

Bond Project Office Update  
Board of Trustees Meeting,  
September 10, 2020

Measure BB-2018

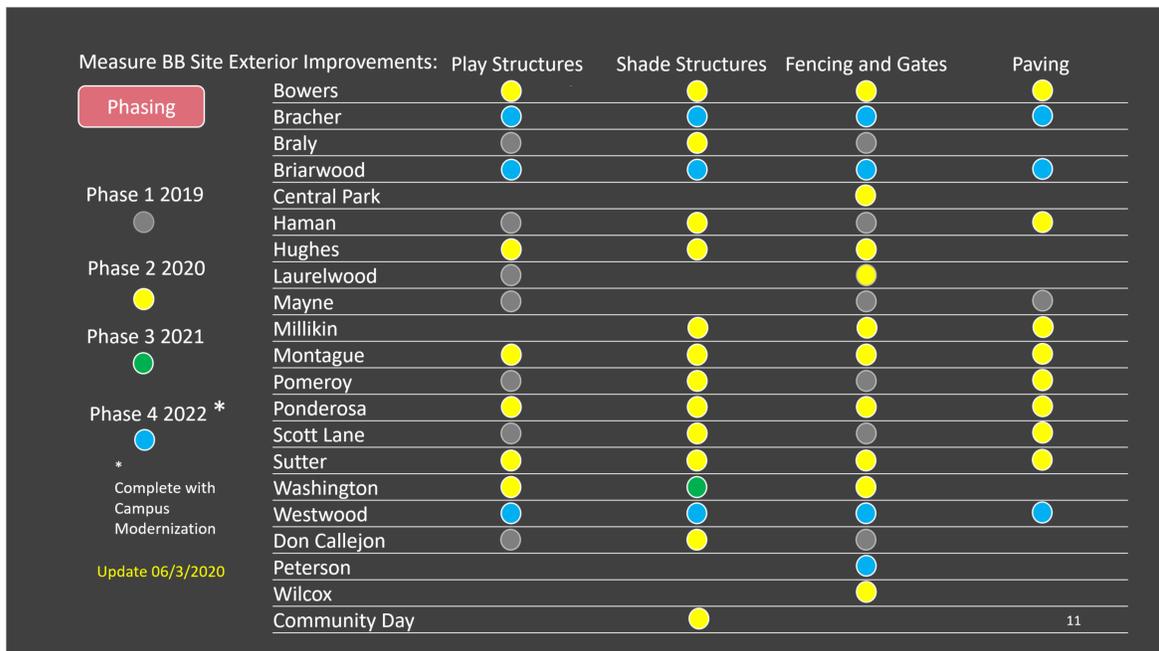

**Peterson Middle School Locker Building and Pool Replacement**

- Interior framing and utility rough-in are in progress.
- Completion is still on track for spring 2021.

**Elementary School Exterior Improvements Program**

- This chart shows the schools under construction this summer (yellow). The shade structure at Washington Open will be completed next summer because of required geotechnical surveys, reports and approvals.

## Elementary School Exterior Improvements Program [continued]

- COVID-19 has interrupted manufacturing of equipment and shade structures.
- Work will continue on most sites into the school year.
- Shade structures are now under construction and will be completed by October.
- Staff as completed temporary fencing and barricades to facilitate staff access to the campuses while work is underway. Many play structures are complete.
- Extensive site construction and added asphalt paving are extending work a some sites.
