*Guidelines as defined by State of California and Sacramento County Public Health Department

What We Know

- Distance Learning will be offered under all health conditions
- Applying experience and parent, student, and teacher feedback to improve Distance Learning
- Current EGUSD options:
 - Elk Grove Virtual Academy (EGVA)
 - Las Flores Independent Study
- Option in development:
 - Distance Learning through school of attendance

Still To Be Determined

- Based upon health guidelines and Board direction:
 - Hybrid
 - Combination of in-person and Distance Learning
 - COVID-19 mitigation practices in place
 - Traditional
 - All students able to return to school
 - COVID-19 mitigation practices in place

Considerations for Traditional & Hybrid Models

- Importance of appropriate mitigation practices, i.e., masks, other PPE, physical barriers, etc.
- Impact of larger numbers of people in close proximity
- Risk of exposure and level of complexity of contact tracing
- Importance of in-person student and teacher contact
- Significance of in-person student social interactions
- Increased opportunities for parent and family engagement
