**Authorizing Teachers Teaching Outside their**  
**Credentialed Areas Resolution 20-21-09**

Whereas, the EUSD has requirements to fill teaching positions,  
Whereas, various sections of the Education Code allow teachers to teach  
outside their credentialed areas if specific requirements are met,

Whereas, the Education Code allows a district to establish a Committee on  
Assignments to deal with situations in which teachers teach outside their  
credentialed areas, including a review of requirements and consent of the  
teacher,

The Escalon Unified School District Committee on Assignments recommends  
that the following teacher and assignment be approved for 2020-2021 year:
