Proposal 19-260-D

To: Sylvan Union School District  
Attn: Sean Smith

Subject: Woodrow Elem. Emergency sewer line replacement.

We are pleased to submit our quotation for the above referenced project pursuant to site walk: Replace approx. 130 LF of 6" sanitary sewer line at an existing depth of 7' – 9'. Existing sewer line has a large "low spot" and large boulders down stream of low spot. Includes excavation, backfill and shoring. Make point of connection at curb next to portable and down steam at sewer main which continues to street. New sewer line to be SR-35 pipe and fittings. Install new 2 way clean out to grade at lawn area next to portable. Includes payment bond as requested.

**Our Price: \$51,184.00**

**Work Excluded:**

1. Bonds, fees or permits, overtime and/or premium time, unless noted above.
2. Carpentry, framing, wood blocking, sheet rock, patching or painting of any kind.
3. Inspection fees and or certifications, third party or otherwise.
4. Any and all electrical work
5. Camera or video recording of sewer lines post install.
6. Any repairs of unforeseen utilities.
7. Landscape repairs.

We hope the above proves satisfactory and that we may be of service to you.

Respectfully,

*Daniel Solis*
