Re: Sunshine Articles for Bargaining

Understanding that Articles 2, 12, 15, 18, 20, 22, 24, and 26 are either left over or opened by the District, ATU, Local 256 presents the following additional Articles for bargaining in the 20-21 contract:

Article 3

Article 9

Language for Bus Attendants, not to exceed two additional Articles.

I believe this covers the issues. ATU is very interested in resolve language applications during this round of bargaining.

Sincerely,

Bradley G Booth
