivery Schedule of Work.** Vendor acknowledges and agrees time is of the essence and failure of Vendor to perform work on time as specified in this Agreement is a material breach of this Agreement. Vendor shall perform the work diligently as described in **Exhibit "A"** in accordance with the "Schedule of Work" set forth herein, and shall commence work upon receipt of any applicable Notice to Proceed ("NTP") from District.
- 7.1. Schedule of Work: **Work to commence DATE and conclude DATE.**
- | ACTIVITY | ESTIMATED DURATION | ANTICIPATED START DATE
(SUBJECT TO CHANGE) |
|----------|--------------------|---|
| | | |
- 7.2 The Parties acknowledge and agree that the Schedule of Work is based on estimated days of duration and anticipated start dates, which are subject to change, including without limitation any milestone schedules which may be revised to accommodate the actual NTP date.
- 7.3 The final project schedule shall be mutually confirmed and agreed to by the Vendor and the District within 14 calendar days of the Notice to Proceed of the work. Revisions to the Project Schedule shall only be made in writing and with the approval of the District.
8. **Expenses.** District shall not be liable to Vendor for any costs or expenses paid or incurred by Vendor in performing the Work. Expenses will not be charged on this Work above the maximum not-to-exceed amount of the Contract Price. Rates for expenses are included on the Schedule of Fees and Charges attached hereto as **Exhibit "A"**.
9. **Materials.** Vendor shall furnish, at his/her own expense, all labor, materials, equipment, supplies and other items necessary to complete the services to be provided pursuant to this Agreement.
10. **Independent Contractor.** Vendor, in the performance of this Agreement, shall be and act as an independent contractor. Vendor understands and agrees that he/she and all of his/her employees shall not be considered officers, employees, agents, partner, or joint venture of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Worker's Compensation. Vendor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Vendor's employees.
11. **Standard of Care.**
- 11.1. Vendor represents that Vendor has the qualifications and ability to perform the Services in a professional manner, without the advice, control or supervision of District. Vendor's Services will

be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of its profession for services to California school districts. Vendor's Services will be performed with due care and in accordance with applicable law, code, rule, regulation, and/or ordinance.

- 11.2. Vendor hereby represents that it possesses the necessary professional capabilities, qualifications, licenses, skilled personnel, experience, expertise, and financial resources, and it has available and will provide the necessary equipment, materials, tools, and facilities to perform the Services in an efficient, professional, and timely manner in accordance with the terms and conditions of the Agreement.
- 11.3. Vendor shall be responsible for the professional quality, technical accuracy, completeness, and coordination of the Services, and Vendor understands that the District relies upon such professional quality, accuracy, completeness, and coordination by Vendor in performing the Services.
- 11.4. Vendor shall ensure that any individual performing work under the Agreement requiring a California license shall possess the appropriate license required by the State of California. All personnel shall have sufficient skill and experience to perform the work assigned to them.

12. **Originality of Services.** Vendor agrees that all technologies, formulae, procedures, processes, methods, writings, ideas, dialogue, compositions, recordings, teleplays and video productions prepared for, written for, or submitted to the District and/or used in connection with this Agreement, shall be wholly original to Vendor and shall not be copied in whole or in part from any other source, except that submitted to Vendor by District as a basis for such services.

13. **Copyright/Trademark/Patent.** Vendor understands and agrees that all matters produced under this Agreement shall become the property of District and cannot be used without District's express written permission. District shall have all right, title and interest in said matters, including the right to secure and maintain the copyright, trademark and/or patent of said matter in the name of the District. Vendor consents to use of Vendor's name in conjunction with the sale, use, performance and distribution of the matters, for any purpose and in any medium.

14. **Termination.**

14.1. **Without Cause by District.** District may, at any time, with or without reason, terminate this Agreement and compensate Vendor only for services satisfactorily rendered and equipment delivered and encumbered to the date of termination. Written notice by District shall be sufficient to stop further performance of services by Vendor. Notice shall be deemed given when received by the Vendor or no later than three days after the day of mailing, whichever is sooner.

14.2. **With Cause by District.** District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include:

14.2.1. material violation of this Agreement by the Vendor; or

14.2.2. any act by Vendor exposing the District to liability to others for personal injury or property damage; or

14.2.3. Vendor is adjudged a bankrupt, Vendor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Vendor's insolvency.

Written notice by District shall contain the reasons for such intention to terminate and, unless within three (3) calendar days after that notice the condition or violation shall cease or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the three (3) calendar days cease and terminate. In the event of this termination, the District may secure the required Services from another Vendor. If the expense, fees, and/or costs to the District exceeds the cost of providing the Services pursuant to this Agreement, the Vendor shall immediately pay the excess expense, fees, and/or costs to the District upon the receipt of the District's notice of these expense, fees, and/or costs. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District.

14.3. Upon termination, Vendor shall provide the District with all documents produced maintained or

collected by Vendor pursuant to this Agreement, whether or not such documents are final or draft documents.

15. Indemnification

To the furthest extent permitted by California law, Vendor shall defend, indemnify, and hold free and harmless the District, its agents, representatives, officers, Vendors, employees, trustees, and volunteers ("the indemnified parties") from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity, including without limitation the payment of all consequential damages ("Claim"), arising out of, pertaining to or relating to, in whole or in part, the negligence, recklessness, errors or omissions, or willful misconduct of Vendor, its officials, officers, employees, subcontractors, Vendors, or agents directly or indirectly arising out of, connected with, or resulting from the performance of the Services or from any activity, work, or thing done, permitted, or suffered by the Vendor in conjunction with this Agreement. The District shall have the right to accept or reject any legal representation that Vendor proposes to defend the indemnified parties.

16. Insurance.

16.1. The Vendor shall procure and maintain at all times it performs any portion of the Services the following insurance with minimum limits equal to the amount indicated below.

16.1.1. **Commercial General Liability and Automobile Liability Insurance.** Commercial General Liability Insurance and Any Auto Automobile Liability Insurance that insure against all claims of bodily injury, property damage, personal injury, death, advertising injury, and medical payments arising from Vendor's performance of any portion of the Services. (Form CG 0001 and CA 0001)

16.1.2. **Workers' Compensation and Employers' Liability Insurance.** Workers' Compensation Insurance and Employers' Liability Insurance for all of its employees performing any portion of the Services. In accordance with provisions of section 3700 of the California Labor Code, the Vendor shall be required to secure workers' compensation coverage for its employees. If any class of employee or employees engaged in performing any portion of the Services under this Agreement are not protected under the Workers' Compensation Statute, adequate insurance coverage for the protection of any employee(s) not otherwise protected must be obtained before any of those employee(s) commence performing any portion of the Services.

16.1.3. **Professional Liability (Errors and Omissions).** Professional Liability (Errors and Omissions) Insurance as appropriate to the Vendor's profession. -

Type of Coverage	Minimum Requirement
Commercial General Liability Insurance , including Bodily Injury, Personal Injury, Property Damage, Advertising Injury, and Medical Payments	
Each Occurrence	\$ 1,000,000
General Aggregate	\$ 2,000,000
Automobile Liability Insurance - Any Auto	
Each Occurrence	\$ 1,000,000
General Aggregate	\$ 2,000,000
Professional Liability	\$ 2,000,000
Workers Compensation	Statutory Limits
Employer's Liability	\$ 1,000,000

16.2. **Proof of Carriage of Insurance.** The Vendor shall not commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverage's have been delivered in duplicate to the District and approved by the District. Certificates and insurance policies shall include the following:

16.2.1. A clause stating: "This policy shall not be canceled or reduced in required limits of liability or amounts of insurance until notice has been mailed to the District, stating date of cancellation or reduction. Date of cancellation or reduction shall not be less than thirty (30) days after date of mailing notice."

- 16.2.2. Language stating in particular those insured, extent of insurance, location and operation to which insurance applies, expiration date, to whom cancellation and reduction notice will be sent, and length of notice period.
- 16.2.3. An endorsement stating that the District and the State and their representatives, employees, trustees, officers, and volunteers are named additional insureds under all policies except Workers' Compensation Insurance, Professional Liability, and Employers' Liability Insurance. An endorsement shall also state that Vendor's insurance policies shall be primary to any insurance or self-insurance maintained by District.
- 16.2.4. All policies shall be written on an occurrence form, except for Professional Liability which shall be on a claims-made form.
- 16.3. **Acceptability of Insurers.** Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the District.
17. **Payment Does Not Imply Acceptance of Work.** No payment shall in any way lessen the liability of Vendor to remedy or replace unsatisfactory work, service, products, equipment, or materials, if the unsatisfactory character of such work, service, products, equipment or materials was not detected at the time of payment. Service, products, materials, equipment, components, or workmanship that do not conform to the requirements of this Contract may be rejected by the District and in such case must be remedied or replaced by Vendor without delay at no additional cost to the District. Nothing in this Section shall preclude, limit, or waive any other remedy or remedies available to the District.
18. **Assignment.** The obligations of the Vendor pursuant to this Agreement shall not be assigned by the Vendor.
19. **Compliance with Laws.** Vendor shall observe and comply with all rules and regulations of the governing board of the District and all federal, state, and local laws, ordinances and regulations. Vendor shall give all notices required by any law, ordinance, rule and regulation bearing on conduct of the Work as indicated or specified. If Vendor observes that any of the Work required by this Contract is at variance with any such laws, ordinance, rules or regulations, Vendor shall notify the District, in writing, and, at the sole option of the District, any necessary changes to the scope of the Work shall be made and this Contract shall be appropriately amended in writing, or this Contract shall be terminated effective upon Vendor's receipt of a written termination notice from the District. If Vendor performs any work that is in violation of any laws, ordinances, rules or regulations, without first notifying the District of the violation, Vendor shall bear all costs arising therefrom.
20. **Labor Code Requirements.** Vendor and its subcontractors shall comply with all applicable provisions of the California Labor Code sections 1720-1861, without limitation, the payment of the general prevailing per diem wage rates for public work projects (including repairs and maintenance, where applicable) of more than one thousand dollars (\$1,000). Copies of the prevailing rate of per diem wages are on file with the District/COE. In addition, the Vendor and each subcontractor shall comply with Sections 1735, 1777.5 and 1777.6, forbidding discrimination, and Sections 1776, 1777.5 and 1777.6 concerning the employment of apprentices by Vendor or subcontractors. Willful failure to comply may result in penalties, including loss of the right to bid on or receive public works contracts. **Registration:** As applicable, Vendor and its subcontractors shall comply with the registration and qualification requirements pursuant to sections 1725.5 and 1771.1 of the California Labor Code. **Certified Payroll Records:** Vendor and its subcontractor(s) shall keep accurate certified payroll records of employees, as applicable, and shall make them available to the District/COE immediately upon request.
21. **Permits/Licenses.** Vendor and all Vendor's employees or agents shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of services pursuant to this

agreement.

22. **Suspension and Debarment Certification.** A Vendor for any contract of one hundred thousand dollars (\$100,000) or more for goods/services must complete and submit to District a Suspension and Debarment Certification. This Certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 7 CFR Part 3017, section 3017.510, Participants responsibilities. The regulations were published as Part IV of the January 30, 1989, Federal Register (pages 4722-4733). Vendor shall submit with the Contract a completed Suspension and Debarment Certification attached hereto as Exhibit "C."
23. **Safety and Security.** Vendor is responsible for maintaining safety in the performance of this Agreement. Vendor shall be responsible to ascertain from the District the rules and regulations pertaining to safety, security, and driving on school grounds, particularly when children are present.
24. **Employment with Public Agency.** Vendor, if an employee of another public agency, agrees that Vendor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which services are actually being performed pursuant to this Agreement.
25. **Anti-Discrimination; Compliance with Americans with Disabilities.**
- 25.1. It is the policy of the District that in connection with all work performed under Contracts there be no discrimination against any employee engaged in the work because of race, religious creed, color, national origin, ancestry, AIDS/ARC/HIV status, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status and therefore the Vendor agrees to comply with applicable Federal and California laws including, but not limited to the California Fair Employment and Housing Act beginning with Government Code Section 12900 and Labor Code Section 1735. In addition, the Vendor agrees to require like compliance by all its subcontractor(s).
- 25.2. Vendor acknowledges that, pursuant to the Americans Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a Vendor, must be accessible to the disabled public. Vendor shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Vendor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Contract and further agree that any violation of this prohibition on the part of Vendor, its employees, agents or assigns will constitute a material breach of this Contract.
26. **Fingerprinting of Employees.** The Vendor shall comply with the provisions of Education Code section 45125.1 regarding the submission of employee fingerprints to the California Department of Justice and the completion of criminal background investigations of its employees. The Vendor shall not permit any employee to have any contact with District pupils until such time as the Vendor has verified in writing to the governing board of the District that the employee has not been convicted of a felony, as defined in Education Code section 45122.1. The Vendor's responsibility shall extend to all employees, subcontractors, agents, and employees or agents of subcontractors regardless of whether those individuals are paid or unpaid, concurrently employed by the District, or acting as independent contractors of the Vendor. Verification of compliance with this section shall be provided in writing to the District prior to each individual's commencement of employment or performing any portion of the Services and prior to permitting contact with any student.

27. **Audit.** Vendor shall establish and maintain books, records, and systems of account, in accordance with generally accepted accounting principles, reflecting all business operations of Vendor transacted under this Agreement. Vendor shall retain these books, records, and systems of account during the Term of this Agreement and for three (3) years thereafter. Vendor shall permit the District, its agent, other representatives, or an independent auditor to audit, examine, and make excerpts, copies, and transcripts from all books and records, and to make audit(s) of all billing statements, invoices, records, and other data related to the Services covered by this Agreement. Audit(s) may be performed at any time, provided that the District shall give reasonable prior notice to Vendor and shall conduct audit(s) during Vendor's normal business hours, unless Vendor otherwise consents.
28. **District's Evaluation of Vendor and Vendor's Employees and/or Subcontractors.** The District may evaluate the Vendor in any manner which is permissible under the law. The District's evaluation may include, without limitation:
- 28.1. Requesting that District employee(s) evaluate the Vendor and the Vendor's employees and subcontractors and each of their performance.
 - 28.2. Announced and unannounced observance of Vendor, Vendor's employee(s), and/or subcontractor(s).
29. **Conflict of Interest.**
- 29.1. Vendor shall not make, participate in making, or in any way attempt to use his or her position, to influence a contract on behalf of the District when he or she knows, or has reason to know, that he or she has a personal financial interest in that contract.
 - 29.2. Vendor and its agents, subcontractors and Vendors ("Vendor Entities") may be required to disclose economic interests that they hold that could foreseeably be affected by the exercise of their public duties. If applicable, Vendor and Vendor Entities must submit a Statement of Economic Interests ("Form 700") as required by Cal. Govt. Code §§ 81000-91015; and RCSD Board Rules and Procedures 9270, "Conflict of Interest Code")
 - 29.2.1. Vendor and Vendor Entities shall determine whether its participation in a contract may constitute a conflict of interest. Vendor shall notify the District immediately if it determines or obtains information that a potential conflict of interest exists.
 - 29.3. **Additional Disclosure Requirement.** Vendor shall provide District the name of any employee of Vendor that is also a current or former member of the District's Governing Board or a District employee. Vendor shall submit the attached "Vendor's Disclosure Form Regarding RCSD Officials" attached hereto as Exhibit "C". Vendor shall update this form, as necessary, during the Term of this Contract.
 - 29.4. **Compliance with Gift Limits.** Vendor shall abide by applicable legal restrictions relating to offering gifts, meals or entertainment or other business courtesies to District officials. Vendor and Vendor Entities shall not:
 - 29.4.1. Offer, give, or promise to offer or give, directly or indirectly, any money, gift or gratuity to any District contracting or procurement official at any time.

29.4.2. Offer or give, directly or indirectly, any gifts in a calendar year to a District official which exceed the allowable gift limit. (See e.g. Cal. Govt. Code 89503; 2 CCR 18940.2. See also www.fooc.ca.gov)

29.5. **Employment Negotiations.** Prior to engaging in employment negotiations with a District employee (e.g. a job interview or discussion of a job offer), Vendor shall notify that District employee's supervisor of Vendor's interest in hiring said employee, so that, if applicable, and if practicable, a full separation may be established between the public employee and any governmental decisions regarding that Vendor.

29.6. **Vendor Certification.** In signing this Agreement, Vendor certifies that it will comply with conflict of interest laws and regulations, and RCSD Board Policies. Vendor acknowledges that it is familiar with these provisions; certifies that it does not know of any facts that constitute a violation of such provisions; and agrees to promptly notify the District if it becomes aware of any such facts during the term of this Agreement.

30. **Submitting False Claims; Monetary Penalties.** Pursuant to Government Code §12650 et. seq., any person, including a contractor, subcontractor or a Vendor, who submits a false claim, shall be liable to the District for three times the amount of damages which the District sustains because of the false claim. A person who commits a false claim act shall also be liable to the District for the costs of a civil action brought to recover any of those penalties or damages, and may be liable to the District for a civil penalty.

31. **Limitation of District Liability.** Other than as provided in this Agreement, District's financial obligations under this Agreement shall be limited to the payment of the compensation provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event, shall District be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits or revenue, arising out of or in connection with this Agreement for the services performed in connection with this Agreement.

32. **Disputes:** In the event of a dispute between the parties as to performance of Work, Agreement interpretation, or payment, the Parties shall attempt to resolve the dispute by negotiation and/or mediation, if agreed to by the Parties. Pending resolution of the dispute, Vendor shall neither rescind the Agreement nor stop Work.

33. **Confidentiality.** In connection with this Agreement, the Vendor may have access to private or confidential information which may be owned or controlled by the District and that such information may contain proprietary details, the disclosure of which to third parties will be damaging to the District, its employees or students. Vendor also understands and agrees that the disclosure of such information may violate state and/or federal law and may subject the Vendor to civil liability. Consequently, Vendor agrees that all information disclosed by the District to the Vendor shall be held in strict confidence and used only in performance of the Agreement, unless disclosure is required by law or court order. Vendor shall exercise the same standard of care to protect such information as is used to protect its own proprietary data. Vendor shall comply at all times, as applicable, with the requirements of the Family Educational Records Privacy Act ("FERPA") and relevant state law regarding the confidentiality and handling of confidential student information, including but not limited to California Education Code sections 49073 and sequential. Vendor shall only access personally identifiable student information pursuant to parent consent, legitimate educational interest pursuant to the performance of this Contract, and/or other applicable provisions federal and state law allowing access to personally identifiable student information. Vendor shall not re-disclose personally identifiable student information unless pursuant to federal and state law. Contactor shall not use such student information or data for any purpose other than the District's purposes as specified in this Agreement. The Vendor and all Vendor's agents, personnel, employee(s), and/or sub Vendor(s) shall maintain the confidentiality of all information received in the course of performing the Services. This requirement to maintain confidentiality shall extend beyond the termination of this Agreement. Failure to comply with this Section may constitute a material breach if so deemed by the District.

34. **Notice.** Any notice required or permitted to be given under this Agreement shall be deemed to have been given, served, and received if given in writing and either personally delivered or deposited in the United States mail, registered or certified mail, postage prepaid, return receipt required, or sent by overnight delivery

service, or facsimile transmission, addressed as follows:

Any notice personally given or sent by facsimile transmission shall be effective upon receipt. Any notice sent by overnight delivery service shall be effective the business day next following delivery thereof to the overnight delivery service. Any notice given by mail shall be effective three (3) days after deposit in the United States mail.

35. **Integration/Entire Agreement of Parties.** This Agreement constitutes the entire agreement between the Parties and supersedes all prior discussions, negotiations, and agreements, whether oral or written. This Agreement may be amended or modified only by a written instrument executed by both Parties.
36. **California Law.** This Agreement shall be governed by and the rights, duties and obligations of the Parties shall be determined and enforced in accordance with the laws of the State of California. The Parties further agree that any action or proceeding brought to enforce the terms and conditions of this Agreement shall be maintained in the California County in which the District's administration offices are located.
37. **Waiver.** The waiver by either party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.
38. **Severability.** If any term, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force and effect, and shall not be affected, impaired or invalidated in any way.
39. **Section Headings.** The section headings contained herein are for convenience in reference and are not intended to define the scope of any provision of this Agreement.
40. **Incorporation of Recitals and Exhibits.** The Recitals, each exhibit and certificate attached hereto are hereby incorporated herein by reference.

IN WITNESS WHEREOF the parties hereto have executed this Agreement the year and date first above written.
