Superintendent Reports Highlights For the Month of August Prepared for Tuesday, September 8, 2020 Board of Trustees Meeting

Proud of Vista de Las Cruces Teachers: Multiple sessions with the teachers to plan for 2020 -21 school year were held in July and early August before their official contract reporting date. All virtual meetings were scheduled to collaborate on intentional outcomes for a successful opening to the school year to meet 1:1 with families and see the students with their parents. The Flexible Remote Academic and Physical Distance Learning Plan was distributed along with students' materials (i.e. crayons, colored pencils, composition notebooks, Chromebooks, iPads and chargers, workbooks and textbooks etc.)

August 17, 18 and 19 Teacher/Staff In-Service Days: All staff came together for sessions related to Self-Care and the importance of one's own social and emotion well-being during COVID-19. Listening and observing one another supports the team's goal as one family to meet and serve the needs of all students, their families in Vista Del Mar Union School District. Staff opening this school year includes don Bruce (Grades 2-5), Mrs. Caroline Esdaile (Grades 2-5), Ms. Delaney Sullivan (Grades TK-1), Rana Krisher, Instructional Assistant/Food Service Assistant: Alex Horenberger, Office Assistant, Pablo Guerrero, Custodian, Manuel Nungaray, Bus Driver/Maintenance, and Beth Wilson, Interim Fiscal Manager.

Teacher Team (Left to Right): Ms. Sullivan, don Bruce, and Mrs. Esdaile preparing for their presentations and organizing student learning materials for the 1:1 meeting with each student and his/her parents scheduled on August 20 and 21.

Custodian & Maintenance Training Provided On-Site

Colleagues From Santa Maria Union Joint HS District came to Vista and volunteered one day to demonstrate and teach the custodians/maintenance staff (Pablo and Manuel) proper and safe techniques for floor care, window care, carpet cleaning, furniture and other steps that are a part of summer deep cleaning. The team took the time for questions and answers as well as show successful measures for prevention on a campus for maintenance and operations. Thank you to our neighbors and your ongoing outreach and support to follow-up as the school's team learns safety measures combined with proper maintenance and prevention as a part of a daily, weekly and monthly routines on a schedule.

The Ultimate Highlights For August – Students & Families

On Thursday, August 21st and Friday, August 22nd, students and their parents were scheduled for 1:1 meeting with their teachers, staff and Superintendent/Principal involved. Two beautiful sun filled days welcomed the students and their parents to meet with physical distancing and COVID-19 safety precautions in place. Classes began for the students with an activity titled Dreams and Hopes for My Wildcat School Year.
