Instruction

~~The Governing Board may contract with state-certified nonpublic, nonsectarian schools or agencies to provide special education services or facilities when an appropriate public education program is not available.~~

The Governing Board recognizes its responsibility to provide a free appropriate public education to students with disabilities in accordance with law. When the district is unable to provide direct special education and/or related services to students with disabilities, the Board may enter into a contract with a nonpublic, nonsectarian school or agency (NPS/A) to meet student needs consistent with the comprehensive local plan of the Special Education Local Plan Area.

~~When entering into agreements with nonpublic, nonsectarian schools or agencies, the Board shall consider the needs of the individual student and the recommendations of the individualized education program (IEP) team. The IEP team shall remain accountable for monitoring the progress of students placed in nonpublic, nonsectarian programs towards the goals identified in each student's IEP.~~

Prior to entering into a contract to place any student in an NPS/A, the Superintendent or designee shall verify that the school or agency is certified to provide special education and related services to individuals with disabilities and complies with staff training requirements in accordance with Education Code 56366 and 56366.1. In addition, the Superintendent or designee shall monitor, on an ongoing basis, the certification of any NPS/A with which the district has a contract to ensure that the certification has not expired.

No district student shall be placed in an NPS/A unless the student's individualized education program (IEP) team has determined that an appropriate public education alternative does not exist and that the placement is appropriate for the student.

(Education Code 56342.1)

(cf. 6159 - Individualized Education Program)

The district shall pay to the NPS/A the full amount of the tuition or fees, as applicable, for students with disabilities who are enrolled in programs or receiving services provided by the NPS/A. (Education Code 56365)

In accordance with law, any student with disabilities placed in an NPS/A shall have all the rights and protections to which students with disabilities are generally entitled, including, but not limited to, procedural safeguards, due process rights, and periodic review of the student's IEP.

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

During the period when any student with disabilities is placed in an NPS/A, the student's IEP team shall retain responsibility for monitoring the student's progress towards meeting the goals identified in the IEP.

The Superintendent or designee shall notify the Board prior to approving an out-of-state placement for any district student.
