

Logistics Task Force Sub Committee: Health & Hygiene Reopening Planning Team

School Board Meeting Presentation

July 16, 2020

Suzi Riley, Coordinator, Student Services

Student Services

Health and Hygiene Team Goals:

- ▷ ***Safeguarding the health and safety of students and staff is our top priority***
- ▷ ***To maintain health and wellness while at school, we will need to be flexible, open-minded and innovative***

Health and Hygiene Sub Committee

Meetings held:

- ▷ 6/2/2020
- ▷ 6/10/2020
- ▷ 6/18/2020
- ▷ 6/24/2020

Team Members:

- Lana Fenech, Retired Principal
- Marilyn Ponce de Leon, RN, School Nurse
- Julee Flores, 4th Grade Teacher
- Erin Murray, TK Teacher
- Alexandra Rodrigues, Administrative Assistant
- Cathie Peluffo, School Office Specialist
- Suzi Riley, Coordinator

Pillar #1: Health and Hygiene

Health and Safety Protocols:

- ▷ Stay at home if you are [ill](#)
- ▷ Daily temperature taking & wellness checks
- ▷ Wearing [Face coverings](#) is required at school
- ▷ Regular [hand washing](#) or sanitizing throughout the day
- ▷ Ongoing [health instruction](#) and trainings to students
- ▷ SMFC [Health and Safety Protocol](#) overview

Pillar #2: Face Coverings

- ▶ Face coverings are expected to be worn throughout the day. There may be a transition period as students become accustomed to this new routine.
- ▶ Instructions and expectations for using face coverings at school will be shared with families: [Face covering "How to"](#)
- ▶ Instruction for students about how to adjust, clean and reapply face coverings during the school day will be provided to reach full compliance.
- ▶ [Q & A with Nurse Marilyn, RN](#)

Pillar #2: Face Coverings (continued)

- ▶ We will continue to follow the San Mateo County Health's guidance regarding types of face coverings [SM County Office of Ed Recovery Framework](#)
- ▶ Extra face coverings will be available for any students or staff needing them

Maintaining Staff and Student Health

- ▶ Identify the isolation location(s) for those identified with symptoms at each school site for secondary screening and waiting area
- ▶ Individuals with a temperature of 100.4 F (or higher) or those who are [symptomatic](#) will be sent home and must stay home until fever free for 72 hours without medication
- ▶ Families will be provided with COVID-19 updates and resources:

[Protect yourself and others](#)

[Staying safe at school](#)

Contact Tracing

- ▶ The Center for Disease Control (CDC) encourages the use of [contact tracing](#) to help keep communities safe and slow mitigation of disease
- ▶ Local health officials provide guidance and support to individuals within the community who test positive for COVID-19
- ▶ The SMFC Nursing Department will follow up on possible [exposures](#) with our District point-person who will follow recommended protocols provided by the CDC, SM County Health Department and SMCOE for contact tracing
