

**Berkeley Unified School District**

**Measure G Planning and Implementation  
Longfellow Middle School**

July 1, 2020

John Calise - Executive Director, Facilities Division

# Proposed Projects for Longfellow Middle School

---

- Based on the feedback received during the Facilities Master Planning process, the following are projects that the community has requested
  - New multi-sport turf field with improved drainage
  - New fencing and concrete retaining wall similar to BHS
  - New gates
  - Auditorium Modernization
  - Garden Update with Outdoor Learning Environment
  - New Digital Marquee on Derby Street
    - Note: The digital marquee to be further vetted with the new Administration and the LFMS community as this was a request from previous administration only

# Multi-Sport Turf Field

- **Variety of sports in a small place**
- **Delineated running track**
- **Updated hard courts**

# New Fencing with Concrete Retaining Walls

---

- New concrete retaining wall installed around the perimeter of the yard
- Wrought iron fencing in place of chain link

# Refreshed Auditorium with Updated A/V

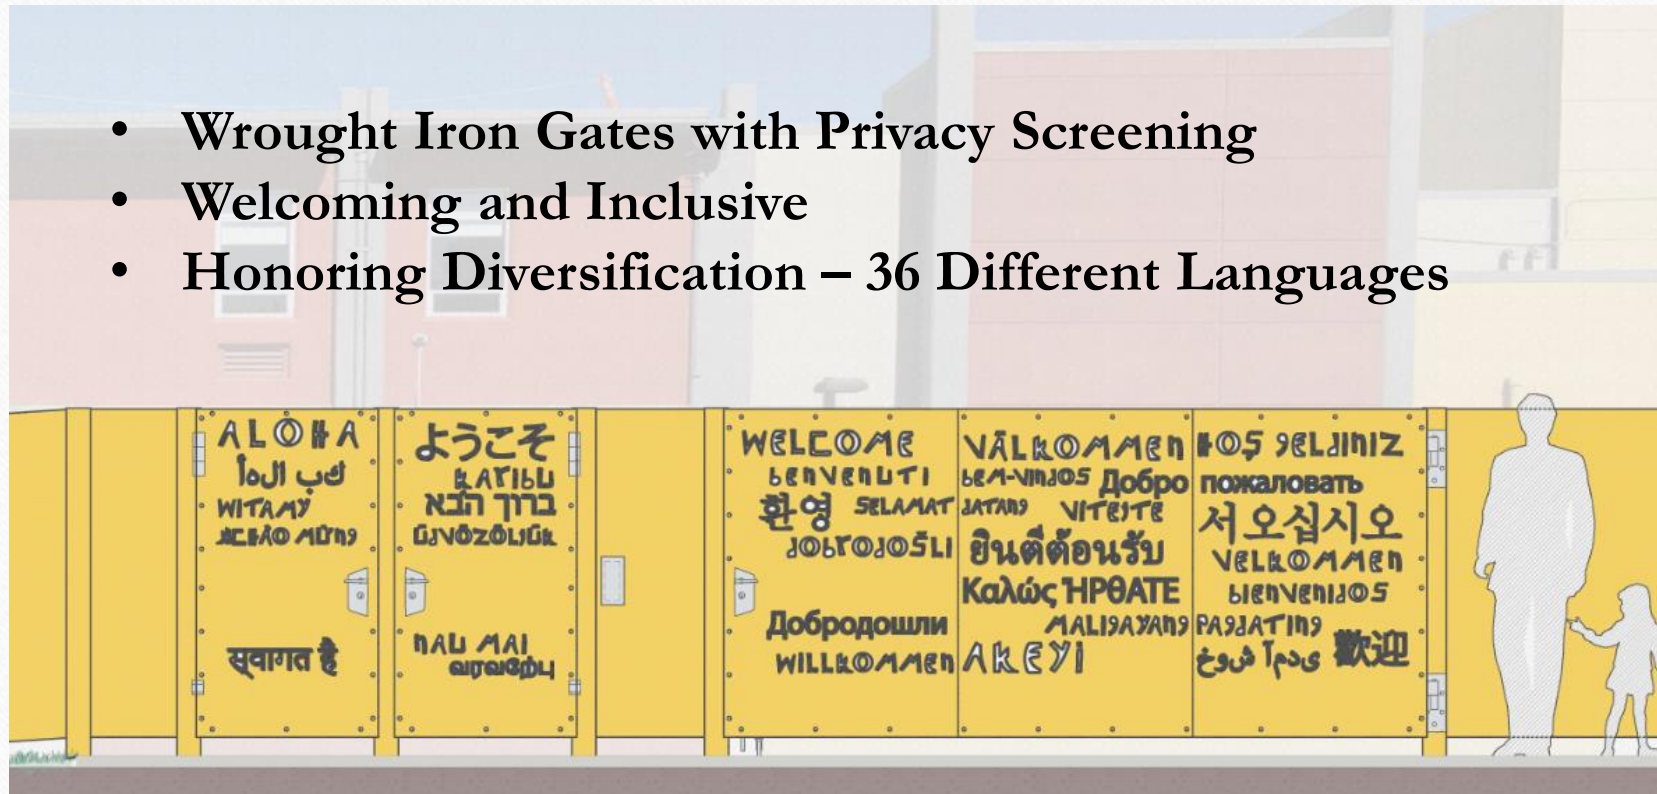

- New paint, curtains, and re-upholstered seating
- Upgraded Audio/Visual Equipment
- Integration of technology for teaching and learning

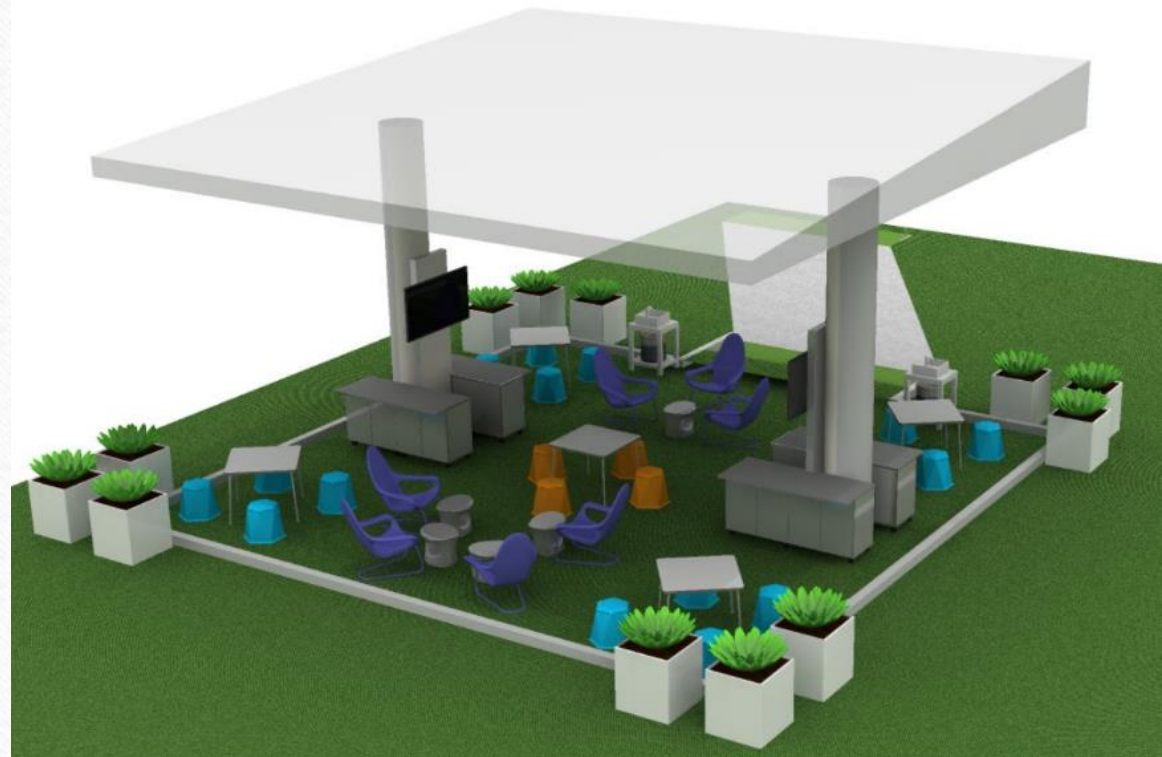

# New Campus Entry Gates

- Wrought Iron Gates with Privacy Screening
- Welcoming and Inclusive
- Honoring Diversification – 36 Different Languages

# Updated Garden with Outdoor Learning Environment

- Update Existing Garden
- Create a Outdoor Sustainable Learning Environment

# Digital Marquee

Digital marquee locate at the entrance to the campus on Derby Street
