Completing the facilitation of a one time restorative conference as part of a mediated settlement from Special Services. Due to the litigious nature of the settlement continued use of the same private consultant is crucial to maintain trust of participants.		Restorative conferences are important in mediated settlements to encourage the parties to collaborate for a resolution. Due to the COVID 19 Shelter in Place, we could not hold the final circle. This scenario was determined to be too delicate to hold via Zoom.		Evaluation of services based on legal settlement by parties involved in formal restorative conference. Goal: 100% conflict resolved by participant survey.
